Mars Hill Wildcats Down Marshall "Moonshiners", 16-8

The Marshall Moonshiners and the Mars Hill Wildcats both undefeated tangled on the Island last Saturday night in an exciting football game played before more than 200 spectators

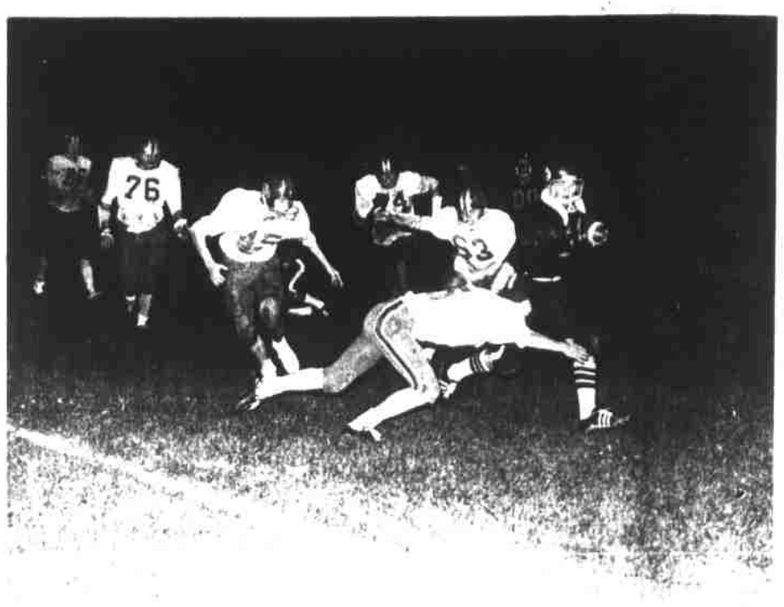
The Mars Hill team led by the brilliant running of Allan English fullback defeated the powerful Moonshiners 16-8

The first score of the game came in the initial quarter when English plunged five yards following a sustained drive Joe Walker Wildcat quarterback plunged for a two point conversion and the visitors led 8-0

The second quarter was scoreless as the defense on both Little Leaguer teams excelled

The Moonshiners tied the score in the third quarter when Randy Hodge picked up a Wildcat fumble and scampered 92 yards for a touchdown Gene Clark ran for the two point conversion which tied the score at 8-8

Allan English's nine yard scamper in the final period netted the win for the Wildcats as he crossed the goalline Joe Walker again ran for the two point conversion and that was the final score of the game with the Wildcats winning 16-8 Bubba Jack Chandler was outstanding for the Moonshiners on defense while David Long was outstanding for the Mars Hill defense



DESPITE LOSING THE GAME to T. C. Roberson's Rams, 34-0 last Friday night, at times the Patriot defense rose to the occasion. One such occasion is pictured above, showing six Patriot players in pursuit of Doug Franklin Ram fullback. Bobby Zink, Patriot cornerback, shown tackling Franklin for a loss on a right end sweep. Other Patriots pictured are Jimmy Roberts (86), M Rice (76), Boyce Mayhew (45), Kirk McWilliams (74), Rickey Caldwell (63) also shown is Ram quarterback Mike Mishoe (00) in background. Mrs Larry Street of Mars Hill will be the featured speaker

All members are urged to attend

Patriots Fall To Powerful Rams, 34-0; Meet E.Y. Friday

By WAYNE McDEVITT
Sports Writer
The News Record

For the first time this season, the Madison Hurts Patriot fans had very little to cheer about as they saw their local team go down to its second defeat. This by a score of 34-0 defeat at the unfriendly hands of the T. C. Roberson Rams. Indeed the Rams demonstrated very well why they are ranked in the number one spot by sportswriters in Western North Carolina. The Patriots surely have nothing to be ashamed of as the score was not indicative of the show they put on. The Patriots will get their chance to avenge this defeat when they meet the Rams at the E.Y. Roberson Rams.

Some unofficial statistics which help to give some impressive defense were as follow

Mike Thomas [illegible] individual tackles, 7 assist

Mike Osborne [illegible] individual tackles, 6 assist

Jimmy Ramsey [illegible] individual tackles, 5 assist

Dennis Roberts [illegible] individual tackles, 5 assist

Hollen Webb [illegible] individual tackles, 3 assists

Bobby Zink [illegible] individual tackles, 3 assists

Boyce Mayhew [illegible] individual tackles, 3 assists

Rickey Caldwell [illegible] individual tackles, 3 assists

Kirk McWilliams [illegible] individual tackles, 2 assists, 1 fumble recovery

Mark Rice [illegible] individual tackles, 1 assist, 1 fumble recovery

Charlton Freeman [illegible] individual tackles, 1 assist

The Patriots now sport a record which is extremely impressive for a first year team. The Patriots are well on their way to a winning season something almost unheard of in the initial season of any team in any league. Just as our team encompasses a winning attitude the spirit that has been generated in the town as they support their team as the final second. Regardless of the game, be it football, basketball, baseball or [illegible] we know Madison will be there to help. I wouldn't want to be in their place with an opponent.

