Hot Springs — Walnut
White Rock Churches
GEORGE R. BLUE, Pastor

Walnut

The youth group met on Sunday evening at 6:30 under the able guidance of Miss Ruth Guthrie, assisted by the pastor who played the piano. The theme of the evening was centered about several lessons from the Bible. During the meeting preliminary plans were made by the group to attend a Westminster Fellowship Rally which will be held this coming Sunday. It will be at the First Presbyterian Church in Elizabethton, Tenn., and is due to start at 2:30 p. m. Anyone who wishes to help in the transportation of any of the young people is asked to contact either Mrs. George R. Blue or Miss Ruth Guthrie. It is expected that a large group from Walnut will attend.

On Sunday afternoon the pastor and Elder Fred Rector attended the meeting which was held at the Presbyterian church in White Rock. The main purpose of the meeting was to acquaint members of the church with the function and organization of the Larger Parish Plan. The pastor acted as Moderator and the Rev. Robert Muir of Huntsville, Ala., was the main speaker. Another similar meeting will be held in the near future.

The evening service was conducted by the pastor at 7:30. During the service members of the Westminster Fellowship sang several selections which added much to the service. Members and friends are reminded that services will be held this coming Sunday at 7:30 p. m., with Mr. Daniel Force conducting the service.

and preaching the sermon.
White Rock
The morning service was conducted by the pastor who chose as the title of his sermon, "The Candle of the Lord." His text was taken from the Book of Proverbs and the sermon was well received. Members and friends of the church are reminded that services will be held as usual this coming Sunday.

At the close of the morning service there was a congregational meeting at which the pastor acted as Moderator. The main item of business was the Budget for 1960 and the Application for Aid in 1960. After the close of the meeting there was the regular session of the Sunday School. As has been the case in the past there was a good attendance at Sunday School.

In the afternoon there was a meeting in the church with several of the elders from the other Presbyterian churches in Madison County. Among those who came from White Rock were Elder Ray Tweed and Elder Chapel Tweed. Mr. Chapel Tweed is clerk of the Session.

Hot Springs

Mr. Daniel Force preached an inspiring sermon on "That Old Time Religion" at the morning service. The service was well attended and began at 11:00 o'clock. Members and friends of the church are reminded that this coming Sunday the pastor will conduct the service and deliver the sermon.

After the close of the morning service there was a congregational meeting at which the main item of business was all action relevant to the filing of an Application for Aid for 1960 from the National Board of Missions. Elder Neill Ross gave an excellent report on the Every Member Canvass and the Budget for 1960. At a recent meeting of the Board of Deacons several plans were made for the improvement of the grounds surrounding the church. Mrs. Morris Buquo was also made chairman of a committee to erect a Manger Scene on the lawn of the church during the Christmas Season.

Members of the youth group are reminded of the Westminster Fellowship Rally which is to be held at Elizabethton, Tenn., this coming Sunday at 2:30 p. m. Any who wish to go or any who wish to help in the transportation are

Livestock Farmers Are Warned Of Blackleg

According to James M. Stewart, assistant county agent, blackleg is a highly fatal disease and is one which can wipe out entire herds, once it gets started. For years many livestock farmers have been vaccinating for the blackleg disease with very effective control. With the problem of blackleg not showing up as great in the past few years, many farmers have relaxed their blackleg control program. The blackleg spore can live dormant in the soil for a number of years and can be easily picked up by livestock and will cause the blackleg disease to develop. The cost of vaccinating livestock herds is very inexpensive compared to the cost of losing just one animal in a herd. Farmers who have livestock, regardless of whether they suspect the blackleg disease to be in their area, should begin immediately the vaccinating program and vaccinate all beef and sheep on their farm. This will include young calves to old cows. The blackleg symptoms can easily be recognized. There is a loss of appetite, lameness, high fever, rapid breathing, listlessness. In addition to these symptoms, gas filled tumor-like swellings that make a crackling sound when pressed, may appear in the muscles under the skin of the neck, the briskets, shoulders, chest and flanks. Normally the disease will cause the death of the cattle within 12 to 36 hours after the disease is first noticed.

The blackleg serum can be purchased in most drug stores and feed and seed stores with the dosage per animal given on the individual bottle. The serum is given under the skin in the area of the neck with a syringe which has been disinfected. Any farmer who does not have the equipment to vaccinate, can probably use the equipment owned by his neighbors or he can come to the county agent's office and use syringes available there and get any assistance in the use and application of vaccine equipment.

Since it is known that new cases of blackleg have occurred in the county, it is important that every livestock farmer consider vaccinating his entire herd for this dreaded blackleg disease.

Mrs. Thomas H. Rice Passes On Friday; Funeral Sunday

Mrs. Thomas H. Rice, 68, of Jupiter died at her home Friday, November 5, 1959, at 3:30 a. m. after a brief illness.

Services were held Sunday at 2:30 p. m. at Grapevine Baptist Church, of which she was a member.

The Rev. Lester Edwards and the Rev. William Jackson officiated and burial was in the church cemetery. Friends of the deceased served as pallbearers.

Surviving are the husband; a son, Willard of Weaverville RFD 3; three daughters, Mrs. Joseph Grant of Asheville, Mrs. Gerrald Clark of Swannanoa, and Mrs. Joseph Santoro of Philadelphia, Pa.; two sisters, Mrs. John Silver of Marshall RFD 2 and Mrs. John Rice of Crewe, Va.; and eight grandchildren.

BRUSH BURNING PERMITS ARE NOW ESSENTIAL

J. Moody Chandler, Madison County Forest Ranger, announced this week that brush-burning permits are essential and urged everyone in Madison County to read the following law and secure permits at once:

Brush-Burning Permit Law:
14-139. Starting fires within five hundred feet of areas under protection of State Forestry service. It shall be unlawful for any person, firm or corporation to start or cause to be started any fire or ignite any material in any of the areas of woodlands under the protection of the State Forestry service or within five hundred (500) feet of any such protected area, during the hours starting at midnight and ending at 4:00 p. m., without first obtaining from the State Forester or one of his duly authorized agents a permit to start or cause to be started any fire or ignite any material in such above mentioned between the first day of October and the first day of June inclusive. No charge shall be made for the granting of said permits.

During periods of hazardous forest fires conditions the State Forester is authorized to cancel all permits and prohibit the starting of any fires in any of the woodlands under the protection of the State Forestry Service or within five hundred (500) feet of any such protected area.

Since it is known that new cases of blackleg have occurred in the county, it is important that every livestock farmer consider vaccinating his entire herd for this dreaded blackleg disease.

ON THE HILL AT PACIFIC MILL

We hope everyone is enjoying these nice frosty mornings and sunny days. It sure is nice even though it is a little cold.

CONSTIPATED? Medical reports show how folks over 35 can establish regularity

After 35, irregularity often becomes a problem. What you need is something that aids nature and helps establish regularity. Such an aid to regularity is the daily use of SERUTAN. Here's medical evidence: A group of men and women took SERUTAN daily under medical supervision. In case after case SERUTAN, taken daily, helped establish regularity. So, for real relief from constipation after 35, try SERUTAN, powder or granular.

THE LIONS ROAR AT HOT SPRINGS

The Hot Springs Lions Club met Thursday, night at 7 o'clock at the Court Restaurant with Lion Neill Ross, president, presiding over the meeting. The meeting started with the pledge of allegiance to the flag, led by Lion Ross, and the invocation given by Lion James Gentry. The speaker for the night was Mr. Dean Shields, who gave an outline of the 1960 Budget for the Madison County United Fund with a brief coverage of each agency.

The club also discussed the hearing of the County Library, steel ones.
