

## Marshall, Hot Springs Complete Plans For July 4th

### Marshall Industrial Site Is Now Being Graded Here

#### New County Garage To Be Built On Back Portion Of Site

The Marshall Industrial Park is now in the first stages of development and is being graded for a site for an industrial plant and a C. D. Bowman, chairman of the board of trustees for the Industrial park as purchased from Roy Fore and wife, Lucy Mae Fore, stated that the board of education was in need of property to build a school garage and to house school buses when they were not in use, and they had chosen a portion of the Fore farm that lies on the southeast portion of the farm. The closest part of this section will be approximately 446 feet from the Marshall By-Pass. This will not in any way interfere with the proposed plant location, and there is only a small portion of this land that can be seen from the frontage on the plant location.

The board of trustees met on June 22 and a resolution was adopted which provided that a contractual arrangement be drawn up by and between the Board of Education of Madison County and the Trustees of the Marshall Industrial Park that calls for the Board of Education with their earth-moving equipment to grade off the industrial site in accordance with the specifications drawn up by the Marshall Industrial Park in Asheville. After the grading has been completed and approved by the Trustees, the Trustees would, in turn, deed to the Board of Education 6.6 acres of ground for their use.

Mr. Bowman stated there was nothing definite as to a plant prospect, and this grading was being done so that a prospective plant owner could get a better idea of how the site would look when it is graded off ready for building.

#### Madison Medical Society Holds Meet

Dr. and Mrs. J. C. Bradley entertained members of the Madison County Medical Society at a buffet supper Tuesday night in this home on Dula Springs Road near Weaverville.

Dr. H. H. Briggs of Asheville led a discussion on the subject, "Glaucoma." Dr. W. Otis Duck, president, presided during the business session.

### BELL INSTITUTE REUNION IS HELD AT WALNUT SUN.

The reunion of Bell Institute was held at Walnut, on Sunday, June 24, at the Presbyterian Church. The regular morning worship was conducted by the Rev. Charles Heier.

Following the morning worship, a business session was held in the church, with Mr. Clyde McClure, president, presiding. Devotions were given by Mr. Paul Ballard, and Mrs. Bob Henderson read the minutes. A special prayer was offered in memory of the deceased members of Bell Institute body.

The meeting time was changed to the 2nd Sunday in June. Prizes were given to the oldest member present Mr. R. S. McDewitt, and the one who came the longest distance was Mr. Luther Waldrop of Atlanta, Ga. The following were elected for officers for the ensuing year: President, Mr. Clyde McClure; Vice-President, Mr. Luther Waldrop; Secretary-Treasurer, Mrs. Bob Henderson; Historian, Miss Lela Chandler; and Chairman of Arrangements Committee, Mr. Fleet Bevan.

A resolution was received from Mrs. Robert F. Johnson one of the founders of the Bell Institute School.

At the close of the session a picnic dinner was served in the community room of the church.

### COUNTY 4-H CLUB GIRLS IN DRESS REVUE SAT.

Four-H Club girls of Madison County did a good job of modeling the cotton wardrobe in our dress revue and fashion show, Saturday. Our 4-H dress revue winners were: First place in the Junior Revue: Loretta Gosnell, of Grapevine; first place winner in the Senior Revue was Judy Ball, of Little Pine; second place were Terry Metcalf of Paint Fork, and Doris Ward of Marshall. These girls are to be commended on the fine job they did with their dresses. Models for our fashion show were: Davia Massey, Judy Ball, Joyce Ball, Judy Shelton, Sandra Shelton, Diana McElroy, Barbara Anthony and Hilda Gosnell. Ann Huff was narrator for the event and Jewell Ball had charge of the music for the program.

### SAVINGS BONDS SALES HIGH IN NORTH CAROLINA

May was the tenth consecutive month in which Series E Savings Bonds Sales in North Carolina showed an increase over the corresponding month of the previous year.

Series E Savings Bonds Sales of \$3,606,384 during May were over 6 percent higher than sales in May 1961 and are the highest sales recorded for the month of May in seven years.

Sales of Series E Bonds for the months of January-May totaled \$18,814,626. This is an increase of 3.6% over the same months of a year ago.

Series H Bonds Sales of \$295,000.00 were off 17 per cent during May, but the cumulative sales for this series is over 9 per cent ahead of the January-May performance of last year.

The combined sales of Series E and H Bonds for the first five months of this year amounted to over 21 million 152 thousand dollars. This is an increase of more than 4 per cent over sales for the comparable months of a year ago, and represents 41 per cent of North Carolina's annual goal for this year.

