

## Field Goal Defeats Mars Hill

Bobby Eller booted a 37-yard field goal as time expired to lift Guilford to a 10-7 non-conference victory over Mars Hill Saturday.

The winning kick climaxed a 57-yard Quaker drive from their own 30-yard line, as quarterback Joe Osborne passed Guilford into scoring position in the final 1:37 of the contest.

The Lions, who slipped to 2-4 for the season, had an opportunity to snap the 7-7 halftime deadlock, but a fumble by freshman quarterback Dean Tomberlin on the Guilford 9-yard line midway through the final period spoiled Mars Hill's scoring chance.

"It was a typical Mars Hill-Guilford game," said Lions' head coach Claude Gibson. "The last four games with them have been decided by a field goal."

"We spent a lot of time in their end of the field," continued Gibson. "But our mistakes kept us from punching it in."

Mars Hill did capitalize on a shanked punt by Guilford kicker Joe Thomas at the end of the first half to register its only score of the contest.

Three plays after taking over on the Quaker 33, Tomberlin, an Erwin product starting his first game, gunned a 31-yard TD pass to Mark Garren. John Gulledege added the point-after for the halftime tie.

Guilford, which improved to 3-2 for the year, also converted a turnover into its only touchdown. After the Lions were stopped on the first series of the game, punter Melvin Dunn was unable to control a bad snap from center, with the Quakers recovering on the Mars Hill 30.

Following a first down, Osborne heaved a 21-yard TD aerial to Dale Lee and Eller tacked on the PAT.

## Madison Patriots Down Enka Jets

The Madison Patriots seventh and eighth graders used a balanced running attack and a vicious defense to defeat the Enka Jets seventh and eighth graders 20-6 here last Wednesday.

The Patriots took the opening kickoff and moved the ball down the field with Jeff Byrd sweeping left end for 36 yards and the score. The remainder of the first half was scoreless with both teams able to move the ball up and down the field but neither team able to cross the goal line. Ian Filiss intercepted a Jets pass in Enka territory late in the first half but the Patriots could not score and the half ended with Madison holding a slim 6-0 lead.

The Patriot defense came out in the second half with five in their eyes. They completely

shut down the Enka attack and gave the offense good field position but it was not until the fourth quarter that the Patriots finally crossed the goal line.

The final period opened with Madison deep in Enka territory threatening to score. The Patriots fumbled and Enka covered the ball on their own 5-yard line. A dive into the Madison line netted but one yard and Enka tried to go wide on the next play. Ricky Edwards, Patriot defensive end, leaped into the Jets backfield and knocked down the pitchout. The ball bounced into the end zone where defensive back Jeff Buckner recovered it for a Patriot touchdown and a 12-0 lead.

Following the kickoff, the Patriot defense continued to hit hard with Edwards

causing another fumble. This time 200-pound Patriot tackle Robbie Riddle was there to fall on the ball. Then the Patriot offense finally got going as fullback Jeff Buckner shot through a gaping hole opened by the left side of the Patriot line, eluded a couple of tacklers and raced 32 yards for the touchdown. Buckner then smashed over the right side for the two-point conversion.

Ahead 20-0 late in the fourth quarter, the Patriots went to the bench, playing a total of 36 players in the game. The Jets finally got on the scoreboard with less than a minute left in the game on a 74 yard desperation pass and the game ended with the Patriots on top 20-6.

The Patriots netted 199 yards on the ground in the

game. Leading rushers were Ricky Honeycutt with 63 yards, Jeff Byrd with 51 yards, and Jeff Buckner with 42 yards. Jackie Honeycutt completed his only pass of the game to Fred Holtkamp for 11 yards. Outstanding defenders for the Patriots were Ricky Edwards and Bobby Ingle.

The Patriots are now 3-0 on the season and travel to Waynesville Oct. 11 for a showdown with the undefeated Waynesville gridders. Game time is 5 p.m.

We've all been there. So we won't drag out the wait for your next car loan. We'll give you your answer in a couple of hours. And we'll give you a simple interest loan.

We'll probably never be as close to you as your Dad, but we'll cough up the keys a lot easier than he ever did.
