LET'S WORK FOR BETTER ROADS

As has often been said, no election can ever be taken for granted.

This is just as true of the November 2 vote on North Carolina's crucially-needed \$300 million highway bond issue as it would be for any regular election. If you don't get out and work for votes, there's no telling what unexpected opposition may develop which might deprive us of urgent road improvements. Surely, the citizens of Madison County are aware of the urgent need for road and highway improvements. Let's not take for granted that the road bond issue will "pass anyway." If you are interested in improvement of roads in YOUR county be SURE TO VOTE on November 2.

In order to familiarize the public with a few pertinent facts concerning the road bond issue, let's look further:

NO ADDITIONAL TAXES WILL BE REQUIRED TO FINANCE THE BONDS.

EXPLANATION:

The Legislature specified that if approved, the bonds would be financed by the present one-penny per gallon gasoline tax used to finance the 1949 Gov. Kerr Scott road bond issue. In 1966, funds will be available to retire the 1949 bonds and until that time the new bonds can be financed with current highway revenue.

THE 13th DIVISION, WHICH INCLUDES MADISON COUNTY, WILL BE ALLOCATED \$10,161,200.

* The \$150,000,000 is allocated for expenditure in the 14 Highway Engineering Divisions based proportionately upon the mileage of rural primary system within each division on January 1, 1965. As used in the allocation, the term "rural primary system of State highways" means the highways within the State numbered with the prefix "US" or "NC" that are outside the corporate limits of the municipalities to which funds were allocated in the year 1964 under the provisions of G.S. 136-41.1.

MADISON COUNTY WILL BE ALLOCATED \$998,700 FOR RURAL SECONDARY ROADS.

EXPLANATION:

* The \$75,000,000 is allocated for expenditure in the counties of the State based proportionately upon the mileage of unpaved highways constituting part of the rural secondary system of State highways on January 1, 1965, in each county. As used in the allocation, the term "rural secondary system of State highways" means all of the public highways in the State the exclusive control, management, and responsibility for which are vested in the State Highway Commission, except the highways included in the rural primary system of State highways that are outside the corporate limits of the municipalities to which funds were allocated in 1964 under the provisions of G.S. 136-41.1.

THE THREE MADISON COUNTY TOWNS — MARS HILL, MARSHALL, HOT SPRINGS — WILL BE ALLOCATED A TOTAL OF \$126,400 FOR THE URBAN SYSTEM OF STATE HIGHWAYS.

EXPLANATION:

* The \$75,000,000 is allocated for expenditure on the urban system of State highways in municipalities of the State based proportionately upon the population of each municipality used as a basis for the allocation of funds in the year 1964 under the provisions of G.S. 136-41.1. As used in the allocation, the term "urban system of State highways" means such streets and highways as constitute part of the State highway system, under the provisions of G.S. 136-46.1 and G.S. 136-46.2, within the corporate limits of the municipalities to which funds were allocated in the year 1964 under the provisions of G.S. 136-41.1.

Madison County has much to gain and nothing to lose supporting the road bond issue. Although the allocations will, naturally, not improve EVERY road, they will vastly improve many of our much-needed secondary and urban roads.

Getting out and voting on November 2 is one of the finest opportunities to get better roads in our county at no increase in taxes.

JOIN YOUR FRIENDS AT THE POLLING PLACES AND SHOW THAT WE ARE VITALLY INTERESTED IN BETTER HIGHWAYS AND ROADS IN OUR COUNTY.

LETTERS TO THE EDITOR

Thanks, Ralph!

Mr. James Story
Editor News-Record
Marshall, N. C.
Dear James:
This being National Newspaper Week, we with the Madison County Agricultural Stabilization and Conservation Service take this opportunity to thank you for the public service which you have rendered the people of our county. We do especially appreciate the cooperation you have given ASCS in helping tell the story of the American Farmer and how farm programs benefit the people of our county, state and nation. You have been a great help in informing our farmers and others of the provisions and accomplishments of farm programs administered by ASCS.

We wish you the best success in the future operations of your newspaper.

Yours truly,
RALPH W. RAMSEY,
Office Manager, Madison
County ASCS

Another Thanks!

