Telechrome Expands Automation Division At Mars Hill Plant

New Addition At Mars Hill Plant Making Rapid Progress

Expanded operations in the field of automatic control and inspection systems for industry were announced today by Telechrome Manufacturing Corp., Amityville, New York.

S. Dubin, executive vice president, said the company will consolidate engineering and marketing, now carried on separately by the Automation Division of Telechrome and the Centralized Operations Control Division of Hammarlund Manufacturing Co., a Telechrome affiliate.

"The new Hammarlund Automation Division will be headed by Clinton Ingles, as vice president and general manager of the division. The present engineering staff will be greatly increased, new products will be offered, and closer customer service will be provided," Mr. Dubin stated.

Telechrome's Automation Division has developed sophisticated components which are used in telemetering systems for Navy Missiles, and in the steel and petroleum industries. Hammarlund, which has specialized in tone-signaling equipment, has many installations in public utilities, railroad, microwave and radio control applications.

Products under the Hammarlund trademark will continue to be manufactured in the company's plant at Mars Hill, where ground was broken recently for an additional 53,000 square feet which will make this one of the largest electronics plants in the South. The new addition is expected to be completed early next year.

Life may be short, but most men outlive their good resolution.

FCA Approves \$2,000 Loan For Marshall Sewage Study

To Aid In Ridding French Broad River Of Pollution

The Community Facilities Administration announced Thursday approval of a \$2,000 advance to Marshall for preliminary planning of a primary sewage treatment plant estimated to cost \$160,000.

The advance is repayable on start of construction, expected to occur by January 1963.

A request for the advance was made Aug. 29 at the same time that a request from Hot Springs was made.

Approval of the Hot Springs request was announced Tuesday of last week by the Community Facilities Administration.

The money will be used to provide engineering studies which will give a closer cost study.

The construction of the Marshall and Hot Springs sewage treatment plants is in line with over-all anti-pollution work along the French Broad River basin under requirements of the N. C. Department of Health's Stream Restoration Commission, according to Charles E. Haskins, attorney.

Tornadoes Go To East Yancey For Game Friday

The Marshall High School Red Tornadoes, fresh from their victory over Hot Springs last week, travel to East Yancey Friday night to do battle with the East Yancey eleven.

Kickoff is scheduled for eight o'clock.

Pless Tells About Being Youngest, Oldest Judge

Judge J. Will Pless, speaking at the Chamber of Commerce meeting Tuesday, told the group that his first assignment after being appointed a superior court judge was in Marshall. "I was the youngest judge in the state when I served my first term in Marshall," he then said that this week marked another milestone in his years on the bench. "Ironically, I became the oldest judge (active) in the state this week - again - in Marshall," he smiled.

This is an unprecedented record becoming the youngest and oldest judge while presiding over court in Marshall.

THREE INJURED IN ACCIDENTS LAST SATURDAY

Three persons were injured in two automobile accidents Saturday in Madison County, and one man was placed in Madison County jail charged with hit and run and reckless driving.

The injured were Carrol Kimble Caldwell of Greenville, S. C.; Rita Fay Rice, 2, of Asheville; and Mrs. Myrtle Troxley, 45, address not given. Caldwell suffered facial injuries when his automobile ran off U. S. 25 at 4 a. m. Saturday, about nine miles north of Marshall. He was given dispensary treatment at Hot Springs Health Center and released.

Patrolman Edward E. Hall and Pfc. C. W. Pearson, who investigated, said the Caldwell car was damaged considerably. No charges were filed, Hall said.

The Rice girl and Mrs. Troxley were injured when the car in which they were riding was struck by another, according to Hall. They were passengers in a car driven by the girl's father, the Rev. James C. Rice, of Asheville, who was uninjured. The accident occurred at 4 p. m., Saturday on U. S. 25 two miles north of Marshall.

The Madison County Sheriff's Dept. apprehended Walter A. Crowe, 22, of Marshall RFD 1 and charged him with hit and run and reckless driving.

Patrolman Hall and Pfc. Pearson, who investigated, said that Rice told them that Crowe was driving at a speed he estimated at 80 mph on the left side of the road.

GARDEN CLUBS WILL MEET IN TRYON ON WED.

The annual meeting of District One of the Garden Clubs of North Carolina, Inc., will be held in the Congregational Church in Tryon, on Wednesday, Oct. 12. Registration and coffee hour will be from 9 a. m. to 10 a. m., followed by a business session and address by Mrs. J. B. A. Daughtridge of Rocky Mount, president of the Garden Club of North Carolina, and principal speaker for the meeting.

Luncheon will be served at the club. (Continued To Last Page)

FHA AGENCY BROADENS ITS LOAN PROGRAM

Farmers who have regular off-farm employment, if otherwise eligible, may obtain farm operating and development loans from the Farmers Home Administration, under the recently revised regulations of the agency.

W. K. Anderson, Farmers Home Administration county supervisor for Madison County, said the new regulations will go into effect October 1. Previously, except in rural development counties, a farmer had to spend most of his time farming in order to qualify for a loan.

Experience gained in rural development counties has shown that many farmers who are regularly employed off the farm can profitably use the Farm Home Administration's credit facilities to increase the farm portions of their total incomes. The regulation, which had limited credit assistance to farmers who spend most of their time farming, prevented some from obtaining the maximum income from their farms and from taking advantage of opportunities for industrial and other off-farm employment.

