## THE GIRL WHO LED THREE LIVES

Read how a girl lived one of the most baffling cases of split personality. The fascinating story of a woman who possessed three different personalities is dramatically revealed in March 11 issue of THE AMERICAN WEEKLY distributed with the Nation's Favorite Magazine with the BALTIMORE SUNDAY AMERICAN

## Lions Club—

(Continued from Page One)

had charge of the program and introduced the president of the Weaverville club who spoke on Lions and its association to community development.

A quartet, composed of visiting Lions and several selections which were enjoyed by the local members, were featured, of Weaverville, accompanied the group here and served as choir.

Leon President Bill Zink, of the Marshall club presided at the meeting.

It was also announced that the Zone Meeting is to be held at the Marshall school cafeteria on March 26, at 7:30 o'clock. The Marshall club will be the host club and will join with the presidents and secretaries of the six clubs in the zone for the dinner-meeting. Following the meal, members will be excused and the officials of the zone, including all presidents and secretaries, will hold its regular executive meeting.

All members are urged to be present for the dinner-meeting.

16 members of the Marshall club and six members of the Weaverville club were present here Monday night in addition to one guest from Marshall and one guest from Weaverville.

## Cox Freed—

(Continued from Page One)

surrendered in Asheville, he waived preliminary hearing for trial in District Court in November term. Then he entered Highland Hospital for treatment. He appeared in court again in November with members of his family and his attorney, Vester Walton, who presented a witness to testify to Cox's need for continued psychiatric examination and treatment. Judge Warlick ordered him into custody and sent him to the psychiatric ward of the Federal Penitentiary in Atlanta, Ga. He was released from the prison Wednesday and taken to Shelby by a U. S. Deputy Marshal and lodged in the Federal section of the Cleveland County jail there.

His bond was made by private citizens who appeared before U. S. Commissioner Larry Stoker Friday afternoon about 2 o'clock. Mrs. Lily M. Cox, mother of the defendant, of Mars Hill, made \$5,000 cash bond; Mr. and Mrs. John Cody, Fred Holcombe and Robert L. Edwards, all of Madison County, made three \$5,000 property bonds.

Jailer Ernest Beam of Cleveland County said that the bond was presented and Cox released to relatives at 4:40 p. m., Friday.

## TEETH IN WASTE BASKET

Oklahoma City, Okla. — Seeing a pupil struggling with a piece of candy, Mrs. Loreta Bonner, a teacher, told the boy to either swallow the candy or toss it in the wastepaper basket. The boy told her the candy was stuck in his teeth. Jokingly, Mrs. Bonner told the youngster to "toss your teeth in the basket with the candy." The boy complied, to her surprise, throwing candy and teeth into the trash basket — he had a full upper plate.

## PLANT YOUR SPRING GARDEN

This is the time of year to make plans for your Spring garden. If you are not very enthusiastic about it now, order a few seed catalogs and the pictures in them will arouse a fire of enthusiasm.

Of course, the plants won't grow to look like the pictures in the catalogs, but you can enjoy thinking that they will for several weeks, at least. The anticipation, then, is half the fun.

On the practical side, there are many vegetables—and flowers, if you prefer them—which can be planted with little trouble, beginning in March and which will yield great rewards. In some sections, the soil may be prepared for a garden in the month of February.

The best thing about a garden is not that you might save a little money. The exercise it provides, the fresh air and the relaxation from ordinary chores and tensions, often do more for the gardener than does his actual haul of vegetables.

We have only one word of advice for gardeners. Realizing that it will not be accepted by most of them, and that advice is usually wasted effort, we nevertheless offer this year. We would suggest that any gardener—wondering how large a plot to prepare—prepare the smaller of the two sizes he contemplates seeding and working during the hot months of Summer.

Nothing can ruin an enthusiastic gardener faster than a spell of hot days, a good growth of weeds and the steady work which he is required to do—in the garden—during the hot, humid days of late Spring and Summer.

## LIGHTS PAINTED OUT

Easton, Pa. — Wondering why his headlights were not working, Stanley Decker stopped his car and investigated. He found they had been painted over completely with black poster paint.

**LEARN IT—WRITE IT DOWN NEAR THE TELEPHONE FOR EMERGENCY USE! (DO IT NOW—BEFORE YOU NEED IT.)**

## Not A Chance

It had been raining hard all day and the man sitting in the corner of the tavern looked thoroughly miserable. Another man who had been sitting at the bar for some time watched the one in the corner and finally got to his feet and went over to him.

"Look, old man," he said, "I'm sorry to see you looking so fed-up. Why don't you come over here and drown your troubles?"

"My dear chap," replied the disconsolate one, "she's five inches taller than I am and besides, she outweighs me by sixty pounds!"

## EXAMINED AT 104 FOR PLANE FLIGHT

Tacoma, Wash. — Benjamin A. Trimble went to a doctor's office for his first physical examination in 44 years — not because he thought he needed one but because he wanted to be sure he was in condition, at 104, to fly in an airplane. Before the aged Negro went to the doctor's office, however, he chopped his day's supply of wood, just as he has done for years.

Evidently the greatest labor saving device of today is tomorrow.

# Cools off the hot ones!

# World's Largest Selling V-8

Now up to **225 h.p.**

Now you can have a big 312 cubic inch powerhouse with the most displacement in the low-price field. Most torque, too. For you that means quickest getaway, swiftest passing power.
