

THE NEWS - RECORD

MARSHALL, N. C. — THURSDAY, OCTOBER 21, 1971 VOLUME 70 — NUMBER 42

Second Fire Within Week Destroys Brown Property At Barnard

Three fires of undetermined origin within eight days have destroyed a dwelling, garage, storage building, automobile, truck, an expensive power engine and several hundred pounds of fertilizer belonging to Dedrick Brown, of Barnard. According to Brown, there was no insurance on any of the destroyed property.

The first fire occurred early Thursday morning, Oct. 7, when a one-story dwelling was destroyed by flames. Marshall firemen were called to the scene but flames had gained too much headway to save the house.

Fortunately, no one was living in the house at the time.

The second fire was discovered about 3 a.m. last Friday morning-eight days after the first fire.

Destroyed in the second fire were a two-story garage and storage building near the site of the first fire and about 100 feet from Brown's general store at Barnard, about nine miles from Marshall. A 1965 Ford sedan which was in the garage was completely destroyed and in the adjoining building, used for storage, several hundred pounds of fertilizer and a

Hercules Power Engine were destroyed.

Also discovered ablaze about 150 feet from the burning building was a 1958 two-ton International truck which was parked near Brown's store. A bulldozer, which was on the bed of the truck, was saved but the truck was burned.

Marshall firemen answered the call early last Friday morning but were unable to extinguish the blaze.

An estimated \$8,000 loss was suffered in the second fire, Mr. Brown, a former sheriff of Madison County, stated.

THE SMOLDERING REMAINS of the two-story wooden garage and storage building at Barnard, owned by Dedrick Brown, which were destroyed by fire early last Friday morning. Damage was estimated at \$8,000.

Quorum To Move To Weaverville Soon

It has been officially announced that Quorum Knitting Mills, Inc., which has been located in the building here formerly occupied by Mills Manufacturing Co., since February, will move its major operations to the Hadley Building in Weaverville. Officials stated that machinery will be moved in about six weeks and will be in operation in Weaverville by the first of the year.

Officials, however, announced that the retail division plans to remain in Marshall and will occupy the entire existing building.

According to officials, the

decision to move from Marshall to Weaverville was based on the following premises:

1. Quorum will outgrow the present existing facilities this year; therefore a new facility would have been required before the first of the year. Because of Quorum's rapid growth it was impossible to put up a new building to meet this time table. Therefore, an adequate existing building became a necessity.

2. The Hadley Building was an ideal solution to Quorum's problems because of the close proximity to the Marshall area and with the new highway the facilities will be even more

convenient for Madison County residents. Quorum also welcomes Madison County residents who are willing to travel to Weaverville as employees in the new facilities.

"We have extended to all our present employees jobs in the Weaverville plant which we anticipate to occupy around the first of the year," an official stated.

"We appreciate the cooperation of the people of Marshall for they have been very pleasant and productive in all our business contacts," Gunter Uhlig and Arthur Klaff, Quorum officials said.

Fund Drive Launched To Aid WNC Youth Camp

Mars Hill College students have launched a drive to raise \$35,000 to establish "Camp Carri-On" as a permanent camp for western North Carolina youth.

The drive, part of the students' "Emphasis \$100,000" campaign, will be conducted in the five-county area of Buncombe, Haywood, Henderson, Madison and Yancey, according to campaign general chairman, Danny Ray of Waynesville.

This summer over 200 young people from these five counties attended the free camp which used facilities of Christmount Christian Assembly in Black Mountain.

The proposed permanent camp would be located in the five-county area, Ray said, and contain living and water front facilities, recreation and dining halls and athletic fields. "If we can't get cash, then we hope to get services donated by local architects and contractors."

"We feel it is important to

provide an outdoor educational experience for both rural and urban youngsters who can't afford to attend private camps," he said.

"Camp Carri-On" is a student-originated and student-administered program. Through the internship program at Mars Hill, students were able to study the feasibility of a free camp for youth to test the idea with a pilot project last summer, and to demonstrate its worth this summer.

Ray said that teams of three college students will be visiting prospective donors to present the plans for the camp and to explain the fundraising campaign, which is organized and operated by current and recent students.

Ray graduated from Mars Hill in May and is a member of Hyde Park Associates in Asheville. Frank Ferrell, a junior, is the on-campus chairman of the campaign.

District Court Here Friday

District court for the trial of criminal cases will be held here Friday with J. E. Holsouser, Sr., presiding, Clyde M. Roberts and James T. Risher will represent the State in prosecution.

Homecoming Parade To Be Held Friday

Marshall High School's Homecoming Parade will be held Friday at 1 p.m. North Buncombe High School Band will perform and classes will have floats and other entries in the parade.

Following the Homecoming parade there will be a football game with the South Greene Devils at 8 p.m. The Marshall High School Football Queen and Homecoming Queen will be crowned prior to kickoff.

Anyone interested in entering or having an entry in the parade should contact James Allen at Marshall High School at 649-2434.

