Something Big Will Be Happening Soon In Madison County

Once a year an exciting event happens in our community: the annual Girl Scout Cookie sale. It is exciting to the residents of our area because it is their chance to get some more of those delicious Girl Scout cookies. At 50c a box, you can find none better or fresh-

It is exciting to the Scouts because they get a chance to test their sales techniques. It is exciting to the troop leader because her troop gets to keep 5c per box for every box they sell. This goes into the troop treasury and supports troop activities.

It is exciting to all who like to go camping, because the profits from this sale are used to improve and expand the Girl Scout Resident Camp in Transylvania County and to buy camping equipment for day camps and troop camping.

Mrs. Preston Pack of Mars Hill

and Mrs. R. J. Plemmons of Walnut are co-chairmen for the Cookie Sale in the Madison Girl Scout Neighborhood and announce the plans for the annual Cookie Sale. Girls from all troops in the Neighborhood will begin taking orders for cookies January 30. They will continue through February 14. The cookies will be delivered to the troop cookie chairman March 3 and girls will deliver cookies they have on order. Cookies will continue to be sold through March 21. Additional cookies may be purchased from girls any time between March 3 and 21.

Parents are reminded to be of nelp to their daughters by trans porting girls, cookies and actually selling cookies for her, too. Girls are asked to wear their uniforms or their pins so the public can easily identify the girls as Scouts.

Five kinds of cookies are to be offered as usual. Make a note that new cookie, the "Pecanette" is naking its debut with this sale. Call Mrs. Pack, 689-3161 or Mrs. Plemmons, 649-8341, if you have not been contacted and would like to buy cookies.