Other eligibility requirements remain unchanged. Applicants (Continued To Last Page)

CRIMINAL COURT IS IN PROGRESS HERE THIS WEEK

The October term of superior court for the trial of criminal cases started here Monday morning with Judge J. Will Pless, of Marion, presiding. Robert S. Swain is the solicitor.

The Robert Johnson case was again continued on request of the defense when it was pointed out that a material witness was unable to attend court at this time.

At the conclusion of State's evidence in the manslaughter case against Arthur Phillips, motion for non-suit by defense attorney Joseph Huff, was allowed.

G. G. Cook, charged with two counts, breaking and entering and injury to personal property, four months' sentence; forcible trespass and damage to property, four months' sentence.

McArthur Shelton, charged with rape of a 13-year-old Marshall girl, was found not guilty and acquitted.

Several minor traffic violation cases were disposed of and court remains in progress as this newspaper goes to press.

Allow somebody else to do your thinking for you and you'll soon be doing somebody else's work. (Continued To Last Page)

County Library Dedicated Here; Now Ready For Public

JUDGE PLESS SPEAKS AT CC HERE TUESDAY

The Marshall Chamber of Commerce held its semi-monthly luncheon-meeting at the Presbyterian Church here Tuesday.

Judge J. Will Pless, of Marion, who is presiding at this term of court, was the guest speaker at the meeting. Judge Pless spoke of the youth today and what they did with their "spare time." He pointed out that men from 35 years of age could well remember the different chores which were to be done around the home and farm in their "spare time." The youth of today too much idle time and doesn't know how to wisely use it, he commented. He also told parents of young boys to spend at least one day in court during criminal trials so that the youths could witness the embarrassment of those who have committed crimes.

Judge Pless was introduced by Clyde M. Roberts. 22 members were present, Jim Story, president, presided at the meeting.

HUNTERS FIND MAN'S BODY IN MADISON

Two squirrel hunters Wednesday afternoon found the body of a man in a field about six miles from Mars Hill on Mars Hill RFD 2.

The body was identified to be that of Arthur Lee Robinson, about 40, of Fletcher, Madison County Sheriff E. Y. Ponder said Wednesday night.

The sheriff said the man appeared to have been dead for about a month. He was wearing blue pants, a checked sport shirt and black loafers.

Ponder said Robinson had been visiting a brother, Leland Robinson of Mars Hill RFD 2, and had left on Labor Day.

Charlie Rice, of Mars Hill RFD 2, who lives near where the body was found, told the sheriff that he had directed a man wearing the same clothes and giving his name as "Robinson" in that vicinity on Labor Day.

The body was found by J. C. (Continued To Last Page)

OCTOBER 20 IS DEADLINE ON COVER CROPS

One of the requirements for successfully establishing a good winter cover crop is that of seeding it early enough for the plants to get a good start prior to cold weather. According to Novie Hawkins, chairman of the county ASC committee, October 20 is the latest recommended seeding date to be followed in establishing a winter cover crop with mixtures other than rye. When rye alone is used, it should be seeded prior to November 10. The chairman explained that these recommended seeding dates would be followed in giving ACP approvals for Government cost-sharing on winter cover crops and that all farmers within the county who desire to secure ACP help with their cover crops should plan to seed them within these dates. Interested farmers should file their request with the ASC office now, he concluded.

Candler Passes For One, Runs Seventy Yards For Marshall Scores

Explosive Billy Ray Candler figured in both of Marshall's quick second quarter touchdowns here Friday night as the Tornadoes won their homecoming game from Hot Springs, 13-0.

Candler threw a fourth down pass to Kenneth Ponder for the initial six points. The Blue Devils couldn't go after the next kickoff and Candler returned their punt 70 yards to end the evening's scoring.

Jack Martin, Earl Ramsey and Harry Briggs played fine defensive game for the Tornadoes while Junior Lovin was outstanding for the losers.

	M	HS
First downs	8	5
Running yardage	181	64
Passing yardage	41	55
Passes	7-2	13-4
Passes intercepted	0	0
Punts	5-22	8-19
Fumbles lost	2	3
Yards penalized	105	35
Marshall	0	13-0-13
Hot Springs	0	0-0-0

The first quarter was a seesaw battle with Billy Ray Candler and Max Edwards doing most of the running for Marshall and David Davis and Bill Smith were the work horses for the opposition. Both lines played valiantly, frequently leading their opponents to punt.

Both Marshall teams came out with more than their usual vigor and were in the lead at the end of the first quarter.

The third and fourth quarters were equally exciting as the Tornadoes were again in the lead. The game was tied at the end of the fourth quarter.

MARS HILL HAS SELF-SERVICE LAUNDRY PLANT

Eddie Smith's New Building Also Has Modern Equipment

Eddie Smith, owner of Mars Hill Cleaners, recently moved into his new building and in addition to his expert laundry and dry cleaning work, he has installed 10 modern Maytag washing machines and four Huebner dryers.

The new building, which has 2100 square feet of floor space, is well-lighted and ventilated with comfortable seats for its customers. The building is also constructed so that additional equipment can be added.

The self-service laundry is open seven days a week from 7:00 a. m. to 11:00 p. m., and is coin operated.

"I welcome the people of this area to visit the new plant and try out the modern machines," Mr. Smith said.
