Few At Important Hearing

An important hearing on the proposed design on NC 213 from US 25 and 70 by-pass of Marshall to Mars Hill was held last Thursday at 2 p.m. in the Marshall High School auditorium. The meeting was duly advertised and publicized and was a most important meeting to the residents of the Marshall-Mars Hill and in-between areas.

State highway officials were present to explain the design, right-of-way requirements and procedures, and other pertinent information.

What was so disappointing was the small crowd which showed up for the hearing. Only 25-30 persons were present.

Not a single county official was there. Not a single civic club from Marshall or Mars Hill was represented. Not even an official of the Towns of Marshall or Mars Hill were there to endorse or oppose plans for this all-important project.

Fortunately there were a few interested leaders who spoke in favor of the proposed design and endorsed the project. There was no one at the meeting who opposed the project.

This little showing of interest, however, must have been disappointing to state highway officials.

Surely an improved and or partly relocated highway between Marshall and Mars Hill is of vital importance to the future of our county. At previous hearings the attendances have been large with much enthusiasm shown. Both towns, civic organizations and county officials have previously attended. Perhaps they underestimated the importance of last Thursday's hearing.

Whatever the cause and effect, we are hopeful that the State and Federal officials will do everything possible to quicken this project so that the public will have a wider, safer and better highway between Marshall and Mars Hill.

Attention, Mr. Merchant!

It seems that between 30-40 Marshall merchants are willing to pay the annual fees to "belong" to the Marshall Merchants Association and then just stop at paying the annual dues. Most of these paying merchants must feel that they have done their duty by just paying the dues. The vast majority of them seldom, if ever, attend a meeting of the merchants. This is pathetic and inexcusable.

As a rule, between 10-16 members, tabbed as "the faithful few", regularly attend meetings of the association and take an active part. Without these few loyal members who are interested in actual participation and planning, it is doubtful that Marshall would have any Christmas street decorations, Christmas Promotion, the annual Pageant, other special events, closing schedules and many other worthwhile projects which improve our town.

An example of this was clearly shown last Tuesday night when only 11 persons (not all merchants) showed enough interest to attend a Merchants Association meeting which had been publicized through the columns of this newspaper, over WMMH, by post card, by telephone, and by person-to-person contact. A vast majority of the so-called "members" didn't care enough to attend even though it was time to elect new officers, discuss the Christmas decorations and other pertinent matters.

The 11 "faithful few" discussed mutual problems of the town and aired the importance of an active association with active members. The meeting lasted two hours. However, it was decided that the absent members again be contacted and if they are interested in a Merchants Association, to attend a special meeting of the organization next Tuesday night at 8 o'clock at the French Broad EMC Building.

Next Tuesday, the future of the Association may be decided by the interest and attendance at the meeting.

Our town is too important and the future for all the merchants is too important to warrant such poor attendance. EVERY MERCHANT WHO IS INTERESTED IN MARSHALL SHOULD ATTEND, or at least, designate someone to represent his or her business. Only through active participation and attendance can worthwhile things be accomplished.

Too many merchants have been contented to sit at home and let the few who attend do all the planning and all the work which needs to be done. They are willing to "ride on the coat tails" of a few merchants, to reap the benefits, and then criticize those who are trying to keep Marshall on the move.

In order to have an effective, active and progressive Association it is imperative that these merchants not only pay their annual dues but to attend and take an active part in the welfare of our town and community.

We urge you, Mr. Merchant, to attend next Tuesday night. You need the Merchants Association and the Association needs you.

PICTURED is Mrs. Pat Franklin, president of the Beta Omega Chapter of Epsilon Sigma Alpha, receiving the traveling punch bowl for the next year for the local chapter selling the most tickets per member on the State Finance Project. Presenting the bowl are Jane Shanks, center, Tennessee ESA Finance Chairman; and Theresa Semanick, Tenn. president ESA.

Sorority Members Attend Fall Council

Members of the Beta Omega Chapter of Epsilon Sigma attended their annual Tennessee Fall Council, Saturday, Oct. 2 in Greenville, Tenn. Pledges and Jewel Pin members attending were President, Pat Franklin, Joyce Plennmons, Peggy Outshaw and Kathryn Boone.

