**A COLLECT FOR CLUB WOMEN**

Keep us, oh God, from pettiness; let us be large in thought, in word, in deed.  
 Let us be done with fault-finding and leave off self-seeking.  
 May we put away all pretense and meet each other face to face without self-pity and without prejudice.  
 May we be never hasty in judgment and always generous.  
 Let us take time for all things; make us to grow calm, serene, gentle.  
 Teach us to put into action our better impulses, straightforward and unafraid.  
 Grant that we may realize it is the little things that create differences, that in the big things of life we are as one.  
 And may we strive to touch and to know the great, common human heart of us all, and, oh Lord God, let us forget not to be kind!

Cooperating with Buncombe and Yancey County Clubs, forty-three Madison County home demonstration club members attended District No. 4 meeting held in Weaverville Methodist Church, Tuesday, April 22. Mrs. C. D. Bowman of Madison County gave an inspirational devotion on "Walks Jesus Made In Homes."

Mrs. Kennickell, president, presided and also gave a report of her trip to the National Convention in Columbus, Ohio, which was enjoyed by all.

Mrs. Claude Gibbs and Mrs. Helen Hunter gave the report from Madison County. One of the highlights of the day was the talk and recordings of 4-H'ers and others by Mr. G. L. Carter, District 4-H Leader. It was most

appreciative to see pictures on screen of some of our own Madison County people. Mr. Carter closed his talk by stressing "Tomorrow's honors go to those who put emphasis today on the things that really count."

Miss Mary Harris, District Home Demonstration Agent, gave a summary of the day's meeting. Mrs. L. B. Tate, state president, installed the following officers for the ensuing year: president, Mrs. W. P. Hunnicutt; first vice president, Mrs. George Shupe; second vice president, Mrs. Donald Shook; secretary, Mrs. Ernest Buckner; and historian, Mrs. F. Ray Frisby.

A lunch served by ladies of the church was most delicious.

Last but not least! ! The gavel was won by Madison club members.

By special request I am giving the German chocolate cake recipe again.

**GERMAN SWEET CHOCOLATE CAKE**

1 pkg. Baker's German Sweet Chocolate  
 1/2 cup water (boiling)  
 4 egg yolks (unbeaten)  
 1 teaspoon vanilla  
 1 cup buttermilk  
 4 egg whites (stiffly beaten)  
 1 cup butter, margarine or shortening  
 2 cups sugar  
 1/2 teaspoon salt  
 1 teaspoon soda  
 2 1/2 cups sifted cake flour.

Melt chocolate in boiling water. Cream butter and sugar until light and fluffy. Add egg yolks one at a time, beat after each addition. Add chocolate and vanilla. Sift flour with soda and salt. Add flour alternately with buttermilk to egg mixture, beating after each addition until smooth. Fold in stiffly beaten egg whites. Pour into three 8 or

**CASTRATE AND DEHORN CALVES URGES SILVER**

Harry G. Silver, county agent, states that during the past six months beef cattle prices have been better than farmers have been receiving over the past five or six years. The increased prices have many Madison County farmers wondering what the future for grass steers will be this fall. All outlook information available at this time indicates feeder steer demands to be good during the fall of 1958.

With high prices or low prices the demand is always better for steers which have been dehorned and castrated on time. This means that any farmer expecting to sell steers this fall should dehorn and castrate all animals before they are placed on pasture. Any farmer in Madison County desiring to sell his steers through the stocker sale which will be held in Asheville this year must have the steers properly castrated and dehorned. With outlook good for stocker steers, feeder calves will probably be in even greater demand than they were in 1957. All calves should be dehorned, castrated and vaccinated for blackleg and hemorrhagic septicemia. Calves handled in this manner now will meet all qualifications for entry in the feeder

9-inch lightly greased and floured cake pans, which have been lined on bottom with wax paper. Bake at 350 degrees, 35 to 40 minutes. Cool.

**COCOANUT - PECAN FROSTING**

Combine in saucepan:  
 1 cup evaporated or half & half milk  
 1 cup sugar  
 3 egg yolks  
 1/4 pound margarine  
 1 teaspoon vanilla.

Cook over medium heat 12 minutes, stirring constantly until mixture thickens. Add about 1 can Baker's Angel Food Coconut and 1 cup chopped pecans. Beat until cool and of spreading consistency. Makes enough to cover tops of three 9-inch layers. Note: DO NOT frost sides of cakes.

This is delicious frosting and can be used on other cakes.

What verse in the Bible contains all the letters of the alphabet — except the letter J? Answer next week.

**Singing Convention To Be Held At Mt. Zion Church Sat.**

There will be a singing convention at the Mt. Zion Free Will Baptist Church Saturday night at 7:30 o'clock. All singers and the listening public are invited to attend.

Calves in the sale again this year.

**SHIPS GET NEW EYES**

Halifax, N. S. — A new chain of radio navigation aids to North Atlantic shipping went into operation recently.

Its sponsors said it would open new sea lanes and make existing ones safer. It could help avert such disasters as the Andrea Doria-Stockholm collision.

The network, embracing ground transmitter stations in Newfoundland and Nova Scotia, covers the North Atlantic approaches to the United States, including the St. Lawrence seaway.

WORK HAS STARTED on the new \$250,000 bridge across the French Broad River at Marshall. Construction work on piers for the new bridge is shown in center foreground, with the existing bridge at right. The new structure, like the existing bridge, will have a ramp leading right from the center of the bridge to connect with Marshall School on Blannahasset Island. Completion of the new bridge is expected in nine to 10 months, according to 1958 Highway Division engineers. Blue Bridge Structure Co. is contractor for the project.
