PRACTICE FARM SAFETY

NATIONAL FARM SAFETY WEEK JULY 25-31

SAFETY on the FARM is a FAMILY MATTER

Make This Farm Safety Inventory During FARM SAFETY WEEK

There's This You Can Do -- Any Day, All Day, The Year Around!

Be careful, man and beast. Don't let haste make waste for you. Keep the place picked up. Keep a sharp eye out for the hundred-and-one spots on the premises that can promote danger. SAFETY IS A YEAR AROUND JOB FOR THE WHOLE FAMILY — BAR NONE! To help you make your own personal safety inventory, here's a set of questions you might like to answer for yourself.

- IS THE FARMYARD SAFE FOR THE KIDS TO BE PLAYING IN?
- IS MY MACHINERY AND EQUIPMENT IN AS GOOD SHAPE AS I CAN GET IT?
- IS THE HOUSE IN GOOD REPAIR ... AND IS THE MISSUS DOING HER PART IN ELIMINATING HAZARDS?
- AM I BEING AS CAREFUL AS I CAN EACH DAY?

Remember -- The Life You Save May Be Your Own Or A Loved One!
