# BELOVED SON AND BROTHER"

WHO PASSED AWAY JULY 11, 1976 It's been over a year now since your untimely death, and we still can't believe you're gone. It

You're gone from this world with all its trouble and sorrow, to a place of peace and contentment where there'll be no uncertain tomorrows. Yes, you're gone but not forgotten, you are so alive in our memories and you will always be, we have only to close our eyes and

your smiling face we see.

We know it will be a long time before we can think of you and not feel sad and bewildered, because there is so much about your death that we cannot accept nor understand. It isn't meant for us to understand everything though, only God does. He has His reasons and we have to accept them as His will. There is one thing that we know for sure, and it is a comforting thought. We will see you again some day, and knowing this makes the pain of losing you

We won't forget you Junior, we will always remember you with loving memories and you will remain in our hearts forever. Oh if you only knew how much we miss you. It has been a terribly sad time for us since you went away, but we know in our hearts that you wouldn't have had it any other way because you couldn't ever turn away from someone who needed help. You gave your life trying to save a friend

and there is no greater love than this. It was so terribly hard to give you up Junior, because we love you so much, but we know that you are safe in the arms of Jesus now and you couldn't possibly be in a better place. No

Heaven where we will all be together again some day, and this promise will give us the strength to carry on and bear the burdens which are a certainty in this life.