Red Cross 100% Firms

The following Marshall firms have been added to the list of 100 per cent Red Cross donors: Beautytime Beauty Shop, Shady Side Florists, Whitehurst Ins. Co.

Republican Club To Meet Monday

The Madison County Republican Women's Club will meet next Monday night with Mrs. Pearl Ammons in Mars Hill. The meeting will start at 7:30 o'clock and all members are urged to attend.

Marshall Students Injured In Fall From Car

Three Marshall High School students were injured about 4 p.m. Tuesday when they fell from a car loaded with other students, en route to town from the school, where they had been preparing homecoming floats.

The injured girls are Pat Meadows 16, a junior and cheerleader at the school and daughter of Mrs. Annie Meadows and the late Troy Meadows of Marshall; Claudia Ball, 16, also a junior and daughter of Mr. and Mrs. Claude Ball of Marshall; and Sue McDevitt daughter of Mr. and Mrs. Oscar McDevitt, of Marshall.

They were taken to Memorial

Mission Hospital in Asheville.

The car, driven by Teresa Ann Johnson, 17, daughter of Mr. and Mrs. Bobby Johnson of Walnut, was turning from the island entrance into the main part of the bridge when the students fell off the car.

City Policeman Floyd Davis, Jr., investigated the mishap.

Miss Ball received a fractured skull and is recuperating in Memorial Mission Hospital. Miss Meadows received a sprained left arm was released from the hospital Tuesday. Miss McDevitt also received a sprained left arm.

Homemakers Clubs Have Booth At State Fair

Madison County homemakers built an educational booth for the State Fair. A committee of homemakers and Extension agents met, planned and built the booth. The art department of N. C. State University did the art work. A very interesting exhibit was achieved by using bright colored paper, revolving lights and general flood lights.

Home management theme was used to show facts about owning and operating a car as it fits into the family budget. The three major features of the booth were cost of the car, cost of upkeep, and facts to know about your car. The booth will be brought back to the county to exhibit after October 23.

Special thanks are due the

following persons and firms: Madison County Rescue Squad for the use of their building to construct the exhibit, French Broad Chevrolet and Coal Feed and Lumber for supplies and equipment, Gary Ealey for most of the wood work, Mrs. Hattie McElroy for painting, and the Fair Booth Committee, consisting of Mr. and Mrs. Ralph Dover, Mrs. Beulah Merrill, Mrs. Beatrice Kuyker, Mrs. Nita Stackhouse, Mrs. Bill George, Mrs. Dorothy Arrington, Mrs. Hazel Proffitt, Mrs. Howard Payne, Mrs. Sylvene Shelton, Miss Cynthia Berban, Mrs. Hattie McElroy, Maurice McAlister and Mrs. Ethel T. Wallin.

Deadline Near For Nominating ASC Committeemen

Madison County farmers are sending in some nomination petitions for candidates for ASC Community Committeemen says Ralph Ramsey, County ASCS Executive Director.

Ramsey explained that all farmer petitions to nominate candidates for community committeemen must be filed with the County ASCS Office by the close of business on Oct. 27. A recent change in election procedures permits nominating petitions to be signed by only 3 qualified voters instead of 6 as required in previous years. Also the petition form must contain a statement that the candidate is willing to serve if elected. Petitions are still limited to one nominee each but farmers may sign as many petitions as they wish. The names of all candidates who are timely nominated by farmer petitions will be entered on the

ballot if they are found to be eligible. Should the farmers in each of the county's 16 ASCS communities fail to petition as many as six candidates for their respective community the community committee now in office will add the number of names required to complete a slate of 6 candidates.

Ballots containing the names of nominees will be mailed to all known eligible voters on or near Nov. 17. Farmers will have through Dec. 1 to cast their ballot for the three candidates of their choice. Generally speaking, an eligible voter is a farm owner, operator, tenant or sharecropper of legal voting age.

Other details on nominating by petitions or voting in the community committee election are available at the County ASCS Office in Marshall. The telephone number is 649-2712.

2,000 Horses Vaccinated In County

The Venezuelan Encephalomyelitis Vaccination Clinics for horses, mules, and ponies in Madison County have now been completed. There were approximately 2,000 horses vaccinated by area veterinarians in Madison County. This is an estimated 90 to 95 per cent of the county

equine population.

Anyone who failed to have their animals vaccinated should contact a veterinarian to do the job. All members of the horse species that have not been vaccinated are still legally quarantined to the premises on which they are now located.

Civil Term Of Court Starts Here Tuesday

The October term of superior court for the trial of civil cases will begin here next Tuesday morning instead of on Monday which is the Veteran's Day holiday.

Judge William T. Grist will preside.