"We are extremely proud of the great showing the Savings Bonds Program is making in North Carolina," (Continued on Last Page)

### BUDWORMS IN TOBACCO CAUSE SERIOUS DAMAGE

Budworms in tobacco cause serious damage each year. Now is the time to treat your tobacco for the control of these budworms. You may make up a bait, using 75 parts of cornmeal and one part of actual DDT. The most effective method of applying this bait is to use a pinch, put on by hand, in the bud of each tobacco plant. Another way to control these budworms is with the use of a 10 per cent DDT dust, which has already been prepared. A pinch of this dust should be placed in the bud of each plant. It will take from 8 to 10 pounds of a 10 per cent dust to cover an acre of tobacco. DDT is inexpensive and is acceptable by the tobacco companies as an insecticide to use on Burley tobacco.

### HOT SPRINGS SURVEY SHOWN OFFICIAL MON.

Charles Doast, Of Hammer Company, Tours Area; Is Impressed

On Monday, June 25, Mr. Charles B. Doast, of the Washington, D. C. office of Hammer and Company, visited Hot Springs. Mr. Doast was one of the persons instrumental in writing the Area Redevelopment Administration Bill for Congress. He has recently been assigned to the Madison County Development Survey, and wanted to see the area personally. Mr. Doast first paid a visit to the Hot Springs bath houses where he enjoyed a mineral bath. Then Mr. Bob Davis took (Continued To Last Page)

### SURPLUS CORN SHIPMENTS INTO NORTH CAROLINA

Twenty-four points throughout the State have received corn from CCC's surplus stockpile. This, according to A. P. Hassell Jr., executive (Continued To Last Page)

### County 4-H Members Win Honors At District Meeting

#### GRAHAM HITS COURT RULE ON PRAYER

Dr. Billy Graham, Montreal evangelist, Monday night expressed shock and disappointment at the U. S. Supreme Court decision that a required recitation of prayer in public schools violated the constitution.

Dr. Graham said: "I am shocked and disappointed at the Supreme Court decision. This is another step toward the secularization of the United States."

"Followed to its logical conclusion, we will have to take the chaplains out of the armed forces, prayers can not be said in the Congress and the President can not put his hand on the Bible when he takes the oath of office."

"It is most unfortunate that this decision has come at a time when juvenile crime is at an all-time high and American youth are in need of moral and spiritual guidance."

"The framers of our Constitution meant we were to have freedom of religion, not freedom from religion."

"God pity our country when we can no longer appeal to God for help."

#### Ham, Grocery Shoot On By-Pass Here On July 4th

The Madison Gun Club will have an all-day shoot on July 4, of rifle and pistol shooting. A well rounded program of shooting is planned.

The shooting matches will take place on the By-Pass at Mr. James Bailey's place. The range will be 50 feet for rifle and pistol. The prizes will be groceries and hams. Everyone bring his weapon. 25 dollar ammunition will be available on the range.

No one drinking or smoking will be allowed in the Bailey club will be allowed.

### 2,027 PERSONS HAVE TETANUS IMMUNIZATION

Booster Shots Are Advised If Skin Becomes Repunctured

A total of 2,027 persons received tetanus immunization in a recently-completed program in the Madison County schools. The program, under the sponsorship of the Madison County Medical Society, came at a time when tetanus immunization is being emphasized on a state level. Although there is always danger of tetanus, summer time with an increase in outdoor activities brings an increase in the number of injuries which could be host to tetanus bacilli.

The public is cautioned, however, that if an injury, such as a punctured wound occurs, an additional dose is necessary at the time of injury to build up immunity. It was explained that the booster shot is not harmful and should be taken if injury occurs after the original series of Tetanus Toxoid vaccinations.

Don't be misled that the initial series will insure permanent protection but see your doctor should any portion of your skin (Continued To Last Page)

### Fireworks, Baseball To Feature Both Programs

#### PRAYERS ARE RULED OUT OF PUBLIC SCHOOLS

The Supreme Court declared Monday the Constitution is violated by a requirement that a public school teacher lead her pupils in prayer.

"It is no part of the business of government to compose official prayers for any group of American people to recite as part of a religious program carried on by government," Justice Hugo L. Black said in delivering the 6-1 decision.

It doesn't matter that the prayer is denominationally neutral, Black said, or that it is voluntary for the students to recite it.

"When the power, prestige and financial support of government is placed behind a particular religious belief," he declared, "the indirect coercive pressure upon religious minorities to conform to the prevailing officially approved religion is plain."

In Quiet Tones

Black read the 15-page opinion in quiet tones to a more-than-usually hushed audience jammed with tourists on the wind-up day of the 1961-62 court term. The justices are not scheduled to meet again until Oct. 1.

