Green Eagle Operational Changes Made

The Madison County unit of the Green Eagle Transportation Cooperative underwent several changes subsequent to the stockholders' meeting on Jan. 27. Mrs. Evelyn Ramsey resigned her position as chairman of the Madison stockholders and was temporarily replaced by Smith Goodrum until the annual election in April, it was reported.

Bob Weideman, director of Green Eagle Transportation Cooperative, reviewed the operation of the Madison unit. The stockholders elected to reduce the number of runs per week from six to three.

The new schedule reveals that the bus will run on Mondays from the Laurel area into Marshall and Mars Hill; on Thursdays from the Spring Creek area to Marshall and Mars Hill; and on Saturdays from Spring Creek area into Newport, Tenn.

The 32-passenger bus now operating in the county will be replaced by a mini-bus with seating capacity of 12. Carl Waldrop, of the Spring Creek area, has accepted the position of bus driver. He formerly served as back-up driver. Edison Ramsey resigned as driver for personal reasons, it was stated.

Anyone needing any information concerning Green Eagle is urged to contact John Reid, program developer for Madison-Buncombe Rural Development Council, Inc., at 649-4903.
