GEORGE R. BLUE, Pastor

Walnut

On Saturday afternoon members of the newly formed young people's group held a wiener roast in the lower playground of the school yard. Miss Ruth Guthrie was in charge and was assisted by Mrs. Eldridge Leake and Mrs. George R. Blue. On Sunday evening the same group met at the church at 6:30 under the leadership of Mrs. Blue and Miss Odessa Henderson.

The pastor conducted the morning service at 11 and the title of his sermon was "A Communion Meditation." The text was taken from the Gospel of Luke and at the close of the service there was an observance of the Lord's Supper, at which time Elder Spurgeon Chandler and Elder Fleet Reeves assisted. Members and friends of the church and parish are reminded that this coming Sunday at 7:30 p. m., Mr. Daniel Force of Hot Springs will occupy the pulpit. It is also expected that the youth choir will sing at the service.

Shortly after the morning service there was the stated monthly meeting of the Session at which the pastor was the moderator. Among the items discussed were the Budget for 1960 and the Every Member Canvass. It was decided to adjourn the meeting until Tuesday at 7:30 p. m., at which time the treasurer of the church, Miss Odessa Henderson, will also be present. Among the elders present at the Session meet-

ing were Fleet Reeves, Spurgeon Chandler and Fred Rector. The building fund increases with the passing of each week.

White Rock

The morning service was conducted at 9:30 and the theme of the sermon was concerned with the Meaning of Communion for our own day. The text was taken from the account of the Last Supper in the Gospel according to Luke. After the close of the service there was an observance of the Lord's Supper at which Elder Dewey Wallin and Elder Chapel Tweed assisted the pastor. This was in keeping with the observance of World-Wide Communion Sunday which was done by all of the churches in the larger parish.

Members and friends of the church and parish are reminded that the services next week will be conducted by Mr. Daniel Force, the student pastor of the church at Hot Springs. It is hoped that many will make a special effort to attend. In the near future the pastor also expects to show a filmstrip during the Sunday School hour which will be about some aspect of the Presbyterian Church.

Hot Springs

A new bulletin board has been installed on the front lawn of the church and it adds much to the appearance of the church property. The pastor and members of the congregation are grateful to the following for their efforts in completing the project: Mr. James Raleigh, Mr. Edwin Candler, Mr. James Gentry, and Mr. Carl Swann.

The morning service was conducted at 11 by Rev. William Chalker of Tusculum College in Greeneville, Tenn. He was assisted by Mr. Daniel Force, the student pastor. At the close of the service there was an observance of the Lord's Supper at which Mr. Chalker officiated and in which

Allegheny Church Observes Communion

On Sunday afternoon at 3:00 o'clock, there was the first observance of the Lord's Supper at the Presbyterian Church in Allegheny for many years. The Rev. George R. Blue was in charge of the service and was assisted by Elders Maude Long and Kenneth Burgin. Mrs. Myrtle Burgin played the piano for the occasion. This was an inspiring service and several members from the Dorland Memorial Presbyterian Church in Hot Springs attended. The church was reopened early last spring and since then Mr. Daniel Force has been conducting services there every Sunday. Mr. Force will continue to lead services here every Sunday at 3:00 p. m., until further notice.

The following elders took part: Mr. Maude Long and Mr. Kenneth Burgin. Members and friends of the congregation are reminded that this coming Sunday at 11:00 a. m., the Rev. George R. Blue will occupy the pulpit. Due to extenuating circumstances, the stated monthly meeting of the Session has been postponed until 6:30 p. m. this coming Sunday. It is hoped that all of the elders will make a special effort to attend since several matters of vital importance to the church are to be transacted, among them the plans for the Budget for 1960. The pastor, according to the policy and practice of the Presbyterian Church, will act as moderator.

HAYSEED By UNCLE SAM

PREPARING FOOD

Dorothy Dix once wrote that only one man in sixty had a breakfast sufficient to give him the necessary strength for efficient work until noon and only one woman in two hundred had sufficient breakfast.

The housewives have rebelled against preparing food for the family. They have turned to canned foods, frozen foods, something which they can prepare in just a few minutes with a can opener or just a little heat.

One of the main food preparations in the home has become the sandwich. A couple of slices of bread with a sliced banana or tomato in between and a slap dab of mayonnaise and that ends the food preparation. We wonder if the missing one food preparation is not an invitation to doctor and hospital bills.

It may be that the necessary vitamins may be stored in grass and weeds but if they are it is necessary to put them through necessary process before they can be assimilated by the human body. Ordinarily hay may be all right for cows, horses and sheep but if they should throw a bale of hay on the table and tell me to help myself I would soon change boarding places.

Much goes into preparing the food for a family. To make a happy contented home the family must be well fed. Much love is lost and many homes break up around the dining table. If a woman expects to be a successful wife and mother it is more important to know how to prepare food than to know how to dance, play bridge or pass in society.