"A Walk In The Country" was the theme for the mid-day luncheon at the Holiday Inn. A fashion show presented by "Nancy Lynn Fashions" of Greenville and Knoxville highlighted the noon event.

A general business session was conducted in the afternoon. Beta Omega Chapter of Marshall was recognized as the most recently chartered chapter of the Tennessee ESA.

The Marshall chapter also won the traveling punch bowl for the next year for selling the most tickets per member on the State Finance Project. The chapter was commended for being one of five chapters which was turning in educational program reports on time.

The Council discussed its State Philanthropic Project for the upcoming year which will be the organization of teenage marchers to collect funds for St. Jude's Children's Hospital in Memphis, Tenn.

Evening entertainment was presented in the form of a "Hillbilly Hoedown" with a dinner followed by music provided by John Ray and The Country Swingers of Marshall.

DEBBIE REED and Marilyn Wyatt are looking over some of the material they received at the North Carolina State Democratic Women's Convention which was held last Friday and Saturday at the Sheraton Motel in Greensboro. Both are students at Marshall High School.

Mrs. George Shupe Appointed Dist. Chmn. Teen Dems

Mrs. George B. Shupe, president of the Madison County Democratic Women's Club, has been appointed 11th Congressional district chairman of Teen Dems by Mrs. Margaret Harper, state vice chairman of the Democratic Party. She was recommended by Mrs. Henry Colton, district chairman.

Mrs. Shupe and two Madison County Teen Dems, Marilyn Wyatt and Debbie Reed, returned Saturday from Greensboro where they attended the Women's State Convention which was held there Friday and Saturday. Marilyn is the daughter of Mrs. Oakley Wyatt and the late Mr.

Wyatt, and Debbie is the daughter of Mr. and Mrs. Clyde Reed, all of Marshall.

Speakers and guests for the convention included California Senator John V. Tunney; national vice-chairman of the Democratic Party, Miss Mary Lou Burg; Governor and Mrs. Bob Scott; Senator and Mrs. Everett Jordan; Congressmen Nick Galifianakis and Richardson Preyer; and several potential candidates for Governor.

En route home, they stopped in Charlotte to see the Appalachian-Davidson game, and then toured the Appalachian State University campus in Boone before returning to Marshall late Saturday night.

Now is the time to plant spring bulbs. It's time to look ahead, gardeners-spring flowering bulbs are hardy plants that require little care and they provide early color in your garden or yard at a time when few other plants are in bloom.

In most areas, spring flowering bulbs should be planted in the fall so that roots can develop before the ground freezes, a U. S. Department of Agriculture bulletin notes. Home and Garden Bulletin No. 136, called "Spring Flowering Bulbs," discusses selection of bulbs, planting, care of bulbs and forcing bulbs. Also, the 14 page publication has charts showing how deep to plant bulbs and how high they normally grow. Pictures of some of these bulbs are also included.

You can use bulbs anywhere in your garden and some make excellent flowering plants for indoor arrangements. Planted outdoors, some are best suited

for border plants. Others should be grouped for large masses of color. Many of them can be scattered in lawns or planted among shrubs as ground cover.

Some of the more uncommon bulbs mentioned are bluebells and squills, oxalis, snowflake, winter aconite, snowdrop, anemone, and glory-of-the-snow.

Now is a good time to spray those wild onions in your yard. Use the amine form of 2, 4-D according to directions on the container. Be careful and keep off of other nearby plants. The addition of some household detergent to the spray solution will make the treatment more effective. Use this treatment again in February or early March. It may require several years to completely get rid of the pest. Be sure and use a sprayer which will not be used to spray your garden, tobacco or tomato crop next summer. 2, 4-D will not wash out of a sprayer.

Personal Mention

L. George B. Shupe and three Marshall football players, Harlan Rice, Jeff Treadway and Michael Boone, attended the Appalachian-Davidson football game at Charlotte Memorial Stadium Saturday afternoon. The Apps won, 35-10.

