Burlington Sales Hit \$179,280,000 For Big Increase

Greensboro, Feb. 7 — Consolidated net sales of \$179,280,000 for the 3 months ended December 31, 1955, were reported today by Burlington Industries, Inc. These sales compare with \$127,392,000 for the quarter ended January 1, 1955.

Net earnings during the quarter ended December 31, 1955 were \$8,218,000 after deducting income taxes of \$6,867,000 and minority interests in earnings of \$1,113,000. Included in net earnings were non-recurring profits of \$3,666,000, or \$.45 per share, realized on sales of fixed assets and investments. The balance of net earnings of \$4,552,000 were \$.51 per share after preferred dividends and represented profits from operations, including Pacific Mills on an estimated basis.

In the similar quarter last year net earnings, which were entirely from operations, amounted to \$4,202,000 after income taxes of \$5,166,000 and minority interests in earnings of \$169,000. After 1-
