The Swimming Season

As the swimming season is upon us, it is a good idea to check your pool for leaks. A small leak can waste a great deal of water and money. It is also a good idea to check the pH level of the water to make sure it is safe to swim in.

GEESE EAT RICE

Humpty Doo, Australia — The efforts of an American-British-Australian company to make a barren tract of Northern Australia bloom with rice fields are being defeated by massive clouds of geese, measuring as much as 4 miles across. The geese eat the rice as fast as it is sown and ruin it by defecating on it and exploding some of the rice into the air.
