### AUTO CUT UP

Casey, Ill. — Fred Collins, 45, of West Plains, Mo., was riding along the highway just west of Casey when two cars came barreling down a slim from behind at a speed of 70 m.p.h. The first side-swiped him on the right and the second scraped him on the left. The drivers — George C. Lee, 27, of Stillwater, Okla., and Mon H. Lo, 24, of West Lafayette, Ind., both Chicago — took Collins to a hospital and bought him a 1941 model — a better car than his old one. Everyone was satisfied and no charges were filed.
