MARS HILL

SHOWER IS GIVEN FOR BRIDE-ELECT

Miss Patsy Webster, bride-elect of Harry Vincent Helton, was honored with a shower last Saturday afternoon in the Faculty Lounge of the college library. Mrs. Doug Robinson and Mrs. Plato Reese were hostesses for this lovely party.

Just after the arrival of the honoree the guests sang "We Love You Truly" to open the party. Miss Caroline Biggers then gave a reading of some matrimonial recipes, which was followed by a vocal solo, "Love's Old Sweet Song," by Mrs. David Roberts, accompanied on the violin by Mrs. Doug Robinson. Mrs. O. E. Sams then gave a "Toast to the Bride" and read a fictitious and humorous account of a society wedding in which the bridegroom, his attire, his family and his accomplishments were featured.

The refreshment table, covered with a pale green linen cloth, was entered with an arrangement of white flowers and lacy green fern in a cut glass bowl, flanked with tall pale green tapers in silver candelabra. Refreshments of cake, mints, nuts and punch, used the green and white color scheme. The honoree received a large number of useful and beautiful gifts of linens, china, silver, crystal, etc. She is a local girl and is to be graduated Dec. 20 from the University of Tennessee. She came home especially for the party and was the overnight guest of her aunt, Mrs. Corneil Vann.

UNUSUAL WILL

Marinette, Wis. — The will of Emil Schnabel, filed recently for probate, ordered possession of his homestead to revert, in 5-year-periods, to each of his five sons, with this proviso: To maintain possession, the homestead must contain "at all times 13 milk cows, 8 head of young cattle and 3 horses." After the fifth son has had five-years' possession, the homestead will go to the oldest grandson "and on down through the ages."

visit with homefolks.

Mrs. Tilda Holcombe and her sister, Mrs. Fred Tilson of Asheville, made a visit to their sister, Mrs. H. K. Mullins, and husband in Wilmington last weekend.

Mrs. O. E. Sams plans to leave this Saturday for Chicago for a visit there with her son, Oscar Jr., and family for a few weeks.

And with the closing of the college Saturday for the holidays, the students and many of the teachers will be leaving for their homes or other places. And local young people who are way in college or teaching in other places will be arriving soon for a holiday visit home.

The exciting Ford Fairlane 500 Club Victoria (above)—over 17 feet long—is one of two new, bigger Ford sizes this year.

If you think it looks new...
wait till you drive it!

...For there's where Ford's newness really pays off
...in melting mountains...in smoothing the bumps
...in straightening the curves

You can see that Ford's longer, lower Sculptured Look makes other cars look downright old-fashioned. But the part you can't see—the new "Inner Ford"—is what shows its stuff when you drive a Ford. It's revolutionary from the wheels up! And it feels it.

Ford's wider frame lets you sit sweet and low. And Ford's new front suspension, rear springs and new easy handling are part of the scheme to make you think every road is cloud-smooth.

The magic touch of the new Ford power plants makes mountains disappear. What looks like uphill feels like downhill. You get this surging power in a wide choice of Silver Anniversary V-8 engines. Or choose Ford's Mileage Maker Six, the most powerful Six in the low-price field.

There's magic in Ford's price tag, too! You won't believe this big new Ford is still priced Ford-low. But it is. Come in and test its magic. It's a real "Wizard of Ah-h-h-h!"
