DEMOCRATS SWEEP STATE AND NATION; REPUBLICANS HOLD MADISON COUNTY

Election Tuesday Surprises Nation

ELECTION IN MADISON ABOUT AS EXPECTED

The election Tuesday was more overwhelming than even the most ardent admirers of the New Deal even dared to hope. President Roosevelt won 523 of the 531 electoral votes, leaving only 8 for Landon. It is said to have been the nearest to a unanimous vote since 1820, when James Monroe was re-elected with only one vote against him. Even the State of Kansas, Governor Landon's own state, voted about 50,000 majority for Roosevelt.

The State of North Carolina remained true to history, piling up tremendous majorities for democrats except in a few counties. Hoey was elected Governor over Grissom by a large majority and Mr. Edney suffered a much worse defeat in this election than he did two years ago.

It appears that the five amendments to the North Carolina Constitution were all carried. However, this is not given as a fact until complete returns are in.

How Madison County voted may be seen from the table printed elsewhere in this paper. The entire republican ticket was elected by an average of about two to one. On this page may be seen the cuts of those elected.

Hallowe'en Party A Success

The Hallowe'en party last Friday night in Marshall, sponsored by the P. T. A., was a decided success, we are informed. The costumes and stunts usually featured on those occasions were well done and the crowd attending quite satisfactory. A net clear profit of \$25.00 was realized and the amount applied to the purchase of school books.

Highway Markers Being Erected In Mountain Section

Nov. 4, 1936—A survey of historical spots in the mountain area of North Carolina, for the purpose of erecting highway markers, will be undertaken during the next two weeks by Miss Marybell Delamar Acting Collector for the North Carolina Hall of History, who will leave Raleigh for the west today. Miss Delamar is being sent by the State historical Commission, C. C. Crittenden, secretary, which is carrying on the historical marker program in co-operation with the Department of Conservation and Development and the Highway and Public Works Commission. The legislature at its last session appropriated \$5,000 a year for the present biennium for this purpose.

Miss Delamar on this trip expects to cover the following counties: Cherokee, Clay, Graham, Swain, Macon, Jackson, Haywood, Transylvania, Madison, Buncombe, Henderson, Yancey, Mitchell, Avery, McDowell, Rutherford, Cleveland, Burke, and Caldwell. In each county she will confer with authorities on local history.

The markers, double faced and made of aluminum, are of the same size as those of Virginia, but the lettering is larger and the design distinct. Almost one hundred legends have now been approved, and several dozen markers are actually in place.

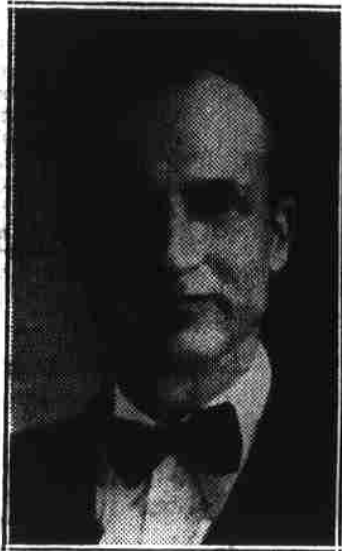

Each legend must be approved by a group of historians who do this work for the State entirely without compensation. These men

Mars Hill Founders Day

Mars Hill, Oct. 10 (Special)—"Remember" was the theme of the address by the Rev. Sankey L. Banton, pastor of the First Baptist church, Wilmington, made at the Founders Day program held Saturday morning at Mars Hill college in celebration of the eightieth anniversary of the founding of the college.

"The only thing that stands between the human soul and bondage is Christianity—the spirit of Jesus," stated the speaker. "We must remember, and remembering we must be human, devout and magnanimous. I bid you Godspeed in the noble things that you have done and are doing here for Mars Hill college."

Included on the morning program was Professor Hoyt Blackwell, who stated that \$65,000 had been received during the past year and that Mecklenburg county alumni had pledged to raise \$25,000 to be put into a building fund. Short talks were made by E. F. Watson, Burnsville, and by Gilbert H. Morris, Asheville.

At noon, dinner was served to the visitors, alumni, and special guests, followed by a reunion of old students.

A historic pageant, presented vividly by over a hundred students under the direction of Miss Bonnie Wengert, depicting the founding, establishment, and work of Mars Hill, was given in the new amphitheater, before a large audience, at 2:15. The college orchestra, directed by Mrs. S. B. King, provided music for the pageant.

The activities of the day were brought to a close with a football game; Mars Hill defeating the Campbell eleven, 13—0.

Sonny Boy: "Dad, what is meant by 'the bone of contention?'"
Dad: "The jawbone, my son."

A gentleman was describing to a lady the compensation of nature. How in the blind feeling of touch was very acute; how those who were deaf in one ear often heard very clearly with the other; and how a person blinded in one eye often sees extra well with the sound eye.

"Yes," said the lady, "it is very remarkable, and when I come to think of it, I have always noticed that if a person has a short leg, the other is always longer."

TAKEN TO GREENEVILLE HOSPITAL BY MAYOR BOWMAN

Sickle Gosnell of the Laurel section, brother of Wade Gosnell, suffered both legs broken about 2 A. M. Wednesday morning when the truck on which he was riding was forced off the road near Marshall and Mr. Gosnell's legs were caught between the truck and an overhanging rock on the side of the road. The truck was being driven by Roy Rice, youngest son of Mr. Jack Rice, of the Laurel section. It was said that the truck was forced off by a transfer truck. The occupants of the truck were returning home after coming to Marshall to witness the election returns. It was about three in the morning when Mayor Bowman left to take Gosnell to Greenville, Tenn., to a hospital.