Mr. James Story
News-Record
Marshall, North Carolina
Dear Jim:
On this occasion of National Newspaper Week, I want to express for the Asheville Area Red Cross organization our sincere and deep appreciation for your help and support throughout the year. The coverage given Red Cross activities in The News-Record is outstanding. We appreciate it more than we can say.

Sincerely,
MARSHALL UPTON,
Chapter Manager

CARD OF THANKS

We wish to express our heartfelt thanks to everyone who so kindly remembered us during the illness and death of our husband and father, Wayne W. Clark. Your thoughtfulness in our time of sorrow is deeply appreciated. Special thanks to Bowman Funeral Home and Mr. and Mrs. F. L. Fowler.
MRS. WAYNE W. CLARK
and Family

The Rev. B. Harrison of Greenville, Tenn., will begin a revival at Brigman Chapel next Sunday. The services will begin a 7:30 p. m., each day. All are invited and welcome. He wishes to invite all singers and speakers; he will also bring singers with him.

Mr. and Mrs. John Gahagan have four grandsons in the Navy and Army service. They are Johnny Gahagan, in the Navy off the coast of Viet Nam; Tommy Tweed in the Army in Viet Nam; Eddie Phillip in Navy training at Great Lakes; and Donald Gahagan in an Army base in Georgia.

Mrs. Alice Huntey, after being on the sick list for several weeks, is able to be out again. Dorothy Mae Gonnell returned to school Monday after being on the sick list for several days.

Mr. Tom Trimble and Mr. Bund Gonnell went fishing last weekend, but no luck.

Mr. Kenneth Gahagan, after a few weeks on the sick list, returned to Texas to take up his duties in the Merchant Marines.

Mrs. Jerry Greene and Mrs. Betty Shatley visited Mrs. Dorothy Cook and Mrs. Birchard Shelton last Saturday afternoon.

Mr. and Mrs. Jack Shelton went through the Smokies last weekend and reported seeing two bears.

Driver's License Bureau To Be Closed Wednesday

Mr. McClure, driver license examiner, announced this week that the office will be closed on next Wednesday (Oct. 20). The office will be open Thursday, October 21, from 8:30 to 4:30 p. m., he said.

MHC Observes—

(Continued from Page One)
its present name by the North Carolina General Assembly in 1869. Its light as an educational institution often flickered during the Civil War and the bitter years thereafter. A second founding, in a sense, was achieved in 1897, when Dr. R. L. Moore became president. He and his wife served at the college for more than 50 years.

H. S. Football—

Hot Springs - Marshall
crashed over tackle for the final yard of the 80-yard drive. Brazil passed to Vic Cassizzi for the extra point. Spearheading the drive was James Sprinkle, Tornado quarterback, who scampered for 34 and 25 yards. The Blue Devils took the ensuing kickoff and on the first play from scrimmage, big, tough Lonnie Padgett, Blue Devil halfback, raced 55 yards to score. Several Tornadoes had hands on Padgett but he squirmed loose on a beautiful run. The placement for extra point failed and the Tornadoes held a 7-6 lead after only three minutes of the game had been played.

Hundreds of fans, anticipating a free-scoring game, wondered just when another TD would be registered but the game changed complexion as both defensive units settled down. It was not until a minute and a half was left in the half that Padgett climaxed a Blue Devil drive with 78 yards by scoring from the four yard line. Again the extra point attempt failed as the placement was wide. The Blue Devils retired to the dressing room at halftime with a 12-7 lead.

Both teams battled scorelessly in the third period with defense proving stronger than offense. Midway in the final period, the Tornadoes scored the winning touchdown when Teddy Cody, shifty halfback, came off the bench to ignite the tornadoes. Cody went over from the HS five yard line as the Marshall fans went hysterical. Several other time, Cody dashed for fine runs to prove that he is a future star for the Tornadoes.

Most of the running, however, was delegated to Fullback Ronnie Brazil, who is a fine competitor and consistent back.

In the line, the great play of Roger Haynie, James Tipton and Roger Rice stood out as well as the other linemen, but special praise must be paid to Ronnie Shelton, Tornado left end, who was a thorn in the flesh for the Blue Devils all night. In addition to recovering two fumbles, Shelton also crashed through to block a punt. All in all, it was a great team effort by the Tornadoes.

