USDA Forestry **Incentives Program**

The U. S. Department of Agriculture has announced a 1975 Forestry Incentives Program (FIP) aimed at Marshall Chapter OES Installs Officers improving the nation's timber production by stimulating better forest management practices on the vast acreage of small private timber ownership tracts. program will tentatively be funded at the \$25 million level authorized by Congress.

> In its second year of operation, FIP will again be available in most states in specifically designated counties with high resource potential for increased timber production. Both annual and long-term agreements will be offered to eligible owners of non-industrial private forest lands. Federal cost-sharing under these agreements will range from 50 to 75 percent of the cost of carrying out tree planting and timber stand improvement practices. All FIP agreements must be based on forest management plans developed by the local forester in cooperation with the landowner

FIP will be administered by the Agricultural Stabilization and Conservation Service Through its farmer-elected committee system. The Forest Service, in conjunction with state and district foresters, will provide

technical assistance in

developing forest

management plans and

servicing practices.

Fund-Raising Reception For Edmistens

Democratic Chairmen from nine western counties will host a fund-raising reception for Attorney General and Mrs. Rufus I. Edmisten on Saturday evening, April 19, from 7:30 until 9:30 p.m., at the National Guard Armory in West Asheville

Tickets for the event, which will feature a rock band and a square dance band, will be sold by Democrats in nine counties at \$10 per ticket. Proceeds will go toward reducing Edmisten's campaign debt

Hugh Stevens, Buncombe County Democratic Chairman, has agreed to serve as coordinator for this event. The other county chairmen are Charles Beall, Haywood County: Harley Stepp, Henderson County; Zeno Ponder, Madison County; Ernest House, Jr., McDowell County; David Preston, Polk County; Charles Owens, Rutherford County; Mrs. Molly Wilmot, Transylvania County; and Clyde McIntosh, Yancey County. They will be assisted by the Democratic Women and the Young Democrats

Of New Group

Rate Protests Spur Formation

The attorney for the protest group, Ron Howell, reported that he had talked earlier Tuesday with a rate official of the Federal Power Commission in Washington, and was advised that hearings began on the North Caarolina EMC protest of the Carolina Power rate boost, and were expected to continue for two

Howell said new petitions were being circulated asking members of Congress to help in obtaining relief. The at torney said he had been advised by judges that courts cannot en join a power rate increase - that the FPC must approve or disapprove of the increase sought before other parties could take the matter

If the FPC ruled that excessive charges had been made, Howell said, there would be the possibility of refunds to consumers. He suggested that when payments are made to French Broad EMC, that the notation "paid in protest" be made on

The petition, directed to Rep. Roy A. Taylor and Senators Robert Morgan and Jesse Helms, called on them to expedite the FPC hearing of Carolina Power's increase Docket E8884), introduce legislation to permit the FPC

to consider discrimination in rates charged, and also offer legislation to repeal the statute "which prohibits the TVA from supplying electricity outside of the area (defined July 1, 1957); or, in the alternative, to introduce legislation excepting the area

in the Act. Howell said informally he had "never seen people so upset before" as over the

from the prohibition contained

100 callers say their power bills were more than their welfare checks," he said.

Howell said Ed Mashburn, the EMC counsel, has agreed to answer questions either to the planned Committee of 80 or before a future open meeting

Les Roark of Sen. Morgan's staff was presented, and said that when Morgan was attorney general "he went to bat for consumers. He can be expected to continue in that

Selective Service Registration Change

William H. McCachren, State Director of Selective Service for North Crolina, has issued instructions to all Selective Service Area Offices and volunteer registrars to suspend current registration activities as of April 1. This was brought about by Proclamation No. 4360 issued by President Ford on March 29, 1975, which changes the method by which young men fulfill their obligation to register under the provisions of the Military Selective Service Act. McCachren emphasizes that this is only a

suspension, and that new procedures will be announced later in the year. There is still a requirement to register, and only the method will be changed.

The requirement that a young man must register during the period 30 days prior to and 30 days after his 18th birthday is no longer in effect according to McCachren. He stated that the future method will probably by an annual registration. This will require those liable for registration to present themselves during a specified period of time.

Mrs. Hill Student In

Honor Society

Aaron Kermit Ball of Mars Hill has been inducted into the N. C. Alpha Chapter of Alpha Chi Honor Society at Apopalachian State University.

Alpha Chi is a national honor society recognizing students for outstanding scholarship. Members must have a minimum of 3.4 grade point average out of a possible

Aaron, a senior industrial arts major, is the son of Mr. and Mrs. Charles H. Ball of Route 1, Mars Hill.

Greater Ivy To Start Clean - Up Saturday

The Greater Ivy Community Organization will begin its community clean-up on April 12 Each citizen is urged to clean his own grounds and to pick up all the trash along the highway near his property

Members of Beautification Committee will be at the Beech Glen School at 9 a.m. on April 12 to distribute free litter bags.

If possible, each citizen is asked to put his trash into a dumpster. Private trucks from this area will pick up heavier trash that isn't allowed in the dumpsters. For this information call Mrs. Jo

A large tree succumbed to stree winds Thursday night and crashed down on the 18 red Rally Nova owned by Mr. and Mrs. Davis. It car was "totaled" by the impact.

Wallin To Head County Attention **Board Of Education** at the precinct levels throughout the whole county

at 8 p.m. on April 14 for the purpose of selecting local Emery Wallin was elected chairmen and committeemen chairman of the Madison to serve on the District Wide County Board of Education at Executive Committee. These its organizational meeting on meetings will be held at the Monday April 7, 1975. local polling place, unless The Board of Education otherwise indicated or posted in the particular precinct. Wide participation is encouraged. After local com-

passed a resolution honoring Bill Roberts for serving as board chairman for the past six years, and noted that several educational achievements were accomplished under his chairmanship; among which was the passing of a school bond for consolidation of the five high schools, the building of Madison High and implementation of the Kindergarten and Middle Grade Vocational Programs in the Madison County Elementary

In other items of business, the board named an advisory council for each school district and reviewed the proposed budget for the 1975-76 school year, giving attention to the physical condition of each of the elementary schools in the county, and the board joins the other concern citizens of Madison County in regards to tricity. Also discussed at some length was the accreditation of the school system.

Due to the fact that the North Carolina General Assembly is still in session,

be held on April 21, 1975 at 7 p.m. in the superintendent's to give final approval of the budget and school personnel for the 1975-1976 school year