Jurors drawn for the term follow: Mary Frances Boles, Gertie Mae Swaney, Clinton King, Clarence L. Wallin, Nettie Rice Harrison, Mrs. Ralph E. Bradley, Edwin Y. Ponder, Wayne B. Jarvis, Rita Ann Blackwell, Alton H. Malone, Charles Max Osteen, Selma McMahan Frisbee, Floyd

Sprouse, Velvia M. McIntosh, Gurney McMahan, Lorado Wallin, Mrs. George Herbert Clark, Dr. Wm. Ernest Powell, Jr., Bobbie Tickle Puryear, Mudeen Lewis Teague, George Emory Moxley, Paul Davis, Junior Lewis, Clive Whitt, Marion Griffin, Mary Beck Williams, Ida Mae Bennett, Avaneil Silver Merrill, Aileen Sams Rugsby, Mable Snelson Carter, Polly Myrtle McMahan, Charles Robert Hailey, Levi Ponder, Russell C. Chandler, Lois C. Ramsey and William B. Riddle.

Tornadoes - Wildcats Battle To 8-8 Tie

It has been said many times that a "tie ball game never pleases either side." This, however, was not the case last Friday night on a slippery Mars Hill football field when the Marshall Tornadoes and the Mars Hill Wildcats battled to an 8-8 tie in an Appalachian Conference game.

The Tornadoes had to come from behind in the final period to tie the Wildcats in a game marred by fumbles. Jimmy Ponder ran 69 yards for Marshall's lone touchdown and Harlon Rice, powerful running Tornado back, rammed the two-point conversion over the line to tie the game.

Marshall got possession of the ball with two minutes remaining and deep in their own territory. Rather than "go for broke," Coach Reeves was content to run out the clock in the final seconds rather than on the fourth down risk a punt

return by the Wildcats.

The Tornadoes had fought back gamely for the tie and, although, a victory would have been much better, Marshall was content with the 8-8 tie.

Naturally, Coach Roy Ammons and the Wildcats were content with the tie which assured them of the Appalachian Conference title. Had Marshall defeated the Wildcats, it would have put Mars Hill, Marshall and Rosman in a three-way tie, and necessitated a drawing for the title.

The Wildcats scored in the second quarter on Randy Zink's one yard plunge after the Wildcats recovered a Marshall fumble on the four-yard line. The Marshall line held for two downs but on the 3rd and 1, Zink went into the end zone.

John Roberts, Wildcat quarterback, passed to Zink for the extra two points.

The first half was a scoreless

stalemate with neither team able to put together a sustained drive. Fumbles of a wet ball were frequent.

The rains held up during the first half but came down in torrents during the second half.

The game was cleanly played with only one personal foul-face mask-being called.

Marshall completes the season this Friday on the Island against South Greene, Tenn., in the annual Homecoming game.

Hot Springs Defeats Cane River, 14-6

Hot Springs avenged an early-season loss, beating Cane River 14-6 at Hot Springs Friday night. When the two teams met earlier in the year, Cane ran over Hot Springs 72-0.

Jerry Thomas got Hot Springs on the scoreboard first when he ran 44 yards on an endaround to paydirt. Cecil Gunter ran for the two-point conversion.

Cane River scored with 29 seconds remaining in the second quarter when Keith Webb ran for two yards. The ensuing try for a pair of extra points which would have tied the score failed.

Gunter completed the scoring in the third quarter as he took a pitch-out and ran in from 48 yards out.

HERBERT CARTER, State ASC Executive Director, shown as he spoke at the ASC Banquet last Thursday night. Next to Carter are Mr. and Mrs. Ralph Ramsey.

Madison, Haywood To Get \$17,400.40 For Timber

French Broad District Ranger Bobby Brady said today that Madison and Haywood Counties will receive a total of \$17,400.40 as their share of receipts on National Forest during the past fiscal year.

The amount each county receives is based on the number of acres of National Forest land within the county. Federal laws call for 25 per cent of the receipts to go back to the counties for use on schools and roads.

Timber harvesting by private operators accounts for the biggest single amount in the receipts. Other National Forest resources are water, recreation and wildlife.

Brady said that the Forest Service's system of land management makes certain

there will always be a supply of timber for the nation. It also provides for protection of wildlife, recreation and aesthetic values of the Forests.

Revival To Be At Oak Hill Church

Revival services will begin Sunday night, Oct. 24, at Oak Hill Baptist Church, Marshall Rt. 1 (Rector Corner Community), with services each evening at 7:30.

The Rev. Omer Anders will be the visiting minister.

The pastor, the Rev. Howard Ogle, invites the public to attend and participate in the services.

THE HOPE TRIO, composed of (left to right) Mrs. Janice Storey, Mrs. Jeanette Moore and Mrs. Edna Frady, entertained by singing several "Old Favorite" songs. Ricki Reed (not shown) accompanied the trio on a Wurlitzer organ.

STANDING left to right are some of those who were recognized for their outstanding records at the ASCS Banquet last Thursday: Ralph Ramsey, 25 years service certificate and pin and 1500 hr. sick leave certificate; Eugene Wills, 10 years service certificate and pin; Geneil Fox, 26 years service certificate and pin and 1000 hr. sick leave certificate; Dale Balding, 10 years service certificate and pin; Dorothy Sprinkle, 1500 hr. sick leave certificate; Wayne Clark, 10 years service certificate and pin and Emory Robinson, 15 years service certificate and pin.
