## Supersport: Ted Brown

Ted Brown shakes, rattles and rolls.

He shakes off tacklers. He rattles helmets. And he rolls up the yards... thousands of them.

The North Carolina State University back is one of college football's all-time leading ground gainers.

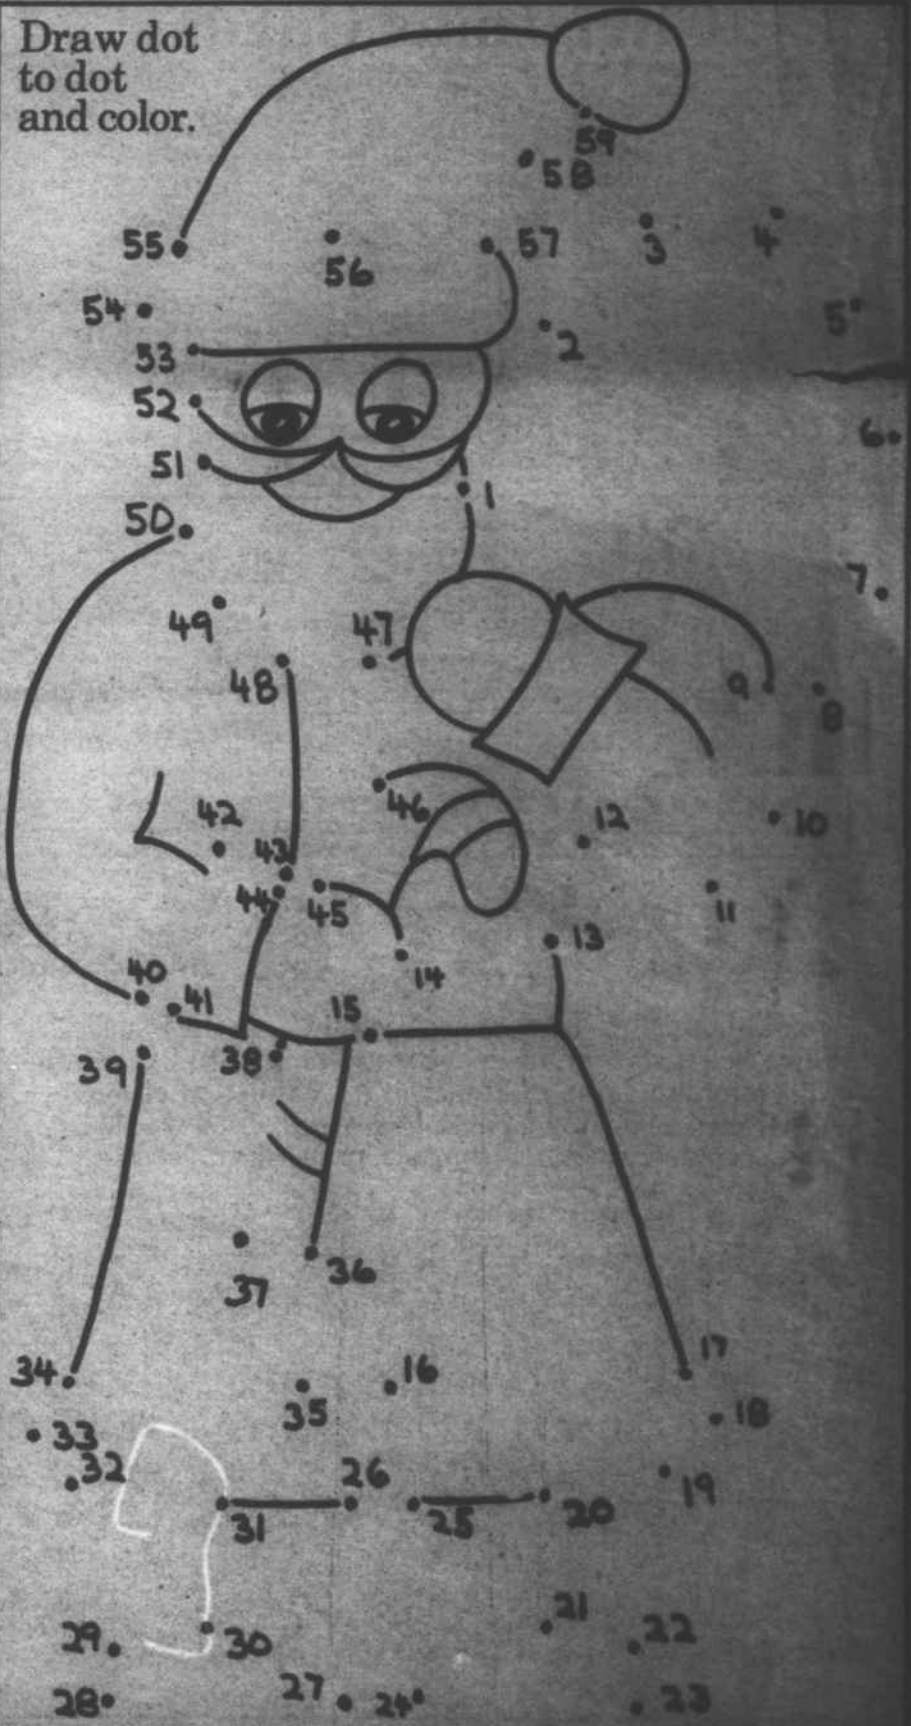

Ted has amazing speed and quickness. He runs with the State track team.

He is also good at basketball. He was known for basketball rather than football in high school.

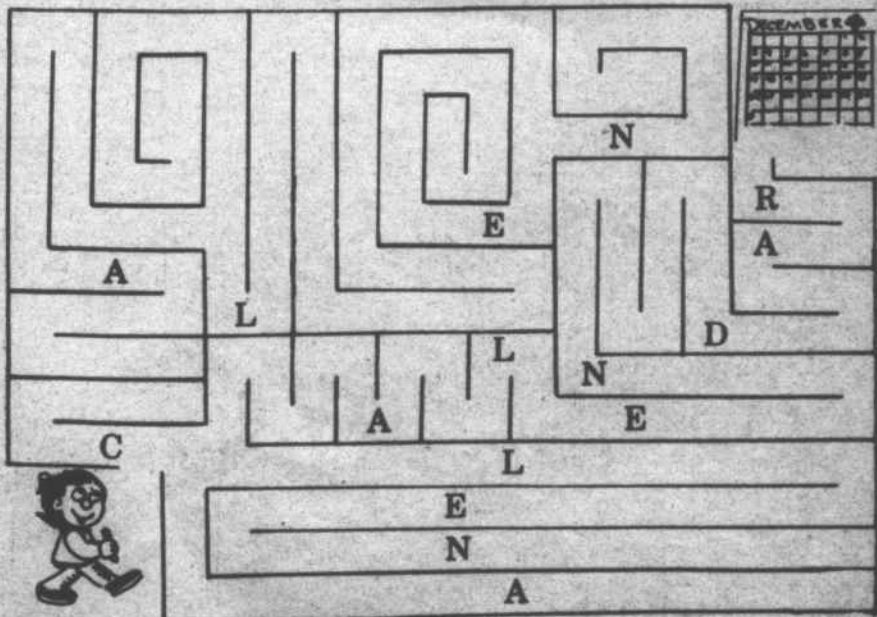

He is very popular with his teammates. He always gives the linemen a lot of credit for throwing blocks.
