Many Fine Exhibits; Lunch To Be Served At Noon On Island

Achievement Day, Saturday, September 27, will be held in Marshall High School. This is the ONE DAY in the year set aside for Home Demonstration Club members to display their exhibits and fellowship with each other.

The day's program begins early that morning when the exhibits in canned goods, sewing, garden products, baked foods, flowers, quilts, picture frames, handcraft, and many other items will be arranged and displayed. Judges from out of the county will be on hand, and it is believed many blue ribbons will be placed. Nice prizes, contributed by our town folks, will be awarded.

More interest and enthusiasm is shown this year than ever, in celebrating our fifth anniversary. Mrs. Helen Hunter, chairman for the day, has worked hard in completing plans. A very interesting program for morning and afternoon will be given. The guest speaker is the Rev. Dean L. Minton, assistant pastor of the Mars Hill Baptist Church, who will bring us a message on the "Influence of Christian Parents in the Home and Community".

Lunch will be served during the noon hour. Special features of the afternoon program will be club members modeling as a group wearing apparel they have made and giving demonstrations in projects they have recently learned. Such as, Swedish Darning, Ball Point Painting, Cake Decoration, Covering Coat Hangers, Copper Planter Boxes, Dried Arrangements, Refinishing Picture Frames, and others. Mars Hill College Lions To Host Wingate Saturday

Will Be First Home Game; Coach Henderson Is Seeking Victory

The Mars Hill College Lions will open the home portion of their 1958 football season at Mars Hill at 8 p. m. Saturday against the strong Wingate College Bulldogs.

Disappointed by a 28-20 loss to Gardner-Webb in their opener last week, the Lions of Coach Don Henderson and assistant Bob Edwards have undergone rigorous practice this week in an effort to eliminate weaknesses revealed in the opener.

A speedy backfield, two and three deep at each position, and a big tough line promise to give the Lions an exciting ball club. Henderson can keep his attack fresh by frothy alternating complete units. A pair of equally good quarterbacks, a quartet of powerful fullbacks and a bench full of light but fast halfbacks make this possible.

NEXT TUESDAY CLOSING DATE ON SOIL BANK

Tuesday, September 30, is the last day whereby farmers who are interested in placing a portion or all of their eligible land in the 1959 Conservation Reserve phase of the Soil Bank Program may file their initial request, says Novile Hawkins, chairman of the Madison County Agricultural Stabilization and Conservation Committee. He emphasized the importance of farmers who were interested to contact the ASC Office in Marshall not later than Tuesday, Sept. 30 and file their request that the county committee establish a payment rate for their farm because the department is not expected to extend the initial sign-up date, and because the farmer is in no way obligated to follow through with a contract until he signs a contract at a later visit to the office, should he decide to file a contract.

The 1959 budget totals \$15,000 and will include practically the same agencies as last year.

Mr. Frank Fisher stated that if anyone wished to examine the records for last year, he will be glad to show them.

"We sincerely hope that our budget can be met in the 1959 campaign and surpassed, if possible," Dr. Bolinger stated.

LETTER WRITING WEEK WILL BE OBSERVED HERE

International Letter Writing Week will be celebrated in Marshall during the week of October 5 to 11, Postmaster F. Ray Frisby announced today.

Twenty-one years ago, realizing the importance of written communication, the Post Office Department joined in the observance of an annual letter writing week—an event celebrated to emphasize the meaning and value of letter writing as a link between people throughout the world.

Postmaster Frisby explained that by participating in both International Letter Writing Week and National Letter Writing Week this worthwhile objective is promoted between all peoples everywhere.

"As we all know so well," Mr. Frisby said, "a personal letter is next to an actual visit, the most intimate means we have to communicate with our fellow human beings. Letters between our citizens and between peoples of different nations are a sure method of establishing friendly relationships and understandings. I urge all citizens of Marshall to join in this celebration of International Letter Writing Week. And at the same time, don't overlook your friends and relatives in America. Write them a letter, too!"

61 Cases On Docket; Judge Hugh Campbell To Preside

The September term of superior court for the trial of criminal cases will begin here Monday with Judge Hugh B. Campbell presiding.

Among 61 cases scheduled to be tried will be two murder cases — State vs. Clarence Shelton.

The Norton case concerns the slaying of Bill Burris, 44, of Marshall RFD 5, on May 23, 1958, as he sat in his car on the Long Branch Road near the home of Woodrow Norton, 41, also of Marshall RFD 5. Norton is charged with the killing.

Jack Smith, 35, of the same section, surrendered voluntarily at the Marshall jail about half an hour after the shooting, reporting that he shot Norton after Norton shot Burris. Norton was charged with murder and Smith with assault with deadly weapon with intent to kill.

Smith has been out on a \$2500 bond since the incident.

According to the sheriff, Norton was hit in the armpit by one bullet after it struck his finger and entered his chest. Another bullet, he said, hit Norton in the right arm near the shoulder and passed through.

Burris was killed by a bullet wound in the jaw, it was said. The sheriff, quoted a witness, Arthur Tweed, 66, one of Norton's neighbors, as saying he saw Norton holding a pistol in the window of the Burris car and when Norton reached for another pistol, Smith shot twice.

The officer said the three men had been riding together and had been drinking. They stopped, Norton got out of the car and was walking toward his tobacco bed when he met Tweed. Shortly after, the two other men came up in the car. Burris called Norton. (Continued To Last Page)
