### Nuclear Instructors Needed By Navy

It was announced today by Lieutenant Commander L. R. Steinmeyer, Officer in Charge of the Navy Recruiting Sta. in Columbia, that the Navy now has openings for college graduates in instructor duty ashore in nuclear power, missiles, and other technical fields.

College graduates or senior college students who have majored in physics, mathematics, mechanical engineering, electrical engineering, reactor engineering, or chemistry are eligible to apply.

Details and applications for this special Officer Candidate School program may be obtained at your local Navy Recruiting Station.

School. The sermon was well delivered and most everyone praised the young minister for the wonderful message and all are looking forward to his return Dec. 9 at 11 a. m. All are welcome.

Mrs. R. B. Conner had flu last week-end, but was able to be in school teaching on Monday.

Miss Patricia Gosnell and Terry Lynn Cook attended young people's meeting at Glen Lee last Saturday night. We hope more of our young folks will go next Saturday night. The Rev. Mr. Ehler will be at the usual place to take all that would like to go.

Mrs. Kye Sams, on the sick list for several weeks, was able to be in church Sunday.

Mrs. Kye Sams, on the sick list was unable to come with her husband last week. We hope she will be able to be with us in the near future.
