Shrinks Hemorrhoids

Without Surgery

Stops Itch — Relieves Pain

For the first time science has found a new healing substance with the astonishing ability to abrink hemorrhoids and to relieve pain—without surgery. In case after case, while gently relieving pain, actual reduction (abrinkage) took place. Most amaxing of all—results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!" The secret is a new healing substance (Bio-Dyne*)—discovery of a world-famous research institute. This substance is now available in suppository or eintment form
