

Old Bull Creek Baptist Church And Training

We, the majority of Old Bull Creek Baptist Church, have voiced against the modern day training. It has been agreed upon by a majority vote of the church that we will not have the modern training as advocated and taught by the modernists of today. We have seen and felt the results of it. We contend that it denies the leadership of the Holy Spirit. When Christian parents teach their children the Bible, inspired by the Holy Spirit, then go to church where the modern teachers tell them they have been misled or taught incorrectly, they become confused to the extent that they do not know what to believe. We contend, upon the authority of God's Word that God is not the author of confusion.

A young man united with this church which has never had the modern training, by letter from a church which uses the training materials. Is this good Christian citizenship? He was licensed to preach by this church. Later, he was selected by the members of a Bible Class as their teacher, but refused, upon grounds that his time was already taken in preparation for the ministry. According to the statement in the previous issue of this paper, the young man was refused a room in which to teach, because the members do not believe in training of any sort. Is teaching the Bible training of any sort? ? ?

We, the majority of Old Bull Creek Baptist Church, are not ashamed of the action which we have taken. The pastor of this church, who has recently been asked by the Deacon Board to resign, did not state that the inci-

dent happened in his church. If he is ashamed of the church, then could he not have complied to the request?

We believe in democracy. Therefore, we contend that when a church agrees to abide by a democratic vote, a Christian citizen will abide by the vote.

We contend — there is a distinct difference between consecrated church members and consecrated Christians! We prefer the consecrated Christian.

ICICLES

I tried to draw the winter on a stone
 Until I saw these dripping jewels shine
 In glory from the eaves—for me alone—
 Why should they freeze in rippled, sparkling line?
 The long ones reach from roof to spotless snow,
 The short points frame the windows up and down;
 And beauty shivers as the sun rays flow—
 The man who breaks them is a heedless clown!
 My eyes are blinded by the gleam-sight
 Old Winter laughs, leaps on his frozen staff.
 How could I capture living crystal light
 With blunted pencils of a lithograph?
 For all the colors of the earth are there;
 The palette of the gods has paint to spare.

MHC LIONS TO MEET WINGATE IN FINAL GAME

Coach Don Henderson's Mountain Lions, the strongest team at the college in years, enter the final week of practice in preparation for the season's last game with Wingate at Monroe Saturday night.

The Lions, sporting a 6-2 record and both losses reversed, have consistently been among the leaders in Eastern division rating. Third place two weeks ago was ruined by Gardner-Webb with an upset victory, but a striking 50-6 victory over a strong Carson Newman Jayvees team Friday night will surely move them back up the ladder from sixth place.

Mars Hill scored in each quarter. The seven touchdowns scored last week against Carson-Newman brought the Lions total to 28 in 4 games to 13 for the opposition. 135 first downs to 55 for the opponents give the Lions a good defensive record.

Henderson's offensive stars have run up 1739 yards on the ground to 1134 yards for the opposition and 598 yards via air to 348 for
