## Mary Diercks Attended FHA Meet In Missouri

Mary Elizabeth Diercks of Mars Hill returned last Saturday from Kansas City, Mo., where she attended the National Meeting of Future Homemakers of America at the Muehlebach Hotel, July 12-15.

Mary is a member of the Mars Hill High School FHA Chapter and is serving as North Carolina State FHA secretary and District VIII president. She was selected as one of 20 home economics students in this state to attend the meeting. The 1200 delegates at the meeting represented a National FHA membership of over half-a-million.

She reports that it was an exciting week packed with workshops, discussion groups, outstanding speakers, fun time, an evening at Kansas City's famous Starlight Theater, and a visit to the Truman Library at Independence, Mo.

"The meeting theme was 'Accent on Action: Discovery, Involvement, Growth,'" Mary reported, "and we were given many ideas for accomplishing the objective 'To encourage individuals to discover the satisfactions gained through personal involvement.' We heard from leaders in the education field, had panel discussions and audience participation sessions during the four days dealing with such topics as 'The Positive Approach to Discovery', 'Meaningful Involvement', and 'Fulfilling Personal Potential.' In small workshops which we called 'Digging Session' we stressed individual growth through personal involvement. Mary also served as one of North Carolina's four voting delegates, and thus had a voice in the election of the 1971-72 National FHA officers.

Mary pointed out that one of the best things about the meeting was the opportunity to make a lot of new friends from all across the country. "I met girls from Oregon, Vermont, California, Texas, and even Puerto Rico. And, of course," she added, "being selected as a delegate to attend this meeting was a wonderful experience and a great honor for me. I am grateful for having had this opportunity to represent my Western North Carolina District and Madison County at the national meeting."

Mary is the daughter of Dr. and Mrs. Fred H. Diercks of Mars Hill.
