Major Changes Recommended To Be Made In N. C. Motor Vehicle Law

Legislature To Get New Proposals; Important To Highway Safety

After receiving suggestions for changes in the motor vehicle laws of North Carolina from judges, prosecutors, and law enforcement officers throughout the state, the Department of Motor Vehicles is recommending to the General Assembly the following changes in the motor vehicle laws which it feels are important to highway safety and the operation of the Department:

1. Mechanical Inspection Act. With the great success and support shown throughout North Carolina for the Voluntary Safety Check program, the Department requests that a Mechanical Inspection Act be adopted for the state. The proposal would use state-licensed private garages as inspection stations. Every motor vehicle registered in North Carolina when operated on the highway would have to display an approval sticker evidencing that it had passed an inspection during the current year. The items that would be inspected are: registration, brakes, lights, horn, steering mechanism, and windshield wiper. Every firm or person demonstrating the ability to perform the mechanical inspection of motor vehicles according to standards established by the Commissioner within the requirements of the equipment statutes would be licensed as an inspection station and this license would be renewed once each year. Inspection stations would be authorized to charge a fee of 75c for performinspection, and when the motorist would pay a fee of 25c (Continued to Page Two)

JUDGE FELIX ALLEY PASSES LAST SUNDAY

Reloyed Jurist Is Buried In Haywood County On Monday Afternoon

Government share of the cost on Mr. Hawking said that no approvlime to be used in performing approved practices this year will be up 50 cents per ton while the Government share on fertilizer will would review all requests immedi-

LIONS TO MEET IN CHARLOTTE **JANUARY 26**

State Convention Will Be Held In Asheville In June

Plans for the midwinter convention of Western North Carolina Lions Clubs in Charlotte on January 26 were completed at the winter quarterly meeting of the District 31-A Lions Club cabinet on Sunday, Jan. 6, in the home of W. Mike Brown, Zone I. Chairman, in Robbinsville.

Cabinet officers representing 35 Lions Clubs with some 1,500 members in 12 western mountain counties also discussed plans for the 1957 state Lions Club convention to be held in Asheville June

W. E. (Ed) Michael Jr., of West Asheville, District 31-A Governor, presided at the session devoted to a review of progress reports on blind aid programs on the state, county and district lev-

presenting reports included R. W. Easley Jr., of Murphy, Region 1; F. E. Shull of Canton, Region 2; and Eugene M. Jones of Try-

Activities reports were submitted by these five zone chairmen: Joe U. Crum of Cullowhee, Zone 2; A. Roland Leatherwood of Clyde, Zone 3; G. Henry Ramsey of West Asheville, Zone 4; T. Kendall O'Barr of Asheville, Zone butions so that the local Chanters 5; and Edwin C. Leland of Salu-Chin continue in the Council She da, Zone 6.

Others presenting reports were Judge William A. Hart of Weaverville, WNC director of White Cane drive; and Alan A. Taylor of Hendersonville, member of the state-wide promotion committee.

Nine past District 31-A Governors now serving as international counsellers participated in the discussions. They are Wesley W. Brown and Hugh Monteith of Asheville, Jennings A. Bryson of Sylva, Herbert W. Sanders and Roy A. Taylor of Black Mountain, Hieronymus Bueck of Murphy, Robert R. Barnes of Candler, Alston B. Broom of Hendersonville and Lawrence B. Leatherwood of

MERCHANTS MET HERE TUESDAY

Nine members of the Marshall Merchants Association met at the City Hall Tuesday night with Joe Eads, president, presiding,

Various reports were given and problems concerning loss of business to Asheville, inadequate parking difficulties in Marshall, and other immediate needs were dis-

It was also suggested that Gudger Street (Back Street) be a 'One Way Street" with traffic entering from Upper Bridge Street. This plan was suggested to help alleviate traffic congestion and also give trucks loading and unloading a better opportunity to approach business firms.

Other problems, such as Wednesday afternoon closing dates, were discussed and it was decided to "table" the matter until the next meeting when it is hoped that most of the business firms in Marshall will be represented at the meeting.

Marshall OES To Meet Monday
