**Homecoming And Decoration At Chapel Hill Sunday, August 7**

There will be a decoration and homecoming the first Sunday in August at the Chapel Hill Baptist Church, and it is scheduled to be an all-day service. All singers and speakers are cordially invited. The John Harvey Family Quartet of Johnson City, Tenn., will be with us; so everyone come, bring lunch, and stay all day.

**MOM BESTS SON**

Glendale, Calif. — A 39-year-old mother of three children and a student at the University of Redlands—Mrs. Anne Coker—recently won the 7th annual Forest Lawn Foundation writing award and \$1,000 in prize money. Mrs. Coker defeated her son, Phil, 19, also student at the University. Mrs. Coker's victory over 1,700 contestants enabled Redlands to get a \$5,000 award from the foundation.

**Mount Pleasant Cemetery To Be Cleaned July 30**

There will be a gathering on July 30 at Mt. Pleasant near Doggett to clean the cemetery. Everyone who has friends and loved ones buried there is asked to come and bring tools to help.

Do today's duty, fight 40-day's tempt yourself by looking forward to tomorrow, yourself by looking forward to things you cannot see, and could not understand if you saw them.  
—Charles Kingsley

Look not mournfully into the past, it returns no more; wisely improve the present, and go forth into the shadowy future without fear and with a manly heart.  
—Henry Wadsworth Longfellow

Poverty is such a preacher that I would give anything but truth.  
—Matthew  
Thy modesty's a candle that holds merit.  
—Henry Fielding

**Most Modern, Shortest Stroke V8's\* in any leading truck!**

*New Chevrolet Task-Force Trucks*

Here's the measure of a truly modern V8 engine—Chevrolet's advanced oversquare design. It means less friction . . . longer engine life!

Here are more dollar-saving reasons why new Chevrolet trucks offer you the most modern V8's\* your money can buy!

- MODERN 12-VOLT ELECTRICAL SYSTEM**  
You get *double* the punch for quicker starting (up to 30 percent faster cranking speed) and a hotter, fatter spark for more efficient ignition.
- GAS-SAVING HIGH-COMPRESSION RATIO**  
With a high 7.5 to 1 compression ratio, Chevrolet's new V8 truck engines squeeze extra power—and work—out of every tankful of gas.
- EXTRA-HIGH POWER PER POUND**  
Since these V8's deliver high power per pound of engine weight, more of the power is actually available for hauling.

- ADVANCED AIRCRAFT-TYPE VALVES**  
Valves function independently, as in modern aircraft engines. Valve action is more positive at all speeds for finer, smoother performance.
- FLOATING OIL INTAKE . . . FULL-PRESSURE LUBRICATION**  
New floating oil intake selects the cleanest oil for engine lubrication. Full-pressure lubrication system provides positive protection for vital engine parts . . . extends engine life.

\*V8 standard in the new L.C.F. models, an extra-cost option in all others except Forward-Control models.

Year after year . . . America's best selling trucks
