> Miss Cooper is a honor student, co-editor of the school yearbook and was named most likely to succeed by her class mates. Miss Mayhew was last year's football queen, a member of the basketball squad, and named the prettiest girl in the senior class.

Roberts is salutatorian of his Monday in Lawndale Baptist class, president of the Beta and Church. Rites were also held at Debating Clubs and was selected 2 p. m., Tuesday in Mars Hill most intelligent boy in his class. Baptist Church, with the Rev. Haynie has been president of his Richard E. Price, Prof. John A. class for three years, a three-let-McLeod and Dr. Hoyt Blackwell ter man in sports, and named the officiating. Burial followed in the most athletic boy in the senior

Low-Rent Housing Project For Marshall Goes Forward

To Speak In New York

Thomas J. O'Donnell

O'DONNELL TO SPEAK AT NEW YORK MEETING

Conference Sponsored By New York Academy Of Sciences

Thomas J. O'Donnell, S. J., of

the Jesuit Residence, Hot Springs,7 will speak at the Conference on New Dimensions in Legal and Ethical Concepts for Human Research at the Barbizon-Plaza Hotel, New York City, May 19-21. Sponsored by The New York Academy of Sciences, the conference will hear 30 representatives of medical education and research, the law, the clergy and the public speak on the legal and ethical questions raised by science's use of human beings in its increasingly successful attempts to alter and prolong life. Among the subjects to be discussed will be the conditions under which human experimentation is necessary and proper; the extent to which it is practiced and under what safeguards; the current definitions of "life" and "death" for medical science; government's role in the regulation of clinical research; and the reaction of society to such new scientific capabilities as genetic intervention and organ transplantation.

Reverend O'Donnell will speak on "The Moral Milieu: Fundamental and Changing Concepts."

Soil Stewardship Week To Be Held

In State May 11-18

Soil Stewardship Week will be held in North Carolina May 11-18 according to George Winchester of Raleigh, President of the North Carolina Association of Soil and Water Conservation Dismade a motion that Mrs. David tricts. The Association sponsors sociation of Soil and Water Con-

Soil Stewardship Week is a week set aside each year nationone's moral responsibility as a

The theme of this year's observance is "Confronting the Issues." The theme was developed with the idea that it is now insombent, as always, on all men and women with resource know ledge and a sense of stewardship responsibility to identify the key

Marshall Firemen To Meet Fri. Nights

Joe Fisher, Marshall Fire Chief, announced this week that regular Day. meetings of the firemen would begin Friday night and will be held each Friday thereafter at 7:30

Chief Fisher urges all firemen to be present, especially this Friday night when important matters will be discussed.

Local Authority Is Optimistic

On Thursday, May 1, Miss Frances Barrett, of the Atlanta Division of Housing and Urban Development in charge of local inspections, visited Marshall for "on the site" study of Marshall's need for low-rent housing units. Miss Barrett was met and conducted on a detailed tour of the town by members of the Marshall Housing Authority. The town was host to lunch for Miss Bartrett, members of the Housing Authority, the mayor, J. B. Tweed, and Mrs. Suhart, of the Opportunity Corporation.

Miss Barrett was also introduced to various town leaders who talked with her about Marshall's present and Marshall's hoped for

Although nothing definite will be known for three or four weeks, members of the Marshall Housing Authority are very optimistic regarding the number of units that will be assigned to Marshall.

It is understood that these units will be individual brick units of \$15,000 or more and will be scattered all over the town where lots are made available for

The next step after notice of the number of units to be built Clayton Haynie, non-support of is the acquisition of building children, guilty, pay for support sites. For these the local Hous-

LUMBER MEN NOW AVAILABLE

The Haywood County Technical Institute will start training classes on June 9 to train men for key jobs in the lumber industry. Classes will be taught for sawyers, umber graders, dry kiln operators and saw filers. Each class will last twenty-seven weeks except for sawyers and it will take forty weeks to complete the course in sawing.

Men with twenty to thirty years of experience in the lumber industry have been employed to instruct the classes. Part of the funds to purchase equipment are (Continued To Last Page)
