Marshall-Red Oak Little Leaguers Tie 1-1 Saturday

The Marshall and Red Oak Little Leaguers battled to a 1-1 tie on the Red Oak diamond last Saturday. Darkness caused the game to be called after the two teams played overtime.

Jeff Treadway, making his first start on the mound for the Marshall team, went the distance without giving up a hit. He had 18 strikeouts in hurling the masterpiece.

Danny Boone led the locals with a triple.

The team, managed by Richard Meadows and Ralph Candler, has a record of two wins, one tie and no losses.

The team will play Weaverville at Weaverville this Saturday afternoon.

Laster Hurls Perfect Game

French Broad hurler Mike Laster pitched a perfect game Saturday in leading his team to a 10-0 rout of Marshall in Western Carolina Independent Baseball League action at Berkley Field.

Laster, a 27-year-old former North Buncombe High pitcher, struck out 13 and did not permit a ball to be hit out of the infield. The victory was his fifth against one defeat and boosted French Broad's record to 7-2. The team is in a tie for second behind Dann.

Laster's masterpiece was supported by the hitting of Robin Winkle and Gary Woods. Winkle had two hits and three runs batted in. Woods blasted a three-run homer.

Miss Ponder is a 1970 graduate of Marshall High School where she was actively engaged in several school activities.

Pre-School Children Being Screened By Mobile Unit

Sponsored By Lions Clubs; Schedule Is Announced For County

Madison County pre-school age children are having the opportunity to be screened free for visual defects in several locations in the county this month and during July, it has been announced. This opportunity is made possible by the District 31-A Lions Clubs, of which Marshall, Mars Hill and Hot Springs are included.

District 31-A Lions have a new non-profit organization, chartered by the state for the purpose of operating a mobile unit for pre-school children, primarily ages 3-6. A board and general officers have been elected and a van has been purchased. A registered nurse was employed April 15, and has received extensive training under the supervision of Mrs. Elba Kearney, District Medical Supervisor.

In addition to the county's three Lions Clubs, the Madison County Health Department, Social Serv-

ices Department, the ESEA, and others are cooperating in the countywide screening of children.

Parents are urged to take advantage of this opportunity to have their children examined free of charge.

- Monday, and Tuesday, June 29 and 30, Laurel School, 9-3;

the gospel of your salvation, whom also, after that ye believed, ye were sealed with that Holy Spirit of promise."

Most English translations of the Bible make it clear that the words "after that," in the above passage, actually have an immediate result in view. Upon hearing (or "heeding") we believed, and upon believing we were sealed with the Spirit.

What is perhaps even more important to note, is the fact that upon believing "the gospel of . . . salvation," we are "sealed WITH" the "Holy Spirit," not "by" the Spirit. "There is a difference between the two, which can be simply illustrated.

Here is a housewife, let us say, who is "putting up" jam or preserves and sealing each jar with wax. Now, the jars are being sealed "by" the woman, but she is sealing them "with" wax. Thus it is not merely that the Holy Spirit causes believers to be sealed and made secure. Rather He Himself IS the Seal that keeps us eternally secure as God's loving children. We are sealed, not "by" the Spirit, but "WITH" the Spirit. — the Spirit Himself the Seal!

It is wonderful indeed to know that before the bar of God, the simplest believer in Christ has been fully justified (Acts 13:38, 39). But this is a court action, a matter of record. Besides this, the Spirit, who first brought the sinner under conviction, now gives him LIFE — ETERNAL LIFE. This is why Rom. 1:2 tells us that "the law of the Spirit — (that) of life in Christ, hath made me free from the law of sin and death." Thank God for the Spirit, who convicts, regenerates and seals believers in Christ!

BAD DRIVER!

A truck driver went into a restaurant and order a steak and coffee. Shortly, a gang of eight motorcyclists roared up, parked, and went inside. The leader walked over to the truck driver and put a cigar into the driver's steak. Another gang member put his cigarette in the coffee. The driver got up, paid his bill and drove off. "Not much of a man, that truck driver," said the leader. "Not much of a truck driver, either," commented the waitress. "he just ran over eight motorcycles."
