N. C. Teachers Receive A Gain In Retirement

Answer To Acute Teacher Shortage Has Not Been Found

North Carolina teachers have received a gain in retirement benefits, it was announced by Mrs. Mary Nesbitt, North Carolina CTA President, at the Western District Workshop held in Asheville on Tuesday. Mrs. Nesbitt expressed ap-

preciation particularly in the provision for survivor benefits the provision of the equivalent of a year's salary for the survivor if a teacher dies in service.

This is a new provision, however, it was not a part of the United Forces of Education promorning. The term is for two gram. It was funded through the State Employees and Teachers Retirement System and does not require any state funds.

At the same meeting, Mrs. Helen Wells, state NCEA President, stated that the public must do its share in promoting the climate for quality education.

"Education is not a one-way Kenneth G. Metcalf, Vaughn Metcalf, Roy Lee Daniel, Mrs. Wilstreet. The teaching profession cannot accomplish its goals alone. liam T. Whitson, Mrs. L. L. Vann, We in the teaching profession Deloras Booth, J. R. Coates, Jr., need to continue working with the Allie P. Church, Alveda Lunsford Henderson, Mollie West, Mrs. public," she said.

Following the general meeting Phillip (Donna) Merrell, Theodore Harding, Ralph Lee Engthe executive council for the Western District passed a resolution lish, Mrs. William Thomas, Mrs. Kenneth Thorpe, Mrs. Oliver Robstating that the council expresses its disappointment that the State erts, Mrs. Paddy Cody, Mrs. A. J. Legislature had failed to provide Bridges, Sr., Gurney McMahan, Ruby Marie Roberts, Ina Henthe major provisions of the UFE derson, Grace Metcalf, Henry program. Sherlin, Mrs. Frederick Goforth,

Both Teams Keyed For Opening Game; Tornadoes Seek Revenge; Kickoff At 8:00 O'clock

\$3.00 A Year In Madison and Adjoining Counties \$4.00 A Year Outside These Counties

The Mars Hill Wildcats, coached by Roy Yates Ammons, will invade the Island here Friday night to battle with the Marshall Tornadoes, coached by Roy Reeves. Kickoff is scheduled for eight o'clock.

Instead of the usual "breather" or warm-up game, usually enjoyed by most teams, this is definitely no "breather" for either team. The Marshall-Mars Hill games are always the battle of the season between the two arch rivals and by meeting in the opener, neither team had has an opportunity to scout the other.

The two teams meet again on October 20, but only this Friday's Sen. Bruce B. Briggs of Asheville has declined an offer to game is a Conference game. A capacity crowd is expected to be on hand for the battle of the "two Boys" (Ammons and Reeves).

Last season's opener between the two teams was played at Mars Hill with the Wildcats winning, 27-0.

"Dr. Bates" Returns To Walnut; Has Active Career

BY DOROTHY B. SHUPE

WALNUT -His father called him "Doctor" from the day he was born. His family and friends soon began addressing him the same way.

This is enough in modern days to encourage a youth to pursue a career in medicine. But back in 1899 when he was born to a proud, but poor family-to have such an ambition should have stumped the average youngster when he realized the years of work and money involved.

Not J. Bates Henderson.

He worked his way through high school, college and medical school and became "Doctor" in 1929, practiced in several states, officially retired as head of Student Health Center of Berea College in 1966, and has returned to this little village to make his home.

"Dr. Bates", as he is fondly called here, practices "when friends come and ask for help" but has no office and what practice he does is from his car. Local residents hope he will set up an office in his new home in the near future.

In 1916, the doctor finished the ighth grade at Bell Institute, a terian church spon ol here, and made p nd the old Asheville Fam A former Walnut r a. Kentucky, to Beres A