Mr. and Mrs. Guy White spend the week-end in Taylorsville as guests of Mrs. White's brother-in-law and sister, Mr. and Mrs. John Roberson. They were joined there by Mrs. Roberson's other sisters and their husbands-Mr. and Mrs. B. J. Morton of Wilmington; Mr. and Mrs. Jack Martin and Mr. and Mrs. James Hardee of Conway, S. C.; also, the Roberson's son and daughter-in-law, Mr. and Mrs. Morris Roberson of Charlotte. Mr. Hubert Worley of Marshall, brother of Mrs. Roberson, has been in Taylorsville for sometime with his sister and brother-in-law.

Mrs. Frank Brown of Alexandria, Va. is spending this week in Marshall as the house guest of her brother-in-law and sister, Mr. and Mrs. James Allen, and their two children. While here, Mrs. Brown is also visiting other relatives including her brother and sister-in-law, Mr. and Mrs. Jonas Chandler, of Mars Hill; and Mr. and Mrs. J. Moody Chandler, of Marshall; and Mr. and Mrs. C. S. Chandler of Walnut

Mr. and Mrs. Jake Stines and Mr. and Mrs. Howard Stines have returned from a three weeks trip to the West Coast. They visited their brother in Ontario, Calif. They saw the Grand Canyon Redwood Forest, Disney Land and many other places of interest while there.

McCrea Roberts, son of Mr. and Mrs. Bill Roberts of Route 5, Marshall, spent the week-end in Glen Alpine as the guest of his aunt, Miss Mildred Stines; and with his uncle and aunt, Mr. and Mrs. Fred Stines, and their two children.

100% Red Cross Organizations

Norris Gentry, chairman of the Madison County Branch of the American Red Cross, stated this week that through the cooperation of this newspaper names of all Marshall firms which are 100 per cent donors in the current Red Cross Campaign will be published.

Thus far, two organizations are 100 per cent. These are the Marshall Police Department and the ASCS office.

To be 100 per cent means that all members of a firm or organization participate in the campaign with a donation.

Book Notes

"Youth and Drugs: Prevention, Detection and Cure" by Dr. Francis H. Wise, is a book for all who would be knowledgeable about the drug problem. Dr. Wise is a practicing psychologist and he shares his 10 years of experience in telling what to do about prevention, detection and cure with the reader. Everything from the types of drugs and how they are obtained, to the shocked reaction of "My boy wouldn't do that" and how to detect the use of drugs is all here. It also has an index if there is any particular drug you would like to look up. This book on drugs is in the Madison County Public Library in Marshall.

"Young People and Religion" is a book written by a well known author of religion and contemporary problems, Dr. Arthur H. Cain. In this, his latest book, he examines the basic tenets of the great religions of the world. You will find "Young People and Religion" in the Madison County Public Library in Marshall. Check it out and see how Dr. Cain explains the religious experience and its importance to man.

"For the Bereaved" is a book in the Madison County Library that you should know about in case you need it. It is a collection of articles edited by Austin H. Kutscher dealing with the shock of loss, the problems of bereaved children or parents, funeral rites and ceremonies, and legal and financial obligations. It treats the application of knowledge to the subjects of the psychological aspects of dying and recovery from grief.

HEARD AND SEEN

By POP

Since I haven't been anywhere particularly this past week and due to a banged up leg I haven't been out of the office but very little, I haven't heard or seen too much to write about....but guess a few readers will look this way, so I'll try to write something....first of all, I want to congratulate the 4-H'ers of Madison County during this National 4-H Week....our county is blessed with splendid 4-H leaders and members....4-H clubs are definitely the strongest youth organizations in the county....I can recall many happy experiences when "Bill" and I used to cheperone the local 4-H'ers to Manteo for a week's "vacation" years ago....I've always admired the goals and accomplishments of 4-H'ers and wish for them continued success....I don't believe I've ever seen a brighter-eyed bride-elect than Cynthia Diana Davis, daughter of Mrs. and Mrs. John Verlon Davis...she's really a cute girl....I'm sure Terry Arrington has made a wise choice in selecting her for his wife-to-be....thanks to Mrs. Margie Payne McDevitt, daughter of Mr. and Mrs. Alton Payne, of Marshall, for sending me two pieces of delicious pineapple upside-down cake

