

## Modified Order Signed In Walnut School Case

### Agreement Reached; Defendants Do Not Appear

An injunction restraining 20 Walnut residents from entering Walnut School property was modified at a show cause hearing before Judge Hugh B. Campbell here Tuesday and the final product was made permanent throughout the 1962-63 Madison County school term.

The 20 men, all leaders in a fight to prevent partial consolidation of Walnut and Marshall schools, signed the compromise injunction along with Judge Campbell, School Board Attorney A. E. Leake, and the defendants' counsel, John H. Giesentanner.

The restraining order, so remain in full force and effect during the 1962-63 school year, does not prohibit the men from entering the school property, but lays out strict rules of conduct for them while they are there.

They are enjoined from "conducting themselves while upon said school property in any manner other than an orderly and gentlemanly fashion."

The court order prohibits them from advocating or encouraging — either directly or indirectly — interference with operation of the school.

## HOT SPRINGS TOPS MARS HILL BY 25-6 SCORE

Hospitality can be carried too far as Mars Hill found out Friday night when they hosted Hot Springs only to have the visiting Blue Devils trounce the Wildcats, 25-6.

Blue Devil halfback Johnny Moore got things rolling early in the first period after the Blue Devils recovered a Mars Hill fumble. Moore broke over tackle on the second play from scrimmage and weaved his way through the Mars Hill secondary and sprinted 75 yards for a touchdown. The extra point try on a line plunge failed. Late in the second quarter with the ball resting on the Mars Hill 25, Freddy Sharped backed up and found Charles Tolley all by himself in the Mars Hill end zone with a 30-yard pass and a

## E. HENDERSON TOPS MARSHALL FRIDAY, 26-14

East Henderson's Eagles borrowed the new West Henderson gridiron at Hendersonville Friday night, but the turf was just as unfriendly for a visiting Marshall eleven that came away on the short end of a 26-14 count.

East Henderson's John Carpenter took a Roger Dalton pass for five yards and romped the remaining two for the opening tally. Then Vaughn Barry, who rolled up 130 yards during the evening, carried it in from 23 yards out.

Marshall's Ralph Candler returned the next kickoff 78 yards and the score was 13-7 at halftime. East Henderson hit twice again, Joey Baynard from six yards out and Larry Williams from a yard away. Marshall's Tom Nix ended the evening's scoring with a 14-yard run.

## SPRING FEEDER CATTLE SALE TO BE HELD IN 1963

According to Harry G. Silver, county agent, Western North Carolina beef cattle producers have been consigning and selling feeder calves and yearling steers in organized sales for several years. These sales are sponsored by the North Carolina Cattlemen's Association, N. C. Department of Agriculture and the North Carolina Agricultural Extension Service.

The organized sales offer the farmer selling the following advantages: 1. Volume attracts buyers — big and little; 2. His cattle are graded, weighed and compiled with other cattle of the same breed, color, grade and weight group, thus making a more attractive group of cattle than he can make of his own; 3. The Cattlemen's Association advertises the sales and secures buyers; 4. Buyers are willing to come long distances to purchase from organized sales — it's the Super Market in cattle selling — volume, neatly packaged, graded and displayed to please the customers.

The organized and sponsored cattle sales are successful. They are helping the farmer secure the market price or better for his cattle. This system of marketing is here to stay despite the grumblings of some "pin-hookers" and an occasional selfish operator.

Farmers who can winter more feeder cattle than they can graze or who had some calves too small or not ready for fall sale will have an opportunity to gain the benefits of a spring feeder sale in Asheville in the spring of 1963. There will be adequate cattle to attract buyers, and adequate buying power for the cattle.

Farmers who cannot winter enough cattle for their summer pastures will find the spring sale a good place to purchase healthy calves and yearlings for their own use or for sale.

## Lee Wallin Does It Again At Hog Rifle Shoot In Ga.

Robert Lee Wallin, of Marshall RFD 4, did it again August 18 when he won first and second place in Hog Rifle Shoot for best held during the Georgia Mountain Fair in Hiawassee, Ga.

Lee, affectionately nicknamed "The Ole Man of the Mountain," is accustomed to winning at these events. He's done it for years. It is pretty safe to say that Mr. Wallin's records will never be equalled as far as Madison County sharpshooters are concerned.

Wallin, who is 74, is as spry and sharp-eyed as a 30 year old man. He's rightfully proud of his shooting record and is also proud of his record as a "peaceful citizen." He told this newspaper this week "... although I can shoot the middle out of a target, I have never been arrested for misuse of firearms... in fact, I've never been arrested for anything."

If "Uncle Lee" keeps on going as he now is, he will win many more trophies.
