Those Possessing Dollars Are Urged To Keep Them In Circulation

Some of the more than 7,000 silver dollars paid off to employees by Hammarlund Manufacturing Co., at Mars Hill last week have already reached Marshall, it was learned by a survey held yesterday.

The silver dollars payoff was part of the observance of Hammarlund's first anniversary in Mars Hill and Madison County.

Four of the five Marshall department stores reported Tuesday afternoon that they had received 23 of the unique coins while grocery stores, hardware and drug stores also reported "Hammarlund Dollars" in their places of business.

The two banks in Marshall also reported many silver dollars had been sent in on deposit while O. A. Gregory, Gulf distributor, reported that as early as Saturday morning he had received 88 Hammarlund silver dollars.
