APPRECIATES PROGRESS IN MARSHALL AND MADISON

July 11, 1956

The News-Record Marshall, North Carolina.

Enclosed you will find my check for \$2.50 in payment for The News-Record for another year.

I enjoy reading your paper and learning what the younger generation in Madison County is doing.

While I don't know many of the younger people there I know most of their parents.

I think it is wonderful the progress Marshall has made with the new park and swimming pool and the band with the new uniforms.

Wish we had had all those things when I was going to school on the hill.

Will not be taking my vacation in North Carolina this summer as I am going on a bus tour to Lake Louise in Canada.

Wishing you success with your paper, I am

Very truly yours,
