

ARE
WOMEN
SMARTER
THAN MEN?

One might get into trouble answering a question like that—but we will say that these days many of them know as much about banking procedure as men do (sometimes more). Women make good loyal customers—and we appreciate their patronage.

Tournament

(Continued from Page One)

Creek rally, roared every time the two Willetts would "fire". It was evident that the large majority of the spectators were pulling for Spring Creek. The final five minutes of the game were the most exciting of the tourney as the two teams natched goals with the lead changing several times. In the end, however, a little better balanced team proved a one point winner as Mars Hill eked out the all-important 50-49 victory for the championship. Milam Wall led the scoring for the winners with 18 points with Howell Smith netting 13 points. Dick Vance looped in 12 points and perhaps proved the "smoothest" center in the tournament. His "fade-away", one-handed jump shot was a thorn in the flesh for every opponent. F. N. Willett was perhaps the best "all-round" player in the tournament and was widely cheered following the tournament's final game.

The entire tournament was capably operated with splendid sportsmanship displayed by all teams and the officiating was most creditable. The spectators, for the most part, were orderly and the scorers, timers and other officials were "tops".
