One of the great things about living in a democracy is that we have complete control over how we pay our taxes — cash, check, or money order.

HEARD AND SEEN

By "POP"

The dinner on the Island Sunday was most delicious — I like good barbecued chicken and that chicken Sunday was good — although the economics room was a bit crowded, I enjoyed the close fellowship — enjoyed sitting with Sibyl and Babs — of course, Kelley and "Bill" were also at the table — was especially glad to see my pal Kathy Briggs who came down from Mars Hill with her parents to also enjoy the dinner — speaking about Mars Hill, the Wildcats are off to a good start in baseball — by golly, they shut out the Tornadoes here Tuesday, 5-0 — didn't see the game but understand Charles Tolley was a thorn in our flesh — glad Talmage McLean is back at his duties here — he's been barbering in Asheville for several days — by the way, what's the difference in a new twenty dollar bill and an old one? — answer is \$19 — get it — will repeat — what's the difference in a new \$20 bill and an old ONE — now you see, don't you? — who should walk in the office Tuesday p. m., but "Jud" Ammons, from Raleigh — was mighty glad to see him — Jud is an official with CP&L and he and his wife "treated" us to a delicious supper while we were attending the ACC Conference tourney recently — someone called us by phone this week and asked if I was going to run for mayor of Marshall — we thanked the person but told him I had no aspirations for this high office — Ed Niles has his "first coat" of sultan — I haven't been out in the sun long enough to get any sort of tan yet — thanks to President Sam Smith of the Southern League, Bobby Terrell and the rest of the fine fellows in the sports department of the Asheville Citizen-Times for sending me a complimentary season's pass to all baseball games in Asheville or anywhere in the league for that matter — makes me feel real good — I don't know whether I'm trying to get the flu or if it's spring fever, but I've felt rotten this week — we're sorta crowded for space this week so I'll cut this column short this week — happy Easter, you all.
