LITTLE LEAGUE BASEBALL

It may be a bit premature but we believe if Little League Baseball is to be played in the county this summer, plans should be made early so that the teams could begin to organize, a schedule adopted and officials named.

The Babe Ruth League and the Little League were considered most successful last season although it was the first year such teams have been organized in the county.

Last season, four teams in each league (Marshall, Walnut, Mars Hill, Hot Springs) participated and many boys "found" themselves when they began playing "real baseball." Interest mounted as the season progressed and the public in general went "overboard" for the sport. Hundreds of boys turned out for the teams but only a small portion of them actually "made the team." Even so, the competitive spirit and all-out efforts of the boys proved that they loved to play baseball.

Naturally, the first season had many weaknesses and "hitches." Perhaps many of these can be ironed out this season. It's going to take adult leadership of the finest and most honorable type to make the season successful. The boys are willing to give their all but at the same time, organization, practice and sportsmanship must be spearheaded by adults.

Teams interested in entering the leagues this season should start now to "talk it up" and organize. Don't let's wait until mid-season to start planning — let's begin NOW!

BOTTLENECK STILL PREVAILS

The dangerous "bottleneck" at the intersection of the Redmon Road and Highway 25-70 at the north end of Main Street continues to be one of the most dangerous spots in our town. We don't like to keep "harping" on such a situation, but if something isn't done soon, we fully expect a serious if not fatal accident to occur there. Too many drivers are making it a habit to make U-turns, often darting in front of vehicles coming down the hill toward Marshall.

We have also noticed more and more cars parking on both sides of the narrow Redmon Road, making it most hazardous for children and grownups to walk near the intersection.

Editorials alone, will not relieve this situation. It's going to take action from town officials and cooperation from the public to stamp out this "curse."

Don't let's wait until someone is killed before action is taken.

BUSMAN'S HOLIDAY

Seminole, Tex. — A bus company is being sued for \$25,000 by Mrs. Anna Crapps, who contends she suffered a nervous breakdown after a bus in which she was riding was taken on a joy ride by an off-duty driver for the company.

Each square inch of the earth's surface, barring clouds, receives 3/10,000,000,000 of the original energy that leaves the sun. A reduction of 5% would cause human life to perish, according to astronomers.

Letters to the Editor...

Madison Girls Okey

S & W CAFETERIAS
Charlotte, N. C.
January 26, 1959

Mr. James (Pop) Story, Editor
The News-Record
Marshall, North Carolina

Dear Mr. Story:

I have just seen a writeup which I understand came out two or three months ago in your good paper about the Madison County girls working for us in Asheville.

This is to thank you very much for the writeup, and also to tell you that we are very proud of the Madison County girls, as they are beautifully home trained and they are a distinct asset to our business.

Cordially yours,
S & W CAFETERIAS
FRANK O. SHERILL,
President

Muddy Water

The following letter was received by the editor this week. It was written by a small Marshall boy and published as written:

"I thank that this town of Marshall should get some clear water. Every time it rains a little the water is as muddy as the river. I think that if the water is as muddy as last summer this summer me and a lot of other people in this town will not be drinking much water next summer."

Local Checker Team Again Wins From Greeneville

The Marshall Checker Club defeated Greeneville Checker Club for the second consecutive time last Thursday, 84-60. The tournament was held in the agriculture room of the Marshall school.

Taylor, captain of the Greeneville team, led the scorers with 18 points. Talmage McLean and Vaughn Robinson tied for top honors for Marshall, compiling 17 points each. Carol Radford was runner-up with 16 points.

Individual scores follow:
GREENEVILLE:
Taylor 18
Finchum 10
W. Million 9
Knittel 9
A. Million 7
Huffman 7

MARSHALL:
McLean 17
Robinson 17
Radford 16
Edwards 14

Friendship Club Met Here Friday With Mrs. Rector

The Marshall Friendship Club met in the home of Mrs. Willard C. Rector Friday, January 23. Mrs. C. W. Ward, president, called the meeting to order. All members repeated the Collect for Club Women. An old business was taken care of and Mrs. Marion Wilson, home economics agent, passed out the new yearbooks.

A motion was made and carried by the members present to have every other club meeting at night so that more of the members who worked at day would be able to attend.

During the social hour, Mrs. Rector served delicious refreshments to Mrs. Wiley McHone, Mrs. Ethel Roberts, Mrs. Grace Freeman, Mrs. C. W. Ward, Mrs. Marjorie Jenkins, Mrs. Kermit Cody, Mrs. Marion Wilson, Mrs. Fred Robinson, members; and two special guests, Mrs. Ed Lee Niles and little Miss Cynthia Niles.

The next meeting will be held at night at the home of Mrs. Jenkins. The time and date will be announced later.

MEDICINE SHOWS

Editor
News-Record
To the Editor:

I am gathering information on the "medicine" shows that used to tour the country and were often given in Western North Carolina. I remember one came to Mars Hill in 1936. If any of your readers have stories or souvenirs of these shows, such as pictures, posters, advertisements, labels from medicine bottles, etc., I would appreciate hearing from them.

Sincerely,
J. LUTHER JARVIS, M.D.
Mars Hill, N. C.

Harvey Eugene Fox Receives Degree At Berea College

Berea, Ky. — Harvey Eugene Fox, son of Mr. and Mrs. Clifford Fox, Weaverville, was one of 35 Berea College seniors receiving degrees after the first semester.

A recognition service for mid-term graduating seniors was held at 3:45 p. m., January 18 in the college's Gray Auditorium. College President Francis S. Hutchins was in charge. Dr. Thomas D. Clark, chairman of the University of Kentucky Department of History, was the speaker.

Mr. Fox, a 1954 graduate of Red Oak High School, Alexander, received a B.S. degree in agriculture.

In high school he was a mem-

Local Church Men Vote To Apply For Charter

The Marshall Presbyterian Men voted last Monday evening to apply for a Charter from the National Council of United Presbyterian Men.

The visiting guest speakers were Elders Bennett LaMark and Conrad Loy of the Graystone Presbyterian Church in Knoxville, Tenn. These men are representative officers of the Synod of Mid-South's National Council.

Mr. LaMark presented a historic synopsis of the National Council, which was organized in Chicago in 1948, and has grown in ten years to about 3,550 chapters, with a membership of almost 400,000 laymen. This growth has necessitated holding the annual meeting of Presbyterian Men this year in four separate areas: New York, Chicago, Wichita and Sacramento.

The elected officers of the Marshall Chapter are: President, Mr. Robert Chandler; vice president, Mr. J. J. Ramsey; secretary, Mr. Claude Sawyer; treasurer, Mr. Carl Bowman; program chairman Mr. Dean Shields.

INGROWN NAIL HURTING YOU? Immediate Relief!

A few drops of OUTGRO bring blessed relief from tormenting pain of ingrown nail. OUTGRO softens the skin underneath the nail, allows the nail to be cut and thus prevents further pain and discomfort. OUTGRO is available at all drug counters.

ber of the basketball and baseball teams and a member of the Beta Club.
