Marshall Eighth Grade Has Varied Activities Here

Beginning at Thanksgiving they used for devotional reading the Bible selections suggested by the American Bible Society for worldwide Bible reading. The class learned a number of traditional Christmas carols as part of their music study during December. The English carol, "The Twelve Days of Christmas" was also sung by the class. Christmas decorations planned and carried out by the students included paper chains festooned from the ceiling, a tree which was decorated with strings of popcorn in addition to other ornaments, and a manger scene constructed by the students.
