

Presbyterian Schedules Are Announced

Hot Springs — Walnut
White Rock Churches
GEORGE R. BLUE, Pastor

Walnut

The members of the Ladies Missionary Society will meet on Thursday at 7 p. m., with Miss Ruth Guthrie, the new president, in charge of the meeting. The theme of the meeting is "The Spirit Speaks to the Church" and will be a study of the work of the Holy Spirit especially as revealed in the Book of Acts.

After the close of the meeting of the Ladies Missionary Society the Christian Education Committee will meet with the pastor in the Community Room. At that time the entire program of Christian Education for the coming year will be discussed and acted upon. Among the things to be discussed will be the sending of young people in the church to one of the Presbyterian summer conferences this year.

At a recent meeting of the Session it was decided to have a congregational meeting on Saturday evening, Jan. 31 at 7:30, at which time the pastor will act as Moderator. At that time the reports of the various committees and departments will be heard and acted upon. This will be preceded by a pot-luck supper which will be given at the discretion of the ladies of the church.

There was a large group at the weekly session of the Sunday School which met at 10 a. m., under the leadership of Elder Fred Rector. At that time it was announced that all the churches of the community are uniting in a drive to increase the attendance at the Union Prayer Meetings which are held every Wednesday at 7 p. m. The evening service was conducted at 1 o'clock at which time Mr. Daniel Force, the student assistant at Hot Springs, was the preacher. The theme of the sermon dealt with ways in which Christianity can be helpful to the individual in his daily life. The text was taken from one of the Pauline Epistles.

White Rock

It is expected that there will be a meeting of the Session before the end of the month since there is a new member on it — Elder Ray Tweed. As is the custom and practice of the Presbyterian Church, the pastor will act as Moderator. At this meeting several matters of vital import to the church for the ensuing year will

USE ELECTRIC HEATERS TO BEAT COLD ON FARMS

When the temperature falls to a low level as was the case January 5 and 6, life on the farm is disrupted in many ways, stated Prineas W. England, assistant agricultural agent. Usually pipes or waterers, somewhere in the water systems, freeze and water is unavailable for livestock and home use. A situation like this usually causes discomfort to animals and people. Many times countless hours are lost in attempting to thaw pipes and carrying water.

be discussed and voted upon. There was a receptive and responsive congregation on hand at the morning service which was conducted at 9:30 by Mr. Daniel Force. The theme of his sermon was "Christian Service" and the text was taken from the 12th chapter of the Apostle Paul's Epistle to the Romans. After this service there was the regular weekly meeting of the Sunday School under the leadership of Elder Chapel Tweed.

Hot Springs

Plans are underway for a congregational meeting which will be held on Sunday evening, Jan. 25 at 7 o'clock in the fellowship room. At that time a film produced by the United Presbyterian Church in the USA entitled "The Face of the Future," will be shown. This will be preceded by a pot-luck supper under the direction of the ladies of the church.

There was a meeting of the Every Member Canvass Committee on Sunday afternoon at 1:30, to make plans for an Every Member Canvass which will be held during this month. Among those at the meeting were Elder Neill Ross, Mrs. Arthur Morris and the chairman of the committee, Mr. Robert Henderson.

The topic at the weekly meeting of the Westminster Fellowship was "Vocations." Several other matters were also discussed. Among them was Youth Sunday and a Youth Supper Meeting which will be held in the new addition on Saturday, Jan. 24. Further plans for both will be announced later.

Both, Rev. George R. Blue and Mr. Daniel Force, participated in the morning service which was held at 11:00. The title of the pastor's sermon was "A Communion Meditation," and the text was taken from the Gospel of Matthew. At the close of the service there was a Communion Service in which the following assisted: Mrs. Maude Long, Elder Neill Ross, Frank Blue and Kenneth Burgin.

Houses are burned to the ground by the use of open flames in attempts to thaw pipes. Egg production drops in poultry houses. (Milk flow is cut down.)

Special electrical devices are available to prevent ice in waterers for poultry and dairy animals. Electricity is usually available in these poultry houses and dairy barns. Special heatpans can be used to wrap exposed pipes and controlled by a thermostat.

Quick Relief of HEADACHE

EASE PAINS OF HEADACHE, NEURALGIA, NEURITIS with STANBACK TABLETS or POWDERS. STANBACK combines several medically proven pain relievers. The added effectiveness of these MULTIPLE ingredients brings faster, more complete relief, easing anxiety and tension usually accompanying pain.

Camel outsells every other cigarette for 10th straight year

Latest published cigarette sales figures* prove that Camel continues its 10-year leadership over every other cigarette—every filter, every king-size, every regular. The reason is clear: the costly Camel blend of choice quality Turkish and domestic tobaccos has never been equalled. No other cigarette can bring you the rich flavor, the easygoing mildness, the downright comfort of Camels. Today as always, the best tobacco makes the best smoke.

*Compiled for 1958 by Harry M. Weston, the tobacco industry's foremost authority on cigarette sales.

Have a real cigarette—have a CAMEL
