

Grapevine 4-H Met; Officers Elected

The Grapevine 4-H Club met at the clubhouse for its December meeting.

The president, Dexter Hensley, presided. Devotions were by Pam Clark. Old and new business was discussed.

New officers were elected by the club members to serve in the coming new year. They are: president, Debbie Bradley; vice president, Randy Littrell; secretary, Anna Lou Silver; treasurer, Pamela Clark; and reporter, Michael Silver.

The Grapevine 4-H Club meetings will be held in 1971 in the basement at the home of Allan Silver. New leaders were chosen for the club and they encourage all members and all boys and girls who would like to join to attend the January meeting. They are looking forward to working with the boys and girls in our community. The new leaders are: Mrs. Betty Lou Clark, Mrs. Geneva Windom and Mrs. Anna Belle Silver. Please come to our January meeting. We are looking forward to having you attend.

Michael Silver, reporter

CHRISTMAS PARTY

The Helping Hands 4-H Club joined the Methodist Youth Group for a Christmas party at the Marshall United Methodist Church on Thursday of last week. Games were directed by Brenda Brinkley and Edna Ann Silver presided at the refreshment table. Gifts were exchanged.

1971 Farm Program Information

New information on the 1971 farm programs has recently been announced, according to Emory Robinson, chairman of the Madison County Agricultural Stabilization and Conservation committee.

First of all, the signup period for the feed grain and wheat programs will be March 1 through April 9. Between now and March 1, we expect to announce all details of the program which will be operated under the new farm law, The Agricultural Act of 1970, Mr. Robinson said.

Final determinations on set-aside acreages have not been made, but a tentative 20 percent set-aside for feed grain and a set-aside of between 60 and 75 percent domestic wheat allotments have been announced. The set-

asides for these two crops will not exceed 20 percent on feed grains and 75 percent on wheat. Decisions on the actual percentages will be made before March 1.

Set-aside is an important new concept, Mr. Robinson said. Under the set-aside programs for feed grain and wheat, a participating farmer will set aside a certain percentage of his base or allotment and put this acreage in a conserving use. He will also maintain his farm's conserving base in conserving use. On his remaining cropland he will be free to plant whatever he chooses, except that he cannot grow crops which are under marketing quotas unless he has farm allotments for these. A farmer in the feed grain or

wheat programs will receive set-aside payments whether or not he produces the program crops.

In conclusion Robinson said that details of the program will be announced in the near future and that farmers should begin now making their 1971 crop plans.

Our heartfelt thanks! May all of your gifts be wrapped in holiday spirit, your tree be decked with good things.
