Miss Calloway Becomes Bride Of Guy Roland Taylor June 6

Marriage vows were exchanged Saturday, June 6, 1959 at 7 p. m., by Miss Patsy Irene Calloway and Guy Roland Taylor in Biltmore Baptist Church.

The bride is the daughter of Mr. and Mrs. O. L. Calloway of 407 Summit St., Biltmore. Her father gave her in marriage. She chose a street length sheath dress of silk brocade with a net overskirt, a veil of imported lace attached to a headdress of pearls and carried a white orchid on a white Bible.

Miss Barbara Denton was maid of honor. She wore a street length light pink sheath dress, with matching accessories and a bouquet of mixed flowers.

Kenneth Clark, nephew of the bridegroom, was best man, and Claude Calloway, brother of the bride and Hugh Clark, brother-in-law of the bridegroom, ushered.

For their wedding trip to Daytona Beach, Fla., the bride changed to a black and white suit with black accessories and the orchid from her Bible. When they re-

Homecoming To Be Held Sunday At Long Branch Church

An all-day homecoming and decoration service will be held Sunday at Long Branch Baptist Church. Dinner will be served on the church grounds. The Rev. W. E. McPeters is pastor and the public is cordially invited to attend.

turn they will live in the Rockola Trailer Park in West Asheville.

Mrs. Taylor is a graduate of Biltmore High School and is employed by Merrill Lynch, Pierce, Fenner and Smith.

Mr. Taylor, son of Mrs. Joe Taylor of Leicester, and formerly of Walnut and Marshall, and the late Mr. Taylor, is a graduate of Leicester High School and is employed by American Enka Corporation.

The mother of the bride was attired in a light blue nylon dress with white accessories and white carnations. The bridegroom's mother wore an orchid lace dress, white accessories and also white carnations.

Rev. Odie Allen, Passes Tuesday; Funeral Today

The Rev. Odie Allen, 56, of Marshall RFD 5, died suddenly Tuesday morning, June 16, 1959, at 2:05 o'clock at the home. He suffered a heart attack.

He was a prominent Madison County Sawmill operator and pastor of the Camp Ground Church of God near Greenville, Tenn.

Funeral services will be conducted today (Thursday) at 2:00 p. m., in the Brush Creek Church of God. The Rev. Norvell Peek, the Rev. Morgan Davis, and the Rev. John R. Harris will officiate. Burial will be in the Allen Family Cemetery. Pallbearers will be men of his church.

Surviving are the widow, Mrs. Nettie Rice Allen; one son Cline, of Marshall RFD 5; three daughters, Mrs. Everett Treadway and Mrs. Liston Ledford, both of Detroit, and Mrs. Raymond Stines of Walnut; the mother, Mrs. Lula Briggs Allen, of Marshall RFD 5, and three grandchildren.

Bowman-Rector Funeral Home is in charge of arrangements.

Homecoming At Shutin To Be Held Sunday

There will be a homecoming at the Church of God in the Shutin Community Sunday, June 21.

A hearty welcome is extended to everyone to attend.

HAYSEED By UNCLE SAM

CARELESS WITH FIRE

Fire when kept confined and in its right place is quite necessary and very essential but when it is not kept in its right place it is very destructive and will do much damage and cause great loss.

Matches and cigarette lighters are no playthings for children. Many adults have never been taught the danger of being careless with fire. As children we were never allowed to carry matches. In the Spring we chopped off creek and branch banks and piled the brush and briars on the plowed ground. We burned as we cut and piled. We were never allowed to carry loose matches in our pockets. We kept them in a metal snuff box. We watered the horses at a watering block in the yard. The first thing when we came from burning, even before we watered the horses, was to take the box of matches and place them at a certain place in the three cornered cupboard in the kitchen. None were allowed to carry matches in the barn. That was before the days of cigarettes. As a result of strict training for more than half a century there was no fire damage on my father's premises.

The requirement of brush-burning permits is wise. However, the greatest fire hazard is in smoking. Sometimes the property damage may be more than a million dollars and numerous lives lost from careless smoking. In our business we used gasoline for cleaning forms, type and presses. "No Smoking" signs were posted all around. One day the fire inspector came and in defiance to all those signs, took out a cigarette and lit it. No doubt but what smokers are the largest class who are careless with fire.

EARN WHAT YOU WANT

It might be well for the young people of Madison County to understand now that the majority of those who have anything in a world that worships money worked for what they have acquired.

Too often, the youthful mind is impressed with the easy accumulation of a fortune by some exceptional figure that looms large in the public consciousness, little realizing that such a career is the great exception among a mass of hard workers, who got to the top by the sweat of their brows, rather than through some streak of luck or opportunity.

More and more there is the conviction abroad in the world that individuals who do not earn what they have are not entitled to their possessions. There is something in the thought.

If every youngster who begins a business life in the next ten years gets thoroughly imbued with the idea of giving value for money or rewards received, the business world will not be worried as much by the next period of depression and the chances are that the people of the next generation will find a happier proposition.

Revival To Begin At Red Hill Church On Monday, June 22

A revival meeting will begin Monday night, June 22 at the Red Hill Free Will Baptist Church, on Brush Creek Road, with services beginning each evening at 7:45 o'clock. The Rev. Zeb McDaris, pastor of East Canton Baptist Church and Roanoke Creek Gospel Tabernacle, will be the evangelist. The public is cordially invited to attend these services.

are considered acceptable guides. As a start, one might try to discover a definite principle upon which one can base daily activity and to which one is willing to be loyal under all circumstances. This might sound easy, but feel the pulse.

Take Soil Samples For Fall Seedings States Stewart

Fall seedings of Alfalfa and Ladino should be made around the first of August, states James Stewart, assistant county agent, The Madison County farmers, who will do any fall seeding, need to take their soil samples now.

Lime and Phosphate should be worked into the soil well in advance of seeding, and, in order that this be done at the recommended rate, soil samples need to be taken. Samples should be taken in the next few days so the recommendations will be back in time to be of benefit.

In many cases failure of Alfalfa and Ladino can be traced back to a fertility problem. This problem can normally be solved by following recommendations given from a good soil sample.

Farmers who have trouble with crabgrass and other weed, particularly in alfalfa which is spring seeded, will probably want to try seeding some of their alfalfa in the fall. This enables alfalfa to get a head start on weeds and grass and will be an aid in preventing the alfalfa from being choked out.

Schedule of Home Demonstration Clubs In County

Control Measures For Fleas Are Given By England

Princess England, assistant County Agent, states that quite a number of people have trouble each year with controlling fleas in farm buildings. Following is a list of recommended control measures for fleas in buildings:

- DDT - 5% in kerosene
- Methoxychlor - 5% in kerosene
- Chlordane - 2% in kerosene
- Malathion - 57% ec 4 fluid oz. per gallon water
- Malathion - 5% dust - 1 lb. per 500 sq. ft.

These treatments should be repeated in seven days.

A word of CAUTION: Kerosene refers to water-white, deodorized kerosene. Do not use oil base sprays near an open flame, on asphalt tile, on finely finished furn-
