T. B. CHRISTMAS SEAL CAMPAIGN IN PROGRESS

The Annual Tuberculosis Christmas Seal Campaign got underway earlier this month and will continue through December. Madison County is one of the 17 counties which make up the Western North Carolina Tuberculosis Association. The campaign is conducted to obtain funds to carry out a year-round program of tuberculosis control in the counties of Avery, Burke, Cherokee, Clay, Graham, Haywood, Henderson, Jackson, Macon, Madison, McDowell, Mitchell, Polk, Rutherford, Swain, Transylvania and Yancey. Thousands of X-rays were taken in this area last year, and the TB Association paid for much of this service. Fifty-seven patients are in the Western Sanatorium. The staff of the association, and the advisory committees work together for their welfare. Patient service is a very important part of the TB program. Seminars, films, lectures, pamphlets, posters, and other materials were made available to doctors, nurses, TB workers, and a score of other groups. Tuberculin testing has been done or is being planned for many of our schools. One of the counties has a nursing scholarship program which is outstanding. Carl Sandburg, of Flat Rock, one of the outstanding literary figures of our time, is Chairman of the 1962-63 Christmas Seal Campaign of the WNC Tuberculosis Association. Mr. Sandburg's signature is on campaign letters which have been sent to individuals, firms, and organizations in the 17 counties which make up WNC.

U. S. Army Issues "Urgent" Call To Registered Nurses

The Army recently issued an "urgent" call to Registered Nurses for service as officers in the Army Nurse Corps. "Qualified Registered Nurses, male and female, are needed to fill immediate requirements during the current military build-up," Army Recruiter S-Sgt. James Beasley said. "Pay compares favorably to civilian pay, and the Army Nurse Corps officer is also provided housing and meals, job security, job variety, guaranteed pay raises and increased pay with promotion," the recruiter said. "Duty consists of a regular work week, with plenty of free time, travel opportunity and 30 days paid vacation each year. The Army Nurse Corps is a team of trained professionals who serve to maintain the health of other men and women serving in the Army." Mr. Beasley is currently recruiting nurses for duty in Germany and Japan. He is also recruiting nurses for duty in the United States. He is currently recruiting nurses for duty in the United States.
