**The French Broad Electric Membership Corp.**

IS OFFERING ITS MEMBERS

**Free Electric Cooking**

And The Listed Merchants Are Offering

**Free Wiring Installation**

If you do not now have an electric range and buy one from one of the listed dealers during May or June, you will receive:

**FREE INSTALLATION** of the range: This will mean savings of up to \$40.00 on the cost of getting your range into operation. Some dealers no doubt will offer additional savings to members who buy during this period.

**FREE ELECTRICITY** to operate the range for five months: After you buy your range, the cooperative will subtract a flat \$2.00 from your bill for five months, giving you a saving of some \$10.00. An electric range ordinarily uses about 100 kilowatt hours per month, so you will probably get more than the actual amount of current your range uses in five months.

In addition to the free installation and free electricity for five months, the dealers will finance through the Cooperative the cost of the range with a small down payment and up to 24 months to pay. The interest and finance charges on this installment is about 50 per cent of the usual time payment plans.

Factual figures show it costs only about \$2.00 per month to cook electrically. If you buy an electric range during the month of May or June that replaces a wood, oil, coal, or gas range, you will get **FREE \$2.00 per month off your power bill for FIVE MONTHS** following the purchase AND you will get the range installed **FREE**.

Yes Sir!! Now is the time to get that Electric Range you've been wanting — You will find it easy to go to Electric cooking in May and June.

**Pontiac's Advantages**

**PONTIAC GIVES YOU UP TO 8.9% MORE SOLID CAR PER DOLLAR!**

Whether you judge a power plant by engineering statistics or on-the-road performance, Pontiac's Strato-Streak V-8 stands head and shoulders above anything in the low-price field. Your Pontiac dealer will be happy to show you a complete facts-and-figures comparison—then an eye-opening test drive in traffic or out on the highway will supply all the heart-lifting proof you need that Pontiac has separated the men from the boys when it comes to performance!

**—AND PONTIAC HAS ALWAYS BEEN FAMOUS AS ONE OF AMERICA'S TOP TRADE-INS!**

Maybe it comes as a surprise to you that so much more car can be yours at the same price you've seen on the smaller cars. But there's the fact! And Pontiac is a wonderful investment, too! As you know, it has always commanded a top trade-in. So why not step out of the small-car class and into a Pontiac... there's nothing in your way.
