Vote For PROGRESS
Vote For THESE CANDIDATES

1. (a) We can make progress by fully supporting our Board of Education, Dr. Fred Bentley, President of Mars Hill College, and the Committee of 100 in working for a Number 1

Consolidated High School

(b) We can and will make progress toward Primary and Secondary road improvement once we demonstrate our willingness as well as our need.

2. Our Candidates Are FOR CONSOLIDATION.

Has the Nixon disease, of hiding from important issues, already spread to the Madison County Republican leadership?

3. We are in favor of lining up Madison County once more with the State of North Carolina.

(a) Remember that each and every industrial job here in Madison County was brought into being under the leadership of Democratic County Commissioners.

(b) Not a single industrial job has been created during the last four years under Republican mismanagement here in Madison County.

4. Mr. Zink, how many hours have you spent doing your duty for which us taxpayers have paid you as Auditor and how many hours have you spent in operating your other business?

5. We are for keeping the office doors in the Madison County courthouse OPEN.

6. We are opposed to closed doors and absenteeism on the part of elected officials.

7. We are opposed to any elected official discriminating against his political opponent.

8. We are opposed to the present Board of County Commissioners and their secretary, W. B. Zink, failing and refusing to pay lawfully appointed public officials.

9. If elected to public office by the voters of Madison County, we will serve progressively, honorably and above all, impartially discharging our duties. (Not just paying those who favor our election.)
