

Just A Woman's

Observations

By DOROTHY BRIGMAN SHUPE

Don't blame me for no column last week! Remember there is a paper shortage and there was just not enough room for what I HAD written. I had taken time to write about our teams opening their season and I had predicted that we would win! I'm just as proud of our basketball teams as our football altho I haven't been able to get to the games, but I'll be there soon. I hear some of our opponents fans have been unsportsman-like, but I hope we won't stoop to answer them in a like manner.

I talked to both groups of coaches and wrote a story for the Citizen, but they seemed to be short of paper too! Anyway, if you haven't seen our teams in action, I urge you to come out. The coaches for the boys are Head Coach Bobby Dean Franklin and Coach Gene Hall. For the girls we have Head Coach F. N. Willett and Coach Alex Farkas.

The top ten boys (as when I talked to Coach Franklin) were Jim Roberts, Harrell Wood, Carlton Freeman, Mike Franklin, Steve Bentley, Ricky Harrell, Jeff Treadway, Roger Keener, Kevin Robinson, Boyce Mayhew, Coy Moore, Keith Long and Junior Chandler. Our girl Patriots are Yvonne Coates, Linda Robinson, Lynn Plimmions, Debbie Reed, Donna Davis, Sheila Goforth, Debbie Yelton, Ann Hensley, Katty Waldrop and Karen Greene. There are several others on the girls squad, but I don't have their names. Gee, with a 2-0 record, we're off to a beautiful start!

By working Thanksgiving Day, I was able to get the Birthday Calendar copy ready for the printers. Since we didn't get to it sooner, the first month will probably be February. So don't despair, we will get them to you as soon as we can. We do appreciate all of you who allowed us to put your name on it and especially do we thank Coal, Feed and Lumber Co., Penland and Sons, Radio Station WMMH, Pioneer Ford, Western Auto and The First Union National Bank for their big ads to be on the front of the calendar along with a picture of a patriot and names of our best sleasmen.

We also want to thank those that took smaller ads on different months. They were Johnson's Self Service, N. C. Farm Bureau Insurance Company, French Broad Electric Membership Corp., Wilson's 66 Service Station, Edwards Cleaners and Laundrymat, Ponders Auto Supply, Deringer Manufacturing Company, and Home Electric and Furniture Company. We'll have a few extra calendars, so get your name in the pot with one of our freshmen.

OBSERVED - Glad Mrs. Christine Lunsford is back to school in the cafeteria following surgery - Ran into two former students last week who were here visiting from far away, Barbara "Toots" Henderson and Janice Lunsford, both just as young looking and pretty as when I taught them - Congratulations to Mrs. Bobby Jean Peek Rice on her new honors and for working on her Doctor's degree - My, that gal is smart - Larry Davis is home on leave from the Marines, had his training at Parris Island and to report back to Memphis soon - Sorry Gale Garrett got a broken leg at school - glad she can be back - Also sorry that Carlie Meadows and Bernie Payne are ill in an Asheville hospital - Have you done your Christmas shopping yet? - Better be one of the early ones this year - You might not have enough gas to get there if you wait - Have a good day!