last Saturday night....workmen are really making rapid progress on getting the low-rent housing sites ready for construction of the buildings....a whole lot of dirt is also being moved back of Fox's Tire Recapping building and the entire appearance of that area is being changed....I surely do wish that the Walnut Creek Road in Marshall could be widened....it's becoming about the most heavily used road in town....I'll bet George, Dot and Charlotte Shupe were real proud of the ASU Mountaineers Saturday when they defeated Davidson in Charlotte....work is continuing on the former Sprinkle-Shelton Building on Main Street getting it ready as the surplus foods warehouse....looking forward to seeing the Tornadoes host the Hot Springs Blue Devils this Friday night....the first game at Hot Springs was close and exciting and it's likely that the game Friday night on the Island will also be a rip-snorter....the Rosman at Mars Hill game Friday night should also be interesting....don't forget, the Bascom Lamar Lunsford music festival in Mars Hill this Saturday night....should be plenty of good old mountain music and dancing....

Just A Woman's Observations

By DOROTHY BRIGMAN SHUPE

I'm torn between getting this column written and watching TV tonight. I saw the beginning of Mod Squad where the girl picked up a blind man with a gun, and then turned over to see the Glen Campbell program where they are giving awards from some movie magazine. I am going to be through in time to see Gene Kelley's Funny Side. Do you like that? I think it is a cute program.

Guess who I ran in to this morning at the post office? Charlie Jack Reeves! He was here visiting his parents and his mother was with him. He said he lives in South Carolina and has three children, the oldest a junior in high school! He also said he reads the News Record, but most of the time he doesn't know the people that are mentioned because many of his old classmates have moved away or married and he doesn't know their new names. He looked good and I believe that South Carolina is agreeing with him.

Oh, I got a card some time ago from Bruce E. Tipton from Spain. He had promised to write me from Paris, but guess Uncle Sam sent him there instead. He wanted me to say "Hello" to all the pretty girls at Marshall High-so hello, all Marshall girls-cause they are all pretty, Bruce. Bruce was with the class of '68 along with another Bruce Tipton who is now at Western Carolina, but he chose the Navy instead of College.

Sandy Landers had a big time down at Carolina for the past week end. She got to see the Carolina-N. C. State game-and topped it all off by seeing James Taylor in Greensboro. Larry Leake was her host and they really had fun, she said. I don't know James Taylor, but the two girls that went with me to the Women's Democratic Convention would swoon every time his name was mentioned, so guess he's well known by the younger set.

Speaking of that convention, Debbie and Marilyn got to

shake hands with all the big wigs there, including Governor and Mrs. Scott, Senator and Mrs. B. Everett Jordan, Mrs. Margaret Harper, National Vice Chairman of the Democratic Party, Miss Mary Lou Burg, Rep. Richardson Preyer, Rep. Nick Galifianakis, and we just missed shaking hands with Senator John V. Tunney of California! We sat within eight feet of him and once I thought I would take them over to shake his hand, but thought we would get to in the receiving line, but he had to catch a plane! He is as charming as the Kennedys!

OBSERVED-Saw Mrs. Henry Cody at the store this morning, she's as pretty as ever-Been working on report cards today-some are good and some are bad-Some students just haven't got down to their studies yet, and guess some hickory tea will be in order when the grades go home Thursday afternoon-Got some good students, too, and I'm proud of them-Wasn't Pop long winded the other week-With his luck, he should have "stood in bed"-Didn't know Ronnie Johnson had taken a bride until I read it in the News Record, Congratulations, boy-Someone said your buddies, Eddie, has married too, but I don't know for sure-You newweds must keep me informed-Saw Phyllis Lyons and Carol Shelton the other night over at football practice-Carl said she was leaving in a day or so for school down near Charlotte, know she's having fun-Phyllis was working in Asheville, I believe, and going to school up there-Hope our boys beat Hot Springs Friday night-Let's all come out and back them-Better hurry and get your name on our calendar-By the way, our freshman president is Ricky Flynn, I got him mixed up with the senior, Randy Flynn, when I wrote about our class officers-Forgive me, Ricky-Have a good day!

In 1913, the U.S. had an air force consisting of 17 planes, 23 officers and 91 enlisted men!
