HEARD AND SEEN

By "POP"

One of the largest crowds (more than 2000) I've seen on the Island in many a moon was on hand last Friday night to witness the Mars Hill-Marshall football game — the game was won by Mars Hill, 14-0 — last year's score was 27-0 — so, the local team at least reduced the Wild-cats' output — the game was interesting but there are always those "first game jitters" and mistakes — there was absolutely no "trouble" between the Marshall and Mars Hill spectators — everyone acted as they should except a few of the Cranberry boys sorta riled up a few of the local spectators but no serious damage resulted — the sun finally came out here Monday and it surely looked good — ditto on Tuesday — enjoyed Harrell's solo — and sermon — Sunday — glad Ralph McCormick is back from hospital — maybe he just wanted to rest a few days — the Rev. and Mrs. George White and two daughters, Debbie and Diane, of Dublin, Ga., came over from Ridgecrest last Saturday and we really enjoyed having them visit us — George is Bill's cousin (as well as several others around here) and we're always delighted to have them visit here — Bill and the other relatives threw a delicious supper in their honor in the Fellowship Hall of the church Saturday night and we really had a ball — Debbie, Diane and I had a wonderful time up home Saturday afternoon — they are both sweet girls — incidentally, girls, Yum-Yum is getting along fine as well as the rest of the cats — including "Penny" — Lion District Governor Howard Haithecock, of Franklin, along with Joe Deblaker and Wayne Faulkner (formerly of this section) visited the local Lions Club meeting Monday night — Gov. Haithecock made a splendid talk — glad to see Wayne again — there's at least one good thing about mini-skirts — you can SEE if a girl is knock-kneed instead of hearing her knees knock together —

"THE GREAT ESCAPE"

JUST A WOMAN'S OBSERVATIONS

By DOROTHY B. SHUPE

I hope Pop saved my OBSERVED that he left out last week, because I am so busy with school work I haven't had time to observe very much. I did get to see several of last year's graduates and former students at the ball game, and they were Lucretia Freeman, Marylee Reeves, David Rice, Annette Wallin, Buddy Ramsey, Debra Payne. Saw my editor Alice Briggs for the first time since she left here — also Linda Briggs, Trixie and Ralph Loving, Ruth Ball, and I'm probably leaving out some nice ones — but I was real happy to see you all and wish I'd had more time to talk!

Mickey Tweed came by my home just as I was leaving the other day and he looked so good. He had just returned from Vietnam, and seems so mature for the cute little cut-up he used to be in history class a few years ago!

This new crowd of seniors are not too good at checkers. But Gary, Johnny, Bradley, Caldwell and Allen have promised to practice and try to give me a good game. I wonder if Tipton, Cody and Haynie practiced this summer — probably they could give me some competition now.

I promised Linda and Enda to wish Diane Griffin a happy birthday Friday, so HAPPY BIRTHDAY, DIANE!

OBSEKVED — Congratulations to Mrs. Bobby Jean Peek Rice on her new position on the Mars Hill College faculty, knew you would make it, ole girl — Was bragging to J. D. Wallin about my fine former students who are now teaching here (Maxine Plemmons, Judy Frisby, and Billie Jean Haynie at Mars Hill) and he comes up with two cute ones too — I didn't get their names — Met Charles Adams' attractive wife Sunday at church — They live in High Point where Charles is a pharmacist — Fred Messer came by Monday to find out on a certain date — he's still chasing girls — Says he enjoys his job as photographer in the service — Nicky Fowler was on that trip to Purdue with Edward Crain, I think both boys had a great time there — Saw Lucille Ledford Saturday at Johnson's Grocery, she's been married about two weeks now to Kenneth Baker and they live in Washington. See ya . . .