For the Blue Devils, the workhorse was Lonnie Padgett who carried the ball on 75 percent of the plays. He was ably assisted by Bobby Holder, Joe Shipley and Tommy Huff in the backfield. Defensively for the Blue Devils, the play of Kenny Davis, Lankford, and Chandler was outstanding.

	HS	M

and as a medium of communication between the people of the United States and their armed forces." The Red Cross mission with the armed forces is to support and supplement without duplication those activities affecting the health, welfare, recreation, and morale of service personnel and their families. These services are extended through field directors with land-based U. S. forces worldwide and by Home Service in Red Cross chapters in local communities. The cooperation of these two units, supplemented by trained volunteers, provides assistance to meet the needs of service families.

Blood Program

The Red Cross provides approximately 50 percent of all the blood used by physicians and hospitals. By agreement with the Department of Defense, the Red Cross is prepared to coordinate expansion of the program at a time of national crisis to meet the needs of the armed forces an civil defense. A network of 56 regional blood centers, with widely ranging mobile units, gives residents of cities and rural areas alike the opportunity to participate in the Blood Program as donors and volunteer workers. The blood donations provide physicians and hospitals with blood and blood products. Participating hospitals total more than 4,200.

A regional blood program is usually financed as a joint effort by the Red Cross and the participating hospitals, which assist in meeting the costs of collection, processing, and distribution. All blood is given by voluntary donors, and NO charge is ever made for the blood or the blood products themselves.

"So, when you are asked to join the support of the Madison County Branch of the Asheville Area Chapter, please do so," an official stated.

Miss Hattie Edwards, 85, Baptist Children's Home Associate, Passes

Services Held in Mars Hill Baptist Church On Monday

Miss Hattie Edwards, 85, of Mars Hill, an associate of the Baptist Children's Homes of North Carolina for 31 years, died unexpectedly Saturday, October 9, 1965 in her home.

She was a native of Madison County, and an 1899 graduate of Mars Hill College, where she was named alumni of the year in 1965. After studying at Mars Hill, Miss Edwards attended Meredith College, where she was a member of the first student body.

Following graduation from Meredith College, she taught in schools in Grapevine and Little Pine sections of Madison County, and in Wilkes County. She became associated with the Baptist Children's Home in 1909 at Thomasville, where she served until 1919. She then served for a year as manager of one of the homes in Kinston, and in 1923, rejoined the

Thomasville staff and became head of the newly created Social Services department.

Her work won national recognition from other child welfare agencies.

In 1944 Miss Edwards retired to Mars Hill. She spent the greater portion of two years as hostess of one of the dormitories at Mars Hill College, and devoted most of her time to growing flowers.

Surviving are a sister, Mrs. Ira Hodge of Mars Hill; and a number of nieces and nephews.

Services were held at 2 p. m. Monday in Mars Hill Baptist Church, of which she was an active member.

The Rev. Charles Davis and the Rev. W. L. Lynch officiated and burial was in Edwards Cemetery. Pallbearers were Owen and Brynion Tilson, Earl Bryan, Judson and Henry Clay Edwards, Ruby Cooper, Carl Eller and Dr. W. O. Duck.

Holcombe Funeral Home was in charge.

Hot Springs To Have Homecoming Next Thursday

Homecoming ceremonies will be observed at Hot Springs High School next Thursday, October 21, prior to the Rosman-Hot Springs football game.

The Homecoming Queen, Miss Sandra Allen, a Sophomore, will be crowned in ceremonies beginning at 7 p. m. The Football King is Joe Shipley. Kickoff is scheduled at 7:30 o'clock.

By-Pass Wreck Case Bound To Superior Court

The preliminary hearing involving Kermit Cody, Jr., of Marshall and Jimmy Dean Cutshaw, of Greenville, Tenn., Rt. 7, was held in the courtroom here last Saturday before Wade Huey, Justice of the Peace.

After lengthy testimony, Huey found probable cause in the charges of spontaneous racing and reckless driving in an August wreck on the Marshall by-pass.

The case has been bound to superior court.