#### PONDER CASE PLACED ON CALENDAR

The \$500,000 suit brought by James R. Vosburgh of Durham against Sheriff E. Y. Ponder of Madison County, Precinct Registrar B. K. Meadows and three other Madison County men has been placed on the calendar of the U. S. District Court summer civil term for trial July 11.

The case grew out of action in Madison County on election day in the fall of 1960, when Vosburgh, then a third-year law student at the University of North Carolina, claimed he had been maliciously arrested and imprisoned on false charges.

Other defendants named in the suit are Wade Payne, who, Vosburgh said, was acting as a deputy under Ponder, and Wayne Norris and Vestie Worley. The incident occurred in the Upper Spring Creek Precinct, where Meadows was registrar. Norris and Worley were identified as residents of Township No. 8, in (Continued To Last Page)

#### Large Crowds Expected In Marshall And Hot Springs

Gala 4th of July celebrations are being planned for Marshall and Hot Springs next Wednesday with all-day events expected to attract thousands of people to both Madison County towns.

A complete schedule of events is published elsewhere on this page.

It will be recalled that perhaps the largest crowd ever to be in Marshall was present last year for the thrilling events, featured by a gigantic display of fireworks. This year's display will be even more elaborate, according to W. B. Ramsey, fire chief at Marshall.

The Marshall volunteer firemen, sponsors of the holiday program, have been working feverishly to make this year's celebration even better than last year's event. Through the cooperation of merchants and individuals, approximately \$250 worth of beautiful (and loud) fireworks have been secured which will be displayed from the mountain across the river and can be seen anywhere in Marshall. The fireworks display will start shortly after the barbecued chicken supper is completed at the school lunchroom and when darkness prevails.

The day's activities begin at 10 o'clock Wednesday morning when the Marshall Little League team plays host to the Walnut Little Leaguers. Although small in size, these boys really play a fine brand of baseball. Marshall is coached by Patrolman Jerry Richards and Bernard Reece while Otis McDewitt is coach of the Walnut team. There will be no charge for the (Continued To Last Page)

#### Canipe Memorial Building Fund Campaign Starts

The Reverend Ray Hooper, pastor of the Bull Creek Baptist Church, will be the leader in this area in a state-wide campaign, sponsored by the Alumni Association of the Fruitland Baptist Institute of Hendersonville, to raise \$50,000.00 toward the construction of a new administration building for this institute, which is owned and operated by the North Carolina Baptist State Convention.

The kickoff date is July 1 and will honor the founder and first (Continued To Last Page)

#### MISS HENSLEY TAKES HOME EC. POST IN SWAIN

Miss Joy Louise Hensley, daughter of Mr. and Mrs. Kenneth Hensley of Mars Hill, is now employed as an assistant home economics agent of Swain County, succeeding Bonnie Wells Rogers, who has moved to South Carolina.

Miss Hensley is a June graduate of Berea (Ky.) College.

In college she was vice president of the Home Economics Club and was an active member of the 4-H Club for seven years.

Her major project in 4-H work was clothing. She has made dress suits, blouses, and many other items for the boys and girls in the Swain County 4-H Club.

#### At Hot Springs

Wednesday, July 4th

10:30 a. m. Family Games (Sack Races, Rolling Pin Throwing, Etc.)

12:00 Noon Lunch

2:00 p. m. Baseball Game (Camp Creek, Tenn., vs. Hot Springs)

5:30 p. m. Fish Fry (Sponsored By Lions)

6:00 p. m. - Bingo at Community Center

8:00 p. m. Fireworks

9:00 p. m. Square Dance

Also Host Shooting and Pony Rides All Day

#### At Marshall

Wednesday, July 4th

10:00 a. m. Little League Baseball (Marshall vs. Walnut)

2:00 p. m. Baseball Game (Madison Nine vs. Oakley All-Stars)

Also Pony Rides On The Island for Children

4:00 p. m. VFW Pony Drawing

Also Firemen's Demonstration

5:30-8:00 p. m. Barbecued Chicken Supper In School Lunchroom (Sponsored By Firemen)

Fireworks Display After Supper (Even Better Than Last Year)

9:00 p. m. Square Dance (Upper Spring Creek)

DR. W. OTIS DUCK, of Mars Hill, was elected president of the W.N.C. Chapter of the American Academy of General Practice at a meeting of the Chapter held in Waynesville last Thursday night. Other officers elected included Stuart Babers, of Waynesville, vice president; and Dr. Eugene Clayton, of Asheville, secretary.

Dr. Duck succeeds Dr. Larry Hensley of Mars Hill. The Chapter is composed of 18 W.N.C. Counties.
