Tomato Time Underway; Contestants Register

Voting Starts Today At 11 **Business Firms In** Marshall

Marshall's Tomato Time promotion is underway. It started this (Thursday) morning and will continue through Saturday, 'August 24. On Saturday night, August 31, a Tomato Queen, Tomato Princess and Little Miss Toma-toe will be announced at a talent show to be given in the Marshall school auditorium.

In addition to the honor of winning the title, each winner will receive a \$50 award, it was announced.

Registration ended with only four girls entering the Tomato Queen contest. 20 girls are entered in the Tomato Princess contest and 22 girls are in the Little Miss Toma-toe contest. For each \$1 purchase or paid on

account at the 11 participating firms, you may receive a card on which to write down your favorite contestant's name. A list of contestants will be posted in each firm giving tickets. The girl receiving the largest number of votes in each catgeory will be declared the winner.

Although not giving tickets, the Citizens Bank is helping sponsor | son, Tammy Jean Roberts, Sheryl the event.

Firms participating are:

pany, Penland & Sons, Wild's Ra- ah Capps. dio and TV Service, McKinney's, Home Electric & Furniture Co., National 5c & 10c Store, Marshall

Thrift Store, Roberts Pharmacy, Penland Fashions, Service Motor Sales, Inc., Edwards Cleaners, can't think of anything else.

DR. WOOD IS NEW COUNTY HEALTH DIRECTOR

Highly Recommended; Is

A Resident Of Asheville

Dr. Barbara Wood has accepted the position as Madison County Health Director, succeeding Dr. Margery Lord, who recently retired.

Dr. Wood is a graduate of New York Medical College, New York City and completed her internship and residency at Rochester, New York.

She has been a resident of Ashe-. ville since 1952 and has been associated in the past with the Bunombe County Health Department. In private life, Dr. Wood is mar-

ied to Harris E. Smith who is associated with Inland Press in Asheville. The Smiths, who reside at 5 Howland Road in Asheville, have five children.

'We feel most fortunate in having a person of Dr. Wood's caliber and experience as our new County Health Director," members of the local department stated.

SOIL TEST SHOWS **NEED FOR LIME**

> Farmers often overlook the im portance of lime on pasture and meadow land, Six Madison County farmers took soil samples from

to see what the soil needed for best results. Most of the fields tested by these farmers had not been limed during the past several

farmers needed between one and one-half to three tons of lime per ere to bring the pH level up to

members of the WMMH staff, the Youth Corps, and local firemen put out the blaze quickly.

Some local jokesters accused Dean Shields of setting fire to the reservoir but Dean denies it. "I was asked to watch a fire that had been started near the reservoir to burn down some underbrush but guess I became lax and the first thing I knew the fire had reached a rafter of the reservoir which holds up the metal roof. Fortunately no water was burned and very little scorched," Shields laughingly reported.

shall, arrived here Saturday from Vietnam where he has been stationed for over a year. He has ed after that at the request of the volunteered for six more months' duty in Vietnam and will return there in about six weeks.

Occurs On A Blind Curve; **Bus Passengers Removed** Through Windows

By LARRY C. CORN Citizen Staff Writer

ONT WELLS

A Greyhound bus en route from Asheville to Knoxville, Tenn., collided with a tractor-trailer about voir on the mountain near Radio 8:40 a.m., last Friday killing one

Dead in the mishap on U. S. 25-70 at Cold Springs, about eight miles northwest of Marshall, was Stanley Richmond of Philadelphia, Pa., operator of a Sharpe Motor

Lines rig loaded with veneer. The bus driver, Charles A. Holcombe of Asheville, was the most seriously injured of the 18, who were all passengers aboard the bus. Holcombe was admitted to Memorial Mission Hospital in Asheville with chest and abdominal injuries. Six others were also admitted to Asheville hospitals.

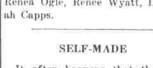

State Highway Patrolman E. D. Young said the mishap occured on a blind curve thout a mile west of Walnut. He said the lack of tire marks left on the road by the truck indicated that the driver apparently fell asleep or his brakes failed.

Witnesses said the truck was traveling at a high rate of speed and hit the left front of the bus, spinning it around and over a 40 foot embankment.

A passerby, J. C. Wallin of Madison County, said bus passengers had to be removed through windows because of a damaged Hoor. He said it took an hour or more to get the passengers out. Stretchers had to be pulled up to road level with ropes.

Joining in the rescue efforts were sheriff's deputies, highway patrolmen, the Madison County

feeling the pressure upon them Rescue Squad and volunteers. for time to harvest, spray and to Ambulances arrived at the scene do the necessary tying and prun from as far away as Greeneville. ing for their tomatoes, along with Tenn. Eichny trucks and private