New Sewage Disposal Regulations

The Special Assembly has just ratified a bill [illegible] effective October 1, 1973 that regulates sewage disposal in those areas not served by public or community sewage systems. Essentially in areas of high population, multi-residential building, or areas outside of community sewage systems, the inadequate installation of septic tank systems the General Assembly acted in an effort to protect public health by insuring that faulty, unsafe disposal systems do not contaminate the ground water supply.

The main provisions of the Act includes the following:

1. Requires an improvement permit, sewage disposal permit, prior to the construction of a residence.

2. Requires a certificate of completion, approval of septic tank system installation before conventional residences or mobile homes can be occupied.

3. For conventional systems [illegible] improvement permit, sewage disposal permit, and certificate of completion, for mobile homes [illegible]

4. Establishes fees [illegible] for issuance of the permits [illegible]

5. Provides [illegible] cannot be provided and no electrical inspector certifies that required [illegible] buildings [illegible] completion, for mobile homes [illegible]

6. Establishes Health Department [illegible] for issuance of the permits [illegible]

Note: Electric [illegible] cannot be provided and no electrical inspector certifies that required [illegible] buildings [illegible] completion, for mobile homes [illegible]

Mobile home dealers must post signs [illegible] the provisions of the Act [illegible] distribute [illegible] prepared by the State Board of Health [illegible] Act

The County Health Department is authorized to issue improvement permits and certificates of completion

Any Madison citizen [illegible] permits [illegible] the Act [illegible] should contact the Madison County Health Department

Lunsford Festival At Mars Hill October 5-6

MARS HILL The Sixth Annual Bascom Lamar Lunsford Minstrel of the Appalachians to be held October 4th and 6th at Mars Hill College will take on special meaning this year following the death of its founder September 4

Bascom Lamar Lunsford described as a legend in his own time by college president Dr Fred H Bentley was born on the Mars Hill campus at the spot where a new classroom building now stands His father was president of the school as the Drews and his mother was in charge of one of the residence halls

Lunsford worked long and hard to preserve the culture heritage of the mountain Appalachians He founded many festivals the first in Asheville in 1928 is still being held encouraging others to learn and appreciate mountain culture

He commented just several days that this section was known as [illegible] Lunsford [illegible] Bentley in a tribute at Lunsford's funeral stated that Lunsford had been the president make a visit when The ballads tales and dances which were expressions of our grandparents mostly

OBRAY RAMSEY of Walnut will be one of the featured mountain musicians at the Sixth Annual Bascom Lamar Lunsford "Ministrel of the Appalachians" which will be held at Mars Hill College October 5th and 6th Ramsey was one of four musicians honored last year for his efforts in keeping mountain music a "viable folk expression" He has long been known as an innovator in banjo picking styles and has developed a unique three finger style

Health Needs Meetings In County Are Slated

Meeting Planned For Asheville Area ASU Alumni

County To Get $46,528.73 In Funds

RALEIGH – A record total in Powell Bill Funds will be sent to North Carolina cities and towns later this month

The amount to be distributed this year will be $29.2 millions, Secretary of Transportation Bruce Lentz announced today, which is some two millions more than the $27 millions which were distributed last year.

State law provides that one cent of the state's nine cents per gallon gasoline tax be distributed to state municipalities on a basis of population and street mileage within their boundaries which is not a part of the state system, and which they must build and maintain

Charlotte the state's largest city, will receive the largest single check, one for $2,887,408 and the amounts scale downward to Falkland which will get $1,290

Other large disbursements will go to Greensboro $1,862,992; Winston-Salem $1,679,971; Raleigh, $1,580,491 and Durham, $1,157,696.

Under the law, all checks must be mailed to the cities and towns before October 1

Madison County will receive the following allocation $46,528.73, as follows: Hot Springs, $11,793.66; Marshall, $15,340.62; Mars Hill, $18,394.45.

Square Dance Planned For October 6

A big square dance has been planned for Marshall on the night of October 6 it has been announced

Site of the dance will be Lower Bridge Street opposite the courthouse and will begin at 8 o'clock Music will be furnished by John Ray's String Band

Proceeds from the event will be used to purchase additional equipment for the Madison County Rural Fire Department
