### MONEY MAKES BOY BIG SHOT

New York — Henry Morales, 7, appeared at school the other day and began handing out money in large quantities to his "special" friends. One boy, who received a \$20 bill, hurried to a candy store where he ordered a penny piece of bubble gum and presented the big bill. An investigation led directly to Henry, who came clean immediately. He had taken the money from his grandfather, who had just arrived from Puerto Rico. The bankroll, containing \$3,940, was retrieved and the grandfather was persuaded to deposit his savings in a bank.
