Hot Springs To Have A "Get Acquainted With Scouting" Meet

Frank Gay, district Scout executive with the Daniel Boone Boy Scout council, will conduct a "Get Acquainted with Scouting" meeting on Tuesday night, May 21, at the Hot Springs High School, beginning promptly at 7:30. The meeting will include the showing of a motion picture, "The Scout Trail," which explains the three phases of the Scout program: Cub Scouting, Boy Scouting and Exploring.

Cub Scouting is a home and neighborhood-centered program for the parents of eight, nine and ten-year-old boys. Boy Scouting, for boys eleven and up, stresses the fun, adventure and romance of the out-of-doors. Exploring, the older boy phase of Scouting, is strictly for boys enrolled in high school. Explorer Posts are organized along the lines of adult service clubs. They stress activities in six areas of experience — vocational, citizenship, personal fitness, service, outdoor and social. All three phases of Scouting stress character development, citizenship training, physical fitness through outdoor experiences, and duty to God.

According to a recent survey in the Hot Springs school, more than fifty boys expressed the wish to become Cub, Scouts or Explorers. Scouting has not been active in the community for some time, but plans have been made to reactivate the Scout Troop and to organize a Scout Troop and an Explorer Post.

The fathers and mothers of all Cub, Scout and Explorer-age boys in the Hot Springs school district who are interested in helping their sons join the Boy Scouts of America are cordially invited and urged to attend the meeting on May 21 at the high school.

Madison Nine Defeats Beech Glen Saturday And Sunday

The Madison Nine baseball team won two games from Beech Glen over the week-end, recovering from two losses the week before.

SATURDAY'S GAME

Madison travelled to the Beech Glen baseball diamond last Saturday for a Buncombe County League game. Madison won the game 10-5.

Harry Briggs went all the way for the winners striking out 8 and giving up 5 runs on 11 hits.

Beech Glen scored first in the game, one in the second and two in the third to lead, 3-0. The score came when Edwards singled then went to second on a wild pitch. Swann singled to score Edwards. Beech pushed two more runs across the plate in the third when Buckner doubled to right center. B. Edwards singled to score Buckner. T. Ponder sacrificed advancing Edwards to second and scored on D. Ponder's single.

Madison finally got into the game in the 4th inning when they scored 5 runs to take the lead. D. Freeman tripled to center field and W. Crowe was hit by the pitcher. Boyce Ramsey singled and Freeman scored from third. Crowe went to second and scored on V. Freeman's single. Herb Meadows, Madison right fielder, cleared the bases with a line drive to right field, the ball bounced over the fence for a home run. Beech Glen couldn't catch up, enabling Madison to go on and win the game by a 10-5 score.

Leading hitters for Madison were B. Ramsey with 3-6, D. Freeman 4-5, H. Briggs 2-4. H. Meadows homered for the winners and D. Freeman tripled.

Leading hitters for Beech Glen were T. Ponder with 3-4, and B. Edwards, 2-5. Buckner doubled for the losers.

SUNDAY'S GAME

The Madison Nine travelled back to Beech Glen on Sunday, afternoon to edge by them by a score of 10-8. The game was supposed to have been played on the island in Marshall but the field was wet and muddy from the Friday night rains.

Beech Glen out-hit Madison 11-6, but errors hampered them throughout the game. They committed 5 costly errors.

Beech scored one in the first inning when Buckner singled, Edwards reached first on a fielders choice and Buckner scored on two errors.

Madison came back in their half of the first with two runs. Freeman was safe at first on an error. J. C. Wallin singled and Freeman advanced to second. Floyd King singled and Freeman scored. Wallin stole third base and scored on an infield error.

Herb Meadows pitched 8 innings for Madison but ran into trouble in the 8th and Floyd King took on the mound. Madison held off a Beech Glen rally in the ninth when they scored 3 runs.

Clark went all the way for Beech Glen giving up 10 runs on 6 hits. He struck out 5 Madison batters. Leading hitters for the winners

NEWS FOR VETERANS

Here are authoritative answers by the Veterans Administration to questions from former servicemen and their families:

Q—What is the best source of current information on veterans programs and facts about the VA?

A—The Annual Report of the Administrator of Veterans Affairs, available at the Government Printing Office, Washington 25, D. C., for \$1.25 per copy.

Q—I'm going to college under the War Orphans Educational program administered by VA. I want to get married. Can I continue with my schooling?

A—Yes. Marriage does not affect eligibility.

Q—I am planning to take advantage of GI Bill vocational rehabilitation training. Is there some new regulation about disabled Korean Conflict veterans eligibility?

A—Part of a law passed by the last Congress eliminated the general deadline for vocational rehabilitation for disabled Korean Conflict veterans. The veteran who falls under this classification now has nine years after his discharge to complete his training. Prior to this the deadline for completion of such training was January 31, 1964.

(Veterans living in or near Madison County who wish further information about their benefits should write or visit the VA Office at Asheville, N. C.

MARS HILL COLLEGE PLANS SUMMER COURSE

Final plans for a nine-week summer session at Mars Hill College beginning June 10 are being made by Dean R. M. Lee, director of the summer school.

Seventy-six courses in 16 subject areas will be offered. Private lessons in piano, organ, voice and band instruments, may be arranged with the instructors, and classes in music theory and music

appreciation will be offered on demand.

In addition, high school credit in junior and senior English, algebra and plane geometry, world and American history, French, Latin, Spanish and typing will be offered.

The recent addition of an education department to the college's academic program will afford teachers an opportunity to work toward certificate renewal. Three courses in education are planned.

In addition to the varied academic program a full schedule of recreation activities will be under the direction of the dean of women.

TOTAL PERFORMANCE:

FORD GALAXIE 500XL SPORTS HARDTOP

IF YOU KNEW WHAT TINY LUND KNOWS ABOUT FORD DURABILITY...YOU'D BE OUT ENJOYING A '63 FORD

Ask Tiny Lund about Ford durability. He'll tell you how it helped him win America's toughest stock-car competition, the Daytona 500. Lund placed first in a Ford, with four other Fords right behind him for an unprecedented sweep of the first five places. Only the Fords were tough enough to stand the pace.

Greater durability is the reason Ford is able to offer a total-car warranty. Only a true total-performance car could offer as complete a warranty as this—with no strings attached:

"Ford Motor Company warrants to its dealers, and its dealers, in turn, warrant to owners as follows: That for 24 months or for 24,000 miles", whichever comes first, free replacement, including related labor, will be made by dealers of any part with a defect in workmanship or materials. Tires are not covered by the warranty; appropriate adjustments will be made by the tire companies. Owners will remain responsible for normal maintenance services, routine replacement of parts, such as filters, spark plugs, ignition points, wiper blades, brake or clutch linings, and normal deterioration of soft trim and appearance items."

You can't put a long-term warranty like ours on a short-term car. The '63 Fords have a better warranty because they're built better than any Fords in history. You see evidence of this extra toughness in Ford's outstanding competitive wins this year. '63 Fords won the grueling Daytona, Riverside, and Atlanta 500's, and the demanding Pure-Oil Performance Trials. Only cars with total performance could roll up so many big wins. Before you buy any new car, test-drive the solid, silent Super Torque Ford. If you haven't driven one lately, you can't really know what a new Ford is like. Remember: If it's built by Ford, it's built for performance... total performance.

*90 days or 4,000 miles, whichever comes first, for the 427 C.I.D. V8 or V6 and 289 C.I.D. V6 engines and related power train components.
